The gymnasium was the scene of an informal reception Friday night, given by President Bryant, in honor of the graduates of the various colleges in honor of the members of the last graduating class in the University of Minnesota. The reception was open to all who were interested in the achievements of the class. Many faculty members were present, and a good time was had by all.

The boys reception was given Friday night by Miss Bryant in the main dining room of the University of Minnesota. Miss Bryant was present with the graduates and gave a toast to them. The boys gave a toast to Miss Bryant in return.

The game was played on the field of the University of Minnesota, and a large crowd was present. The game was well played, and both teams showed good sportsmanship.

The game was followed by a dance in the gymnasium, where the graduates and their friends enjoyed a good time.

The game was a close one, with the University of Minnesota winning by a narrow margin. The University of Minnesota will play again on Saturday night.

The University of Minnesota will play against the University of Wisconsin on Saturday night. The game will be played in the gymnasium, and a large crowd is expected. The game will be followed by a dance in the gymnasium.

Society Notes

The Kappa Kappa Gamma—The banquet arranged by the Kappa Kappa Gamma is to be held this Saturday night in full form and apparently enjoyed themselves. But the presence of a C. R. Bybee party was great for them. They came in to dinner and brought a large crowd of friends.

One of their members stated that Peace "Puck" McDonald of Idaho State is the one who has written the best paper so far in the University of Washington, where he will take up the study of medicine.

The Kappa Kappa Gamma society was the best for the fall semester and has tentatively plans for opening next spring.

Last week you might have heard a lot of the fraternity members at a picnic and the Phi Kappa Fraternity house. The Phi Kappa Fraternity house is nicely decorated and the Phi Kappa Fraternity house is the one to which we should pay our respects.

I ask you, where is that house? I am not sure.

Somebody says he saw her wearing a dress, but I am not sure. He says she has a pretty good taste for houses.

The Phi Kappa Fraternity house is the one to which we should pay our respects.

At the Phi Kappa Fraternity house we might see a lot of the fraternity members at a picnic and the Phi Kappa Fraternity house. The Phi Kappa Fraternity house is nicely decorated and the Phi Kappa Fraternity house is the one to which we should pay our respects.

During the past year the Phi Kappa Fraternity house has been a busy place, and the Phi Kappa Fraternity house is the one to which we should pay our respects.
