"DON'T FAIL TO ATTEND ASSEMBLY"

The University Argonauta.

EVENYTHING IN READINESS FOR FOURTH INTERSCHOLASTIC MEET

Many High Schools in State and Two or Three Outside Will Be Represented. Officials and Judges Appointed.

"If the weather man will give us a couple of good days at the end of the week, there is no reason why we shouldn't have the best interscholastic meet ever held in Idaho," said Dr. C. A. Stewart, yesterday morning. "There will be representatives from nearly all of the high schools in the northern part of the state and from several of the larger schools in the southern part of the state."

"However, I have been disappointed somewhat at not receiving the entries. Only three or four have sent in their name list, I intend sending out some letters tonight, Monday night, asking for a telegraphic list."

The committee in charge of the interscholastic is composed of Dr. C. A. Stewart, chairman, Professor Larson, Professor Griffith and Physical Director Van der Veen. They have had many meetings and are working hard on the arrangements. They desire to announce their selection of officials and judges as follows:

Referee—Mr. G. W. Van der Veen.

Starter—Professor C. S. Edmunsen.

Chair of the Course—W. C. Edmondsen, '11.

Asst. Clerk of the Course—C. J. Hayden.

Field Manager—Arthur O. Butten.

Announcer—Coach J. G. Griffith.

Scorer—Proctor K. Perkins.

Scorer—R. V. Hockett.

Scorer—R. D. Leopser.

Asst. Scorers—J. D. Downing.

Judges of the Field—Professor Wilbur, Professor Antell, Professor Parson.

Time—Prof. Van der Veen.

Herbert Whitten, Professor Larson.

About the middle of the afternoon, Clarence Edmunsen, track coach will run an exhibition six hundred yard race against Captain Verne Hartwell, which will certainly be worth while.

The band, reinforced by towns people and upper campus who have served their time in the band, will be present, as well as a couple of squads of cadets to keep the crowd off the field. Coach Leopser said, "we certainly feel glad that-fome has been built for it and will be materially in keeping the crowd back. Last year we had a horrible job keeping the field clear."

Professor Larson announces that every body, whether in the student body, or in the faculty, no matter what their position may be will have to kick through with the four to five thousand people who will be present, to see the final. This year, I and the other members of the faculty, will be on hand to direct the flow of admission and we are going to do so again this year."

Every student in school should be present at assembly Wednesday in order to take part in the big rally which will be held to help out the interscholastic meet. "If I see any cadets wandering down the side walk that period," said the principal, "I myself, am going down and separate them and bring them to assembly and the coach will work on him and they must be present or we will lose in the preliminaries on the strength of their card."

Very beautiful in all its appointments was the dinner dance given by Gamma Phi Beta Wednesday evening. After a sumptuous dinner at the chibler house, the assembled guests rode up the hill, where dancing was enjoyed, until late at night, followed by a delightfully lighted ride at twelve o'clock.

The Intercollégiate baseball season opened last Friday at Idaho when W. S. C. took an uninteresting one-sided game from the university. The Varsity could not do much under Hartwells pitching, gathering but seven hits against his thirty-four times at bat. Donald started the game for Idaho, but his arm was bad and the Pullman bench took very kindly to his offerings, so Gerlougher was substituted who did better but was insufficient to be wild. W. S. C. scored in the first inning when Canu found a ball that he liked and drove it out to the fence, making the curve before Donald recovered the ball. It was one of the longest hits ever seen on Idaho field. In the third and fourth innings, the visitors added six more to their list of scores. They failed to score after the sixth inning.

Idaho made its first run in the third inning when Jones walked and Knae clouted a long three bagger. Humanities made a score in the ninth inning when Jones was adyerced and Jones walked and completed the circuit on Donald's walk, and completed the circuit on Hayden's hit. Idaho's final score came in the fifth inning when Jones hit, took third on Knae's two-bagger, and came home on an error by Anderson, the W. S. C. third baseman. The attendance was above the average at a baseball game during the last three or four years.

