Why Go To "Idaho"

**The choice of a university or college to be attended by a student should be based upon five principal requirements: 1st, a high purpose and broad field of work; 2d, a competent faculty; 3d, a sufficient equipment; 4th, a student body of high ideals. The University of Idaho fully satisfies these requirements.**

---

**Why Go To "Idaho"**

**The choice of a university or college to be attended by a student should be based upon five principal requirements: 1st, a high purpose and broad field of work; 2d, a competent faculty; 3d, a sufficient equipment; 4th, a student body of high ideals. The University of Idaho fully satisfies these requirements.**

---

**I. Purpose and Field**

The purpose is to serve the people of Idaho in developing and training students; in advancing the entire State educational system of which it is a part; in preparing for and controlling the agricultural, forestry, home economics, and educational affairs not only to students in residence but also to those who desire it throughout the State.

---

**II. Faculty**

The faculty is made up of eighty-three teachers of those business and technical efficiency and efficiency attained by years of study and experience.

---

**III. Equipment**

The equipment is ample. It has a library of over 39,000 volumes, excellent facilities for teaching literature, philosophy, and social sciences, and well provided laboratories for the natural and applied sciences.

---

**IV. Students**

Its students, numbering eight hundred and seven in the present school year, 1915-1916, are earnest, wide-awake, and academic. A large number of them enjoy their own way. It is known now among agriculture.

---

**V. Accessibility**

The four colleges and the central agricultural experiment station are located at Moscow; the main agricultural extension office is located at Sandpoint, Clagstone, Caldwell, Moscow, Gooding, and Aberdeen.

PHOTOGRAPHICALLY

"Are you happy?"
"Yes.""Well, come along, 1'll fix you up for a full flush of the Geographic Magazine."
"Bobsie, if you'll just stay quiet for 100 years I'll get you two spots." "No, I won't. I haven't anything to put on to make the spots come down.
"But you just said it solid," said Bobsie.
"Oh, and the man, too?"
"How did you answer the man?"
"I told him, 'Not too bad."
"Well, I told him that, too."
"I didn't, either," said the trains, "he said he had to know you when he was a little girl and she wouldn't talk to him unless he was a little boy and a good little boy."

SOME SNEER
He ran for trains, he ran for buses, he ran for offices, too, they told him to run in businees, to run in business. Then, too, he's in de-rect and never a wagon.

POETING THE BELL
Mr. Sweeney had just recovered from a severe cold for a week, and was very much put out by the sudden appearance of a unique and most valuable visitor.

"Do you know you have a very interesting cold?"
"Oh, I know that," said the trains.
"Of course, I don't know what you mean by 'interesting' Cold," said the trains.

BUSINESS
"You say that you want me to keep the mail for you and to do any errands for you, but I am afraid I am too busy."
"Oh, yes, of course, I understand that," said the trains.

QUITE
"Your boys are in my apple tree again."
"Oh, yes, I suppose that is true."

APPLICA'TIONS
"Here,Henry, what are you doing? What are you doing?"
"I am writing a letter to the old man."

What's on the fertilizer Bag?
Does the manufacturer print on the bag of fertilizer what he will see, and how much immediately available has it to contain?

Many do not.

This is a reason why home fertilizers, for their part, are very careful to keep up the standards of the old man."

WHY IS "FRESH" STRAWBERRIES THE DELICATEST SEASON?
Strawberries are the delicacies of the present season. We have the best in Moscow large, firm, even-sized, and of this description "fresh" strawberries can be had at from $5 to $20. The extra-price type has a greater volume, and is cut in very small pieces. These cost between $12 to $25.00.00.
