IDAHO DEFEATS WASHINGTON STATE COLLEGE BY A SCORE OF THIRTEEN TO NOTHING

The Bear Stories Emanating From Coach Bender's Camp Were Based On Facts. Score Should Have Been Larger.

MANY ATTEND ATHLETIC BALL

First Big Social Event of the Year is a Notable Success.

There were more than a hundred miles present at the Athletic ball last Saturday night which was held in Egan's Hall. In fact there were so many there that programs were being made for those who did not get there on time, only two hundred having been ordered.

The ball was tastily decorated, gold and white tinsel was strewn across the ceiling with a canopy effect. At each end of the ball was a goal post, on the one being figures 15 and another the zero. The one with the zero was decorated with W. S. C. crimson and gray. During the "T" portion of the dance these figures were lighted by means of small light globes placed on them. Many people were spaced second on the bottom of the balcony.

The dance was supposed to begin at eight o'clock sharp, but owing to the inclinency of the weather, it was found impossible to get the band up before 15. How ever shortening the dance a little in the latter part of the evening it was found possible to get to the bottom of the program. The programs were in the form of a little football with the names tied to the being. It was nearly an exact duplicate of the one for the athletic ball in 1914.

President Clarence Favre of the athletic board stood at the head of the receiving line. The патриотi of the event were Mrs. J. G. Griffith, Miss Pennells French, Mrs. J. Hether-Collins, and Mrs. W. B. Cartwright. The dance was in charge of a committee composed of Louise Jensen, chairman, Banks King and John Hayden.

All men who played in the football game were admitted to the ball free of charge, and also all members of the athletic board.

REGENER HOLD REGULAR MEETING

All Members Present With Exceptions of W. S. C. and W. S. W. The regents of the university had their regular October meeting last week. The sessions were occupied in reviewing the reports of the various departments of the faculty. The financial reports and reports on admissions and attendance, and the material for the biennial report of the board of regents were the chief items of interest at the meeting.

The library will be open a month during the evening for month preceding the semester examinations. This action was taken by the board of regents in response to a petition signed by a large number of the university students. The Board was of the opinion that this concession was all they were practically able to grant.

In regard to the occupations of the Idaho athletic field by the Latah County Fair association, the views of A. S. B. F. committee were heard. The interests of the student body will be fully protected. No lease was entered into with the fair association, but when this is done the interest of the student body will be carefully regarded.

Are You Going to Drop Any Subject?

Dean Eldridge announces that the final limit for dropping a course without the penalty of receiving an "F" in it for the term has been extended to five o'clock Wednesday October 22d.

This means that if you are contemplating dropping any of your work, you will have to hurry into the dean's office before five o'clock Wednesday. If you neglect this little detail, your semester report may have to have more than one color on it.

IDaho Defeats W. S. C. [Continued from page two]

They got away with a forward pass for about thirty yards, but could make nothing through the line in two attempts to trie other place kicks and carried sixty yards by K. Perkins. Perkins made twelve yards around left end, and two line bucks were made which placed the ball on W. S. C.'s four foot line when time was called. Until the last three minutes of play W. S. C. had every advantage and had they any kick whatever, would have scored on a place kick.

SECOND HALF

The second half began at three forty-five, W. S. C. kicking off. Lockhart fumbled the ball but recovered it about eight yards. Kinnison punt thirty-five yards. W. S. C. lost five yards on an end run, and then punt forty yards, the ball going out of bounds. Knutsen went through the line for eight yards, and on the next play Lockhart went through the line for thirty-one yards which resulted in yardage. Burns went through for two yards. Perkins for three and Knutsen for eighty yards being made. Knutsen was thrown for seven yards and Perkins four, and for the third time yardage was made. At this point Coach Ori- phil announced the twenty yard line on the sidelines by substituting Brown for Perkins. Brown made two kicks for a substantial gain and Brown carried the ball over on the next play. Lockhart failed to kick goal. Score—Idaho 6; W. S. C. counting.

Pullman kicked off. Lockhart returned the ball fifteen yards. Brown went through the line for eight yards W. S. C. penalized five yards for being off side. Idaho penalized for the same offense. Kinnison punt for thirty yards. Pullman came through the line for eight yards. Favre was knocked out for an incomplete pass. Pull- 
man punt for twenty-five yards. Brown went through for eight yards and Knutsen went over for three yards, which resulted in yardage for Idaho. Burns went through the line for twelve yards. On the next play Knutsen went through for four yards but the next time Harter called Brown behind the line. A forward pass was made by Burns to Leuschel for thirty yards. Brown and Burns carried the ball to within two feet of the W. S. C. line when time was called for the quarter. During this quarter Idaho was in possession of the ball during all the entire time.