Following is the box score:

W. S. C. 7, Idaho 2

AB E H F O A Z

McIntyre, rf 6 2 3 1 1 0

Owen, as 4 1 1 1 1

Owen, 3b 3 1 2 1 0

Knae, cf 4 1 1 1 0

Anderson, 3b 4 2 0 1 0

Lester, 2b 4 2 1 0 0

Robinson, c 0 1 0 1 0

**Newberry 1 0 0 0 0

Score 13 3 2 7 7

Scoring: Idaho 1 2 3 4 5 6 7

W. S. C. 1 2 2 2 2 2 2

Base on balls: Idaho 3, W. S. C. 2

Struck out, by Hayden, 1, Gerlougher, 2, Hartwell, 0, Double play, McHenry to Passey; Passed balls: Passey, 3, Robinson, 5; hit by pitch, Donald, 1; errors in balls, Off Gerlougher 2, Off Hartwell 3; Umpires: Currie; Scorekeeper, Bill Watson.

The second game was a hair raiser from start to finish. Idaho took the field in the ninth inning with three to four in their favor. Knae, the first man on, knocked a ball out the park in right field. It took two throws by Donald to get the ball back into the infield, and the score stood six to five with no one down and no one on bases. Anderson hit safe, Hartwell followed with another bit, Passey went out to first base, Kobler forced Anderson at third, McHenry walked. Fornn came to bat and hit and had two strikes and three balls and waded there. Passey walked and drummer met square and drove it to the ground to Jim Watson.

First Game Uninteresting and Slow—Idaho Nearly Wins Second—Break of Luck Against Us.

Gymnasium To Have Maple Floor.

College dances in the gymnasium? Seems rather strange, dancing in the gymnasium. What is more, there isn't been necessary to hoist one's feet over the differences of the elevations in the floor that confusing the floor. For, the irregularities of the floor at their meeting passed a motion to place a maple floor in the gymnasium.

Some class to that.
TO THE MEMBERS OF THE A. S. U. —

Enclosed I have the report of the receipts and expenditures of the funds held by the month ending March 31st, 1913.

ATHLETIC FUND.

Expenditures as follows:

Treasurer—Athletic fund—Football banquet $30.00
H. M. McPherson—Football blanket for seniors 16.70
J. J. Steiner—Rope of football men for annual 10.20
Ray Mitchell—Money paid Dr. Green for services 6.00
Dr. Carabass—Services on Market 2.00

Balance on hand $64.90
Less expenditures as above $775.66
Balance on hand $710.76

ARGONAUT FUND.

Expenditures as follows:

Idaho Post—Printing for March $86.00
K. D. Batelle—Salary for March 8.00
R. F. Tuttle—Salary $4.00; wages of T. P. Doyle $3.25; wages of J. F. Hayden $1.35; wages of I. M. Xavier 75e

15.25

Balance from last report $107.25
Received on Adv. and Sub. $260.98
Less expenditures as above $330.00
Balance on hand 107.25

$223.75

DEBATE FUND.

Expenditures as follows:

Harry Medcalf—Expenses for Willamette debate $90.00
C. Menden—Expenses for Willamette debate 30.00

$120.00

Balance forward last report $143.47
Money drawn last month and not expended—returned to fund:
R. E. Davis—From Gonzaga debate 3.40
C. Menden—From Willamette debate 15.70
P. Otsu—From Moscow and Gonzaga debate 13.20

$175.77

Less expenditures as above 120.00
Balance on hand 55.77

MISCELLANEOUS FUND.

Expenditures as follows:

H. W. Foosier—Cost of Mountains '13 for cuts $81.54

Balance forward from last report $264.29
Less expenditure as above $81.54
Balance on hand $182.95

Respectfully submitted,

PARKER V. LOCAAS,
Treasurer

Dated—April 12, 1913.

Encampment.

Next week our campus will be dotted with underclassmen, as they will all be gone on encampment. This year the encampment will be held at Hayden Lake and will be somewhat different from those held in the past in that the cadets will not have to sleep in tents. The Hotel Company have agreed to allow them to use the summer cottages for quarters to eat in the dining room of the hotel. This will make the encampment much more pleasant than it has been in the past. Hayden Lake is a beautiful resort, and if the weather is pleasant the boys will have a fine time. Arrangements are being made for several entertainments to be given in their honor and it is also possible that several baseball games will be arranged between the cadet team and the different Coeur d'Alene teams.

Help out on the Interscholastic. Let the committee know that you are alive. Sell tickets. Talk it up. Do something. Don't sit around and take the benefit of other men's work.

