**The American School on Liberal Basis**

"Outstanding from a practical, financial, and educational standpoint," America's foremost educators declared the American School on Liberal Basis. It was founded by Dr. Samuel G. Mather, a pioneer in the field of education, and is located in the heart of the city. Its curriculum is designed to meet the needs of today's students, with a focus on developing critical thinking skills.

**Come on over-and bring your pipe**

IN OUR half, there's no question about who's The Head Man. It's Prince Albert. You'll find it in any room you wander into. It's all you'll ever be offered. And that's hospitality, if you ask me. What a treat it is, too. Fragrant and inviting. Cool as a regalmaid. Comforting as a perfect适. Mellow and mild and long-burning, no matter how often you load it up and light it. You're in good company when you smoke P.A. The world's most experienced smokers have placed this one brand first.

**Prince Albert**

—no other tobacco is like it!
SAN JUAN CAPISTRANO, CA

November 21, 1928

Dear Mr. Jones,

I am writing to inquire about the possibility of purchasing a horse from your stable. I understand that you have a variety of horses available for sale and I am particularly interested in one that you recently advertised.

Can you provide me with more information about the horse, such as its age, breed, and training? Additionally, I would like to know about the price and any required paperwork or fees.

Thank you for your time and assistance. I look forward to hearing from you.

Sincerely,

[Your Name]