FOURTH QUARTER

The teams changed goals. Knutsen easily went over the line for a touchdown. Lockhart kicked goal. Score—Idaho 12; W. S. C. 0. Burns kicked off. Pullman lost fifteen yards by failing to get a forward pass away. They then punt forty-five yards which was returned twelve yards by Lock- hart. Pullman intercepted a pass forward to Johnson. They tried three forward passes all of which were incomplete. They then punt thirty-five yards which was returned twenty-five yards by Lockhart. Burns went through the line for seven yards, but on the next play Idaho was penalized twenty yards for holding. A forward pass for twenty-five yards was made from Burns to Johnson. Knutsen went through the line for three yards which gave Idaho a first down. Two line bucks resulted in a small gain and then W. S. C. intercepted a forward pass. Pullman tried a forward pass but failed to connect. They then succeeded in making one for a gain of fifteen yards and tried another which Johnson intercepted. A line back missed a small gain and a forward pass from Johnson to Burns gave Idaho an additional five yards. Kinnison punt eighty yards. Pullman made only thirty yard on a forward pass. Tried one of which P. Perkins intercepted and returned for five yards. Brown went through the line for thirty yards. The game ended with the ball in W. S. C.'s territory. Eddie Kienholz and "Shorty" Hartley played right end for Pullman. Hartley was all north-west center last year, and if Kienholz keeps up his present rate, he will have no trouble being chosen for the all north-west team this year. W. S. C. was troubled with a green team, only having four old hands in the line on. Captain Joe Harter was out of the game with a bad leg.

For Idaho, it would be hard to pick out the stars. Idaho had it on W. S. C. in almost every position. Harter did succeed in breaking up a few plays, however. The line did excellent work. After E. Perkins made his long run after blocking the place kick, there never was a question as to the outcome of the game. That was the turning point. Brown did good work, considering it being his first college game. The ends and back field were exceptionally good. Lockhart needed but one quiet all afternoon and lost nothing so that as he recovered it and advanced that ball.

Mrs. Doyle, registrar of the southwest precinct of Moscow will be at the Administration building near the main day Wednesday to register all students who have a desire to vote on the election this fall. In order to vote it will be necessary to register. There is no charge.

Orchestra rehearsal will take place at 3:00. From now on the regular rehearsal will take place at this time.

Doble says, "The game with Pullman does not weaken Pullman's bit. It merely shows that Idaho has the strongest team in the Northwest conference this year. I am expecting the fight of the University of Washington football. The Miscellaneous Society will publish its first number after the game."

Among those who visited at the Phi Delta Theta house for the Pullman game and the Athletic Ball were Penn Fisk, ex '13, of Lewiston, Herbert Sizer, U. of W., '11, Lloyd Penn, '11 who is now connected with the forest service, Russell Gildey, ex '14, of Lewiston, and Messrs. Stuhnhall, Soundleberry, and Van Osmond, of Winchester.

LOCALS

There will be a reception to the musical students Friday, October 25th, 8:30 to 10:30 at Ridenbaugh hall.

Net Carr, ex-'13, was married to Miss Virginia Wilson of Moscow on May 25th at 10:30 a.m. yesterday morning. The marriage was a complete surprise to the hundreds of friends of the happy young couple and not until they had left for Spokane on the Inland train did the news leak out. Mr. Carr is a valued employee of the harvester works of this city.

Mr. Carr was first lieutenant of Company "A" during his sophomore year and was registered in the mechanical engineering department.

The girls at Ridenbaugh hall will give their annual Halloween party this Friday night, November 1st.

Roy O. Johnson returned from Lewiston last Wednesday where he went to take the bar examination before the supreme court of the state. He was entirely successful as was also Leftoff McGann who also graduated from the law school last year. Five out of six candidates passed the examination.

The football team will have next Thursday afternoon off for a week where they play the University of Washington Saturday.

Doubt, according to all reports, is intently worried about the outcome of the game.

Miss Marie Kettenbach, ex-'13, who later attended the University of Washington, visited at the Gamma Phi house the latter part of the week.

William P. Hillman, ex-'13, captain of last year's football team, attended the game last Friday.

Roderick Small, who was one of Idaho's greatest quarterbacks, and who was for two years holder in the All-northwest team of that position, was on the sidelines at the game.

Miss Ruth More, '16, left for her home in Spokane Sunday morning to visit for a few days.

Mr. and Mrs. A. K. Stoddard, of Nampa, spent Saturday and Sunday with their daughter Vera at the Omega Phi House.

Attorney J. E. Gidye, of Walla Walla, visited his daughter Constance at the Gamma Phi house Sunday.