1913 Idaho's Marvelous Growth.

Over 200 new towns, several new railroads and new counties, and the latest census are features of a new map just issued in March, 1913, and for sale for one dollar postpaid by the Idaho Republican, Blackfoot. We have one and it seems complete and correct.

LOVE ALL

All college men and ladies will especially love our large assortment of Tennis Rackets and Goods—Wright & Ditson's and Spaulding's. See the new "love threat!" 1913 model rackets for girls and men in the corner window. Tennis Clothes and Hats in white duck and flannel. Tennis shoes in many different styles.

BASEBALL

Spaulding's Baseball Bats—Shoes—Gloves—Wickets. Bats in large assortments. Prepare for the class and college games now.

EVENING IN READINESS FOR
FOURTH INTERSCHOLASTIC MEET

Many High Schools in State and Two or Three
Outside Will Be Represented. Officials
and Judges Appointed.

"If the weather-man will give
us a couple of good days at the
end of the week, there is no rea-
son why we shouldn't have the
best interscholastic when have over
had" said Dr. C. A. Stewart yes-
terday morning. "There will be
representatives from nearly all of
the high schools in the northern
part of the state and from several
of the larger schools in the south-
ern part of the state.

"However, I have been disan-
pointed somewhat at not receiving
the entries. Only three or four of
the schools have sent me their list.
I intend sending out night letters
to-day, Monday night, asking for
the list in list.

The committee in charge of the
interscholastic is composed of Dr.
C. A. Stewart, chairman, Profes-
sor Larson, Professor Griffith and
Physical Director Van der Veur.
They have had many meetings and
are working hard on the ar-
rangements. They desire to an-
nounce their selection of officials
and judges as follows:

Referee—Mr. C. W. Van der Veur.
Starters—Professor C. S. Ed-
monson, '11.
Asst. Clerk of the Course—L.
T. Jessoue, '15.
Asst. Clerk of the Course—C. J.
Haiden.
Field Manager—Arthur O. But-
ton.
Announcer—Coach J. O. Giff-
ith.
Measure—Proctor K. Perkins.
Scorer—R. V. Hockett.
Asst. Scorer—R. D. Leeper.
Asst. Scorer—C. J. Downing.
Judges of the Field—Professor
Wilson, Professor Antell, Profes-
sor Patterson.
Field Judges (weight)—John
Phillips, '15; C. E. Faver, '14; S.
Brown, '16.
Field Judges (games)—G. Scott,
'14; C. F. Frey, '15; E. Perkins, '15.
Inspectors—Professor Wilber,
H. B. Kincaid, '14; W. B. John-
son, '15; Jim Lockhart, '15.
Timers—Prof. Van der Veur.

"I am about the middle of the after-
noon, Clarence Edmundson, track
coach, will run an exhibition six
hundred yard race against Charles
Herbert Whitten, which will cer-
tainly be worth while.

The band, reinforced by towns
people and upper classmates who
have served their time in the band,
will be present, as will also a few
of the made of cadets to keep
the crowd off the field.

Coach Griffith said, "I am cer-
inly glad that fence has been built
for it will aid materially in having
the game finished.

Last year we had a horrible job keeping
the field clear."

Professor Larson announces that
everybody, whether in the student
body, or in the faculty, no matter
what their position may be will
have to kick through with the four
bits to see the finals. "This is no
case of rights," said Dr. Larson,
"for the expenses are co-
ming to be heavy and it is a bad
precedent to govern masses. Last
year I, and the other members of
the committee, the price of admis-
sion and we are going to do
so again this year."

Every student in school should be
present at assembly Wednesday
to take part in the big rally which
will be held to put in the inter-
scholastic meet. "If I see any
couples wandering down the side
walk that worries," said the prof.
I myself, am going down and separate them and bring
them to assembly," and the coach
meant what he said.

"The course as no game has been
scheduled with Gorman, those
holding baseball season tickets will
be admitted to the preliminaries
on the strength of their card.

Very beautiful in all its appear-
ance was the dinner-dance given by
Gammon Phi Beta Wednesday evening.
After a sumptuous dinner at the
chapel house, the assembled guests re-
ceived the beautiful Day home on
the hill, where dancing was enjoyed
until a late hour, followed by a
delightful feast at twelve o'clock.

