The outcome of the games was uncertain until the final whistle blew, at which time the opposing team emerged as the winners by a narrow margin.

The Grimace of Mr. Booth

Mr. Booth, who was dressed in his customary white trousers, was seen grimacing in the direction of the teacher's desk. This unusual behavior was noted by the students, who speculated about its cause. Some thought it was due to a pranked comment from one of the students, while others believed it was a sign of stress or discomfort. Regardless of the reason, the incident added a touch of drama to the otherwise ordinary school day.