Miss Harriet Bolger, who is teaching in Winchester this year, spent the week end at the Gamma Phi house.

Omega Phi entertained at dinner Sunday, Herbert Siler, Jim Lockhart, Victor Siler, Clyde Conaway, Ray Brookman and J. Fran of Lewiston.

Mrs. S. H. Hays, vice-president of the board of regents, spent last week with her daughter Elizabeth at the Gamma Phi Beta house.

Mises Marie Kettenbach and Margaret Butler came up from Lewiston to attend the game and the athletic ball, and are spending this week at the Gamma Phi Beta house.

Mrs. Hazel Hammeneister was unexpectedly called to her home in Blackfoot last week by the sickness of her father. It is not likely that she will back this year.

Miss Helen Noyes, of Spokane, spent last week at the Gamma Phi Beta house, coming down for the same and the athletic game.

Sunday afternoon Miss French entertained at dinner, Mrs. Burns, of Fayette, Robert Burns, Margaret Butler, Irene Tousney and Clotie Perkins, Misses Linda Rae, of Garfield, Washington, Marie Kettenbach and Helen Noyes were dinner guests of Gamma Phi Beta, Sunday.

Misses Irene Tousney, Fio McConnell and Grace Bolger spent Friday at the Pi Delta Phi house in Pullman, and entertained there that evening.

THE UNIVERSITY ARGONAUT

The game between W. S. C. and Idaho resulted in a victory for Idaho. To the team itself belongs the whole victory. The old old story of Idaho spirit winning football games did not hold in this case. The big rally Thursday night was a front. It seemed that about one-half of the men students took part in the parade. As the procession passed along the crowds on Main street one could see many students standing in the crowds. And lots of these students were freshmen. Yet there were innumerable cases of this very thing last Thursday night. The place for every ablebodied Idaho student at a football rally is in his pajamas or night shirt and in the serenest possession.

There seemed to be more or less confusion caused at the Athletic Ball last Saturday night, by having to give the check boy a fee before the coats and hats could be checked. It seemed to be setting a precedent, as this has been the case for the other college dance during the last two or three years. It looks as though after paying $1.50 for the dance one is entitled to a little privilege like having his checks checked, free of charge.

The athletic relations between Idaho and W. S. C. improve every year. We hear stories of the antagonistic spirit which used to prevail between the two schools. According to the stories, in those days a fight was perfectly justifiable upon a student from one school meeting a student from the other. Those days are gone. Of course there is still a spirited athletic rivalry between the two schools, as there should be.

The first meeting of the year of the Idaho-Washington Section of the American Chemical Society, which was held at Pullman last Saturday afternoon, was attended by seven members of the faculty of the University of Idaho, and by three members of the junior class in chemical engineering. The meeting was presided over by Prof. J. Shirley Jones, head of the department of agricultural chemistry at the University of Idaho. Dr. C. L. von Eeke gave an address on Freundian Chemistry that was quite illuminating to the W. S. C. contingent. A paper on the Determination of Iron and Alumina in Organic Ash was read by Mr. Colver, of the Idaho Experiment Station. An inspection of the laboratories by visitors preceded the program. The members of the society remained to a dinner served in the evening.

NOTES OF THE GAME

George Varnell, sporting editor of the Spokane Chronicle, refereed the game.

Graduate Manager Larson had planned to take the team over in his auto but the weather was a little too cold to make riding comfortable.

Idaho was penalized for a total of fifty-five yards while W. R. C. suffered a penalty of only ten yards. W. R. C. was unlucky in that she did not succeed in getting a place kick out of three easy tries.

Phillips was taken out of the game with a sprained ankle but he was on the sideline ready to go if he was needed. He should be in perfect good shape next Saturday when Idaho meets Washington at Beattie.

It looked as though the coach took E. Perkins out of the game to save him up for later in the game if he was needed.

The cheerers was about equal. In Eddie Pape, Pullman has a good yell leader. Part of the time he lead them from a high platform, and between halves he climbed up in the cross bar out in the field while they formed a circle beneath him.

Many Idaho students went in automobiles and carriages. There seemed to be a whole procession as the train passed them.

During the intermission between halves, the W. R. C. and Idaho rosters followed their respective bands in a serpentine over the field. It looked as thought they were going to mix on several occasions.

W. R. C. students were determined that Idaho was not going to ring their bell this year as they did two years ago. It looked as though there were about two hundred aggies on and around the bell. Noer did it ring.

Idaho marched around the main streets of Pullman immediately after the game. Some W. R. C. men thought they would stop the procession by blocking the sidewalk with a buggy. It was as though there was going to be some real excitement for a minute.