First Game Uninteresting and Slow—Idaho
Nearly Wins Second—Break of
Luck Against Us.

The Interscholastic baseball sea-
son opened last Friday at Idaho
when W. S. U. took an uninterest-
ing one-sided game from the uni-
versity.

The Varsity could not do much
with Hartman's pitcher, getting
but seven scattered hits in thirty-
four times at bat. Hayden
started the game for Idaho, but his
arm was bad and the Pullman
bunch took very kindly to his off-
erings, so Gerloch was substi-
tuted who did better but was in-
volved to be wild. W. S. C scored
in the first inning when onset
found a ball that he liked and
drove it clear out to the fence,
making the circuit before Donart
recovered the ball. It was one of
the longest hits ever seen on Idaho
Field. In the third and fourth
innings, the visitors added six
more to their list of scores. They
failed to score after the sixth in-
ning.

Idaho made its first run in the third
inning when Jones walked and
Keane elbowed a long three
tacker. Hartman hit a score in the
next inning when he was
dwalked, advanced to second on
Donart's walk, and completed the
circuit on Hayden's hit, Idaho's
final score came in the fifth inning
when hit, third ball, third base, and
one home on an error by Anderson,
the W. S. C. third baseman.

The attendance was above the
average at a baseball game during
the last three or four years.

Following is the box score:

Gymnastics To Have Maple Floor.

College dances in the gymnasium?

Goes rather strange,—dancing in
the gymnasium. What is more it
would be necessary to hoist one's feet over
the differences of elevations in the
lumber that composes the floor. For,
the regular gymnasium floor meeting passed a motion to place a
maple floor in the gymnasium.

Some class to that.

*Batted for Gerloch in Ninth;
**Batted for Numbers in Ninth.
Summary: Home run Casad; Three Basehit, Keane; Two Basehit,
Keane 2, Lester, Page;
Struck out, by Hayden, 1, Ger-
loch, 2, Hartman, 2, Double
play, McIfford to Casad; Passed
ball, Keane; Bases on Balls,
off Gerloch 2, Off Hartman 3;
Umpire, Curtis; Scorekeeper, Bil-
stein.

The second game was a hair
raising from start to finish. Idaho
took the field in the ninth inning
with the score, six to four in their
favor. Herbert Hartman, the Idaho
pitcher, was knocked a ball over the
bank in right field. It took two throws
by Donart to get the ball back into the
infield, and the score stood six
five. With one on and no down and
one on base. Anderson hit a single,
Hartman followed with another
hit, Page went out to first base,
Roberts forced Anderson at third,
McIfford walked. Foran came to
bat and had two strikes and three
balls called on him. It was the
critical moment, three men on;
two men down, two strikes and
three balls on the batter. Gerloch,
in order not to force a man
home lobbed an easy strike over
and Foran met it square and
drove it on the ground to Jim

(Concluded on Page 8.)
Everything is pointing to an exceedingly successful track meet.

The faculty have been working hard, and the situation has now arrived at a stage where it is up to the students to have the race to be an active part.

Every student in the university should be present at assembly in one fine new auditorium at the regular hour Wednesday and help give one of the biggest events at Idaho a grand boost.

To the business men of Moscow, the student body wishes to offer its most humble thanks for the way they have treated the university during the last interscholastic, and to thank them for donation of medals, and closure of the place of business during the afternoon of the final.

President Carlyle has taken a deep interest in the interscholastic meet this year, having offered a gold medal to the all round champion of the meet, which he hopes to have permanent.

Don't fail to attend assembly and give the fourth interscholastic track meet a good boost in the right direction. Ask Mr. Larson for tickets and sell them to the people down town. The interscholastic will come off right away while there is no danger of losing your money by buying a ticket.

At assembly tomorrow will be brought to the matter of passing or rejecting the amendments to the constitution with regard to the election of the editor and associate editor of the University Argonaut.

While there is considerable to be said in favor of the amendment, there are a few things that can be said against them. In the first place the Universit Argonaut is the publication of the student body of the University of Idaho, and it is no more than right that the students should have full control of it. If the board of regents contemplated sending a course in journalism, then it is perfectly fair that the faculty should have control through the department of journalism. The faculty have not been satisfied with the work done by the editor, and the editor is not satisfied with the work of the faculty. They are all alike, and not the best thing in the world.

Whatever the faculty has done in their past, and we never reached the editor in a direct manner. If the faculty had any criticisms or suggestions to offer we cannot see why they did not positively advise the editor of their objections to his policy instead of "back-biting" him, as they apparently have done.

We are not trying to claim credit for putting out a good paper. We but it from who and what we have tried to do is to portray the news to the best of our knowledge. We have taken stories from the local papers, the Spokane papers, and the Boise papers whenever we had reason to believe they contained the truth.

To all overs from which the story was elliniopt. It is not easy in all cases to extract a story from the heads of departmena. We remember one case in particular when we went around to see a professor in three different occasions about a story for a big event which was to occur that Friday. Out of three special trips for the purpose of giving the event publicity, no satisfaction was gained, and the event received no publicity.

Whether or not the body of non-scholarship students and non-scholarship students were invited to do so by the faculty, we have no idea. One thing we do know was that one person who helped draw them to the meeting was offered one of the editorships on the paper early last fall which he received.

The plea that the passing of the amendments would take the paper out of politics does not stand on a very high basis. To have an editor from one faction and an associate editor from another would not help matters. What is to be the difference between the editor and the associate editor, if they are to alternate in getting out the paper?

If this paper has taken any stand in college politics, it was done unintentionally. Also if any of the signed communications were by an unknown author, then it is obvious that if anybody has any grievance he has a right to air it in the college paper.

Until a course in journalism is established at the University of Idaho, we hold the students should have control of the paper, and not let the faculty assume in choosing the editor.
FRESHMAN CLEA PLEASANT AFFAIR

Class of 1918 Did Themselves Proud in Their First College Event.

The freshmen of the university met their debut into society last Friday night by presenting the Freshman Glee. The dance was a delightfully informal one and was enjoyed by all. Most of these freshmen were of the sophomore class. The grand march took place promenading in nine o'clock and was led by Charles Owens and Miss MacLean, Isaac McDougall, president of the class, stood at the head of the receiving line in which were Mrs. MacLean and Miss Stephens. Miss French was unable to be present on account of the vacation meetings. [J. W. E. C.]

The decorations were simple but effective. Bunting was hung from the two stories of the place in such a manner as to give one an impression of a two pole tent. In the corners were evergreens, and the orchestra was completely shut off by them. For the special, the footlights were reflected on a mass of evergreens with the letters of the class inlaid in crepe paper. The curtain lights were turned off during this dance which was "Dooms in Britain." For refreshments, pineapple tea and niskins were served by three little girls. The dance broke up about one o'clock.

Miners Take Trip.

The members of the upper classes in the mining department left on their annual tour last Friday afternoon. The party consisted of Professors McCallay and Livington of the Mining Department, Hairy Lott, Walter Booth, Bill Johnson, Harl Smith, D. U. Hart, and L. Lodwig, special went to Butte to study the mining and smelting of copper at that place. The plants there are said to be the most up to date in the world. The party will probably return the latter part of this week. They may stop off in the Coeur d'Alene for a couple of days.

Robinson is Baseball Captain.

F. C. Robinson '14 was chosen baseball captain for this year. The following "11" men were present at the election, H. E. Perkins, R. Perkins, and Robinson.

Robinson is a Junior in college and made his letter when a freshman.

Professor H. O. Brown, Principal of the Preparatory Department, returned Wednesday from the southern part of the state where he had been inspecting high schools.

Professor Kenneth Whyatt and Mrs. Whyatt were guests for the weekend.

Graduate student spent the week in Gerfield with her parents.

Graduate student was at home in Whitsburg during the weekend.

Omega Psi entertained the Phi Delta at breakfast Monday morning.

George Druke '14 went out of his vacation in Coeur d'Alene.

Miss Costello of Spokane spent a couple of days at the Omega Psi House.

Vivian Allen and Margaret Nixon spent their vacation at home in Sandpoint.

Phi Delta Theta entertained the Omega Psi left at the house at dinner Monday evening.

L. G. Mason '14 was at home in Hoagland, Wash., for a few days during vacation.

C. F. Hayden '12 was in Boise last week on business connected with the Horizons Department.

Rose Hoeler, Gladys Wiley, Ruth Motie, Minnie Latch and Gertrude Denneeke, were in Spokane during vacation.