There was more or less good-natured justling caused by color snatching. Most of it was good-humored, however. The W. R. C. freshmen seemed to be the chief offenders in this respect.

Horns seems to be the best leader for the Idaho team. He gets his puns away quickly, they stay close to the ground and seem to have remarkable carrying power.

Kesten played an excellent game for Idaho. Whenever it was absolutely necessary to advance the ball a few yards, Kesten could be depended on. With a little more weight he would be a wizard.

One business house at Pullman had a place which showed Coach Bender jumping on the protrude body of Coach Griffith. Coach Bender was shown as saying "I say W. R. C. will win" and Coach Griffith saying "I assert that she won't. After the game the card was turned upside down.

Another student showed Coach Joe Harter blowing whole Idaho team off its feet, with the inscription "Just like a chincokk!"

The train service coming home was miserable. The train had been advertised to leave right after the game, which ended about 4:30 but the train did not leave until 8:10. It was an hour and forty minutes to come nine miles.

It looked as though Coach Bender was trying to coach his team from the side line on a different occasion. There is not much doubt but that he told them to try a place kick in the first half.

It appears that Pullman had a small oaket over there with a placard in it which said "Here lies Idaho's hopes," which they intended springing on the Idaho students after the game (if they were successful). Some of the Idaho girls managed to steal the placard and two Idaho students grabbed the oasket and carried it nearly to town and had put it in a cab before they were taken over and the oasket recovered by the W. R. C. bunch.

In The Gymnasium.

The short course aggies began their gymnastics work Monday. They have five month's work ahead of them are taking great interest in it.

Mr. Van der Veen is planning to stage at least five indoor track meets in addition to the meets between the different classes of the short course age. The first one will probably occur just before the Thanksgiving vacation.

There were twenty-eight students present a the first dancing class held last Saturday morning by Miss Stephens of the physical education department. Eight of those present were girls. This course will undoubtedly prove very popular.

There will probably be another cross country run held next Friday. If everything proves favorable.

There are a number of Argosers lying on the table beside the mail box in the Administration building. If you are not receiving your paper please notify Roy B. Tuttle, or then Doyle.

Ninth year, 3,221.89.
Tenth year, 3,803.58.

The first hundred and fifty thousand dollar stadium will be built by the city of Seattle on the University of Washington campus, it plans now being made by the committee in charge of the enterprise carry through. The stadium will make ample provision for football and baseball and a quarter-mile running track, with places for jumping and weight events. It will be built below the level of Lake Washington, so that it can be flooded when occasion demands and be used for aquatic sports. It will be built on the ground now occupied by the old A. Y. P. stadium, and will probably be ready for use next fall.—Exchange.

Co-Eds Barred From Library.
Radcliffe College girls are no longer allowed the complete freedom of the Harvard library. They may enter not more than six in a group and they must be "supervised" in a special room. Here are the leading reasons as the Harvard library head has found them.

"More than six girls make a crowd. They chatter so much they disturb the other workers.
"They litter the tables and desks with hats, handbags and papers.
"They crowd out learned professors.
"They are found too much to disturb the other students.
"The spectacles of a University of Wisconsin sophomore spitting through a pasture in B. V. D.'s was presented there following a hazing bee in which a number of juniors "had fun" with a sophomore man.

The sophomore was dragged from his room in a fraternity house and locked up in a boxcar on a sidetrack near Madison.

The sophomores at the University of Montana recently established a new tradition. They have built a large block (M) on a nearby hill and have delegated the class of 1916 to keep it polished up. Hereafter each freshman class will be expected to do this.

The Cornell freshmen have a heavy football schedule this year, with seven games planned. The last game of the season will be the annual struggle with the Pennsylvania freshmen. The game with the Harvard first-year men has been dropped from the list this fall.

The editors of the Daily Delphic at Drake University will get university credit for the work done on the college publication this year. This decision was made after a lengthy consultation between the heads of the English and Journalism departments.

The law students of the University of California are planning to issue a law review. If the plan is carried out the Review will be the first judicial paper published by a law school west of the Mississippi.

Kansas University for the second time in its history boasts a girl in the engineering school.

The literary societies of Cornell have adopted rushing rules which are very strict and cover many points.

The Alumnus, official publication of the University of Washington graduates, which died a natural death last year, will resume publication next month with W. A. Simonds, '12, as editor, and Wylie Hemphill, 11, as business manager. No advertisements will be run, and the paper will be financed entirely by the alumni.

Ralph Lütz, professor of history, and Wylie Hemphill, W. T. Lutze and Hansen, Seattle business men, will constitute the advisory board appointed by N. R. Durham, president of the organization.—Exchange.