"Mick" Kennedy, Marc Anderson, Harriet Hise, and Ben Snowberry, are all confined to their beds with the mumps.

Fritz Lensdorf, "11, football, baseball and basketball letter man, is playing an infeld position with Walla Walla in the tri-state league.

Roy Mitchell, who was called home by the sickness of his brother will probably be unable to return to college this semester.

Gladys McFarland, Marva Friedman, Fern Berry, Dorothy Wens, and Lillian Carthens, spent part of their vacation in Coeur d'Alene.

Professor Jones to Study at Cornell.

Professor J. Shirley Jones, head of the department of agricultural chemistry, has been granted a year's leave of absence to permit him to take advantage of a fellowship in the College of Agriculture at Cornell University. This fellowship is the only one offered at Cornell. Fed. Jones will take work leading to a Doctor's degree. The time of duration of the fellowship is from the first of October until next June.

O. A. C. is expecting to gain the services of "Dad" Moulton, Stanford University coach, as track for the season. The head of athletic concern has written to him asking for his services as assistant coach for the season. O. A. C. will have to sign contract and then call for the professional coach for the season.
**TOUSSAINT**

As the bright and sunny days approach, and we are becoming aware that all forms of athletics are being planned, it occurs to us to call attention to one sport that has received very little attention in college and on which, judged by the reports from other like institutions, cannot longer be shirked by our university authorities. This applies not only from the standpoint of safety, but also from the standpoint of the demand that the college should encourage especially the sport that offers the best form of physical development, that will strengthen the work of the class room for all life to come.

It seems to us that the real question is, "Why has this most valuable sport been so long neglected?"

Perhaps the answer is that it may seem to lack some of the spectacular performance, the individual glory, the hero-worship which has, unfortunately, crept into football and trackwork. While this seeming criticism may be true, yet it is equally true that the compelling advantages of tennis far outweigh any such criticisms.

From the viewpoint of body development, all the year round, exercise, financial economy, social delight, adaptability to the needs of the individual, teams, interest of the public, decisive judgment, precision of action of mind and muscle, real mental alertness without the serious over strain of football and some other forms of athletics, the openness of play which frees it from all possibility of rough and unmanly tactics, it would seem that there is about it more than one makes tennis the most popular sport in college. If you have never heard tennis called a "girl's game," or a "child's game" you may rest assured that it is as old as by one who knows nothing of the game. It surely was not said by one who has just played through an hour's strenuous match or a day's tournament.

An added reason why the college should put tennis at least on an equal footing with other sports is that it is thereby fostering an activity equally well adapted to all ages, both sexes, the young as well as the old, the boy as well as the girl, the man as well as the woman. Can this be said of any other sport? It would thus fuse the life of every devotee into a form of play which we have now come to recognize as one of the essentials of life in later years.

If any form of college recreation or study body is devoted to any sport, why exclude tennis? Other institutions of like rank with Idaho are reconditioning and encouraging tennis. Can we afford to deprive our student body of this most desirable form of physical activity and thus be behind the sister institutions both east and west?

While it will take some time to secure the number of courts that would be necessary to provide opportunities for the many who with proven encouragement, will develop their latent talents yet we have the facilities free for a beginning. Tournaments could be held among the students and with W. S. U., Whitman, possibly Washington U. and Lewiston. Tennis clubs, as well as with several high schools. In fact we are told that the Lewiston club will be elated to send a team up at any time and it would be a good thing to make such an arrangement soon for the innocuous game which would give tennis in the university. The expense would be slight, almost nothing, and the advantage to the college would be great.

R. B. W.—16.

What promises to become one of Harvard's most powerful under graduate organizations is the recently established Forum, conducted under the auspices of the Students' club and the Harvard Union. The first meeting of the Forum was held last week and resulted in an extremely satisfactory discussion of Harvard's need for a new gymnasium. The total attendance was not large, to be sure, there being but 50 present, but the students who were there and who took part in the discussion made up a very representative group and the speeches were clear and convincing and set forth in an excellent manner the arguments pro and con.

Gifts to the extent of $400,000 have recently been made to the university for the purpose of building and equipping a number of new departments of the university hospital in San Francisco. The new building will be erected in Farmans avenue in San Francisco next to the present university hospital. It is to consist of four units, each of forty or fifty beds. The building will be divided into wards, each of which will be devoted to the treatment of some particular form of disease. Elizabeth Hays spent last week at her home in Boise.

INTERFRATERNITY BASEBALL

Coach Griffith has arranged schedule to start May 10th.

As much as the intercollegiate baseball schedule at Idaho this year is rather light, Coach Griffith has decided that it would be a good thing to have another interfraternity league among the four fraternities and a team representative of the non-fraternity men.

For the first time in the history of the institution such a league was held last year and much interest was shown. The Kappa Sig's won the over by winning four straight games.

When asked if there would be another soon for the winning team this year, Coach Griffith said, "This is a matter that is up to the different teams themselves. They should have a meeting of representatives from all the teams and determine whether or not they should play or not raise the funds if they decide to do so. They should draw up a set of rules covering all the conditions."

Coach Griffith says that he positively will not allow any of the varsity baseball men to take part in this league as he does not want to take their chances on becoming injured. He refers to the incident at Pullman last Saturday, where Luther, the regular second baseman was out but in a fraternity game and had his hand broken, and was unable to play in the Idaho-W. S. C. game as a result. W. S. C. nearly bad misfortune. This trend will tend to weaken the stronger teams and make the weaker teams stronger, unless all of them on an equal basis.

Officers in the league will be elected at an early date.

Notices.

All men who intend to enter the tennis tournament will sign their names to the list in the Registrar's office. A fee of fifty cents will be required of all students who use the courts, whether they enter the tournament or not. This fee is to be used towards keeping the courts in good condition.

Edward M. State, '13, is now student manager of the University team. He takes the place of J. R. Maughn, '13, who has resigned to accept the position as manager of a creamery at Calgary, Canada.

Obel Martin, Edith Bailey and Hester Pfenjihgton spent vacation week in Welfa Waish.

Alexander hall, a dormitory for the undergraduates at the theological seminary, at Princeton, was damaged by fire which started on the fourth floor and completely destroyed the upper two stories. The lower floors were damaged by water.

Leoreta Libbuck and Florence S. Gunion went to Spokane for the week end.

The University of California won the recent tennis tournament with Stanford.

Veda Soedde and Ellen McCusin spent last weekend with Zella Bigham in Kendall.

Ruth Amett and Margaret Lee were the guests of Miss Ruth Brown at dinner Thursday evening.

Miss French entertained at dinner Saturday evening, Mrs. Denning and the Delta Gamma who were left in town.

Marie Kettnebel, Harriet Wider-thaler and Margaret Measan spent their vacation at their homes in Lewiston.

Phi Delta Theta entertained at dinner Thursday evening, Mrs. Denning and daughter Margaret and those Delta Gammas who remained here during vacation week.

The students at Iowa State College at Ames, in the largest vote ever polled by the student body, voted against smoking on the campus by a majority of 270.

The cadets at W. S. C. are to hold their encampment May 17 to 21 inclusive. The camp will hold in the near-neighborhood of Pullman, and the college will pay the cost of subsistence for the individual cadets.

DARTMOUTH—A letter written in 1783 by Dr. John Wheelock, when president of Dartmouth college, has just been presented to the Dartmouth chapter of the Phi Kappa Psi fraternity by an alumnus.

Rogers N. Strickland, a football star, of Wentworth, also bears the honor of having had his picture illustrated in all the magazines of the country when he was one year old, as the best example of what matted milk could do.

Pictures of Wisconsin alumni who have distinguished themselves in the various fields of life will be hung in the Union building if present plans materialize. Presiding the selection of men whose pictures will be used, four weeks will be allowed to the students to state their views in the matter. More than $200 has been pledged by the Union board to support the scheme. Among the pictures promised is a portrait of President Van Els and "Robb" La Follette. It is also planned to place on exhibition pictures of all major sport teams.

By a circular excavating apparatus which it draws behind it, it travels, it excavates a ditch four feet and half feet deep, and in good soil travels at the rate of two and one half feet per minute.

ICE CREAM
Pure as the morning dew. Made especially for us at the University Creamery where sanitary conditions are unquestioned. It is rich and creamy and has that "just a little more" taste. We serve it in a hundred styles with pure fruits and true fruit juice syrups. Our Ice Cream Soda's are made with crushed fruits and cold sparkling soda water in a most appetizing manner.

OUR PRICES ARE VERY REASONABLE

AT ASSEMBLY
The second assembly in the new auditorium was so well attended that the first. The musical number was a violin duet, given by Miss Yearian and Mrs. Bolayon. They were selected for a second selection, and the merits of their clavine would certainly have entitled them to a third.

The speakers for the period were Wm. Mason, representative to the state legislature from Latah county. His subject was the work of the last legislature. Mr. Mason graduated from the law school of the university last year, and was the youngest member of the last session of the legislature. In his speech Mr. Mason took up the work of the legislature from the beginning and explained the part which the Latah county delegation had in the work and against measures. He denied the allegation that the Latah county delegates were responsible for the defeat of Judge Allsby for United States senator and explained the situation in which the representatives of Latah county found themselves throughout the session. In the early contest they did not wish to do anything which would jeopardize the chances for Berton L. French to be elected two years from now to the senate, and in the later contests they were bound to work for the interests of the university. Hence the representation from Latah county found themselves checked from accomplishing the work which they otherwise might have done. Mr. Mason spoke of the different measures which passed, including ratification of the amendment to the constitution for the direct election of the United States senators.

At the close of the talk by Mr. Mason, a short student assembly was held. In the absence of the president and vice-president, the treasurer took the chair and opened the meeting. Amendments were proposed for the ratification by the student body. Each amendment provided for the election of the editor of the Argonaut at a date separate from the general election, and also providing for a raise in the remuneration of that officer.

Idaho to Have Alumni Magazine
The alumni of the university are to have an official publication of their own. Bills along this line were taken last commencement, when the association appointed a committee of three to investigate the matter. They were given complete authority to proceed with the publication of an alumni magazine if in their judgment the plan was feasible. The committee consisted of Wm. E. Lee '03, Mabel R. Price '03, and W. H. Mason '12. This committee has gone into the matter and adjusted plans for the publication of a quarterly magazine. It is hoped that in time the magazine will prove so successful as to justify the expenditures involved in the publication. There has been a need of a magazine of this kind at Idaho for some time, and it is hoped that "The Idaho Alumnae," as the magazine will probably be called, will be means of keeping the alumni in close touch with each other and with the "varity.

The first issue is planned for about June 1. The subscription price has been set at the low figure of 50 cents per year in the hope that ever graduate and ex-student will subscribe for the magazine. The editor chosen for the magazine is W. H. Mason, '12, Earl David, '04, has been elected business manager. Solicitations should be sent to either the editor or business manager, at Moscow.

Y. M. C. A. Deputation to Troy
The Y. M. C. A. deputation team, Prof. D. B. Steinman, Frank Osborne, Paul Wengler, Chas. Vanion Smith, J. D. Davis, George Inmon and Sylvanus S. Swan went to Troy, Idaho at the request of the people there, last Friday noon.

This team has been successful. The object of the work is to lead men to a higher life. A Boy's Scout troop was organized with 16 members. Thank Mr. Steinman for that.

The object of the visit was more directly attained even than that. After the last meeting Sunday night there was a total of thirty-five people who had made the decision to lead a better life, sanctioned after the Great Life. That object was attained thru a Friday evening social gathering, a Saturday afternoon "hike" with the boys, a Saturday night "ahors talk" service, and on Sunday morning thru the addresses by J. D. Davis in the M. E. church and another by Frank Osborne in the Christian church.

Three more meetings were held in the University of Idaho by women to men only, Mr. Swan to women and Mr. Steinman to boys. The Sunday night meeting was the climax. In it the definite object was attained.

And of those 35 decisions, 20 chose their church immediately. The boys are more than thankful that they obtained a part of their vacation for this work.

Coach Griffith has charge of the entertainment of the visitors during the intermission, every will, of course be taken care of by the fraternities, but in case they cannot be taken care of in this manner, it would like to have available a list of places where he can accommodate the visitors with rooms or board, or both.

R. D. Lewis, president of the senior class, returned from his home in Coeur d'Alene, Monday.
MR. COLLEGE MAN

Have you noticed our window display this week? Stop a moment to consider it the very next time you pass. Do more than that. Devote ten minutes to the display.
