LONG YEARLY GRADS

The staff of the 1916 Gunns of the school has been at work all day preparing the election list for the coming election. The personnel of the committee has been reduced by several members, but the number of new members taking appropriate steps to be eligible for the election is still large. The election list will be complete before the last day of school, and the election will be held in the assembly hall on the first day of school, according to the announcement of the principal.

FRANK BELLINGSON

President

MONTIE QUADRO

Vice-President

P. R. REYNOLDS

Secretary

J. C. ROSS

Treasurer

The vote is due to be held the first day of school, and the results will be announced later that day.

In the Game of Billiards

The school has recently purchased a new set of billiard tables, and the students are eagerly awaiting the opportunity to use them. The tables are of the highest quality, and are expected to provide many hours of enjoyment for the students.

THE BASKETBALL TEAM

The basketball team has been practicing hard for the upcoming season, and is looking forward to the first game.

THE STUDENT ORCHESTRA

The orchestra has been rehearsing for the upcoming concert, and is expected to perform a diverse range of music, including classical and contemporary pieces.

THE SCHOOL GARDENS

The school gardens have been carefully tended by the students, and are expected to produce a bountiful harvest this year.

THE SCHOOL THEATRE

The theatre group is currently preparing for the upcoming production, and is looking forward to a successful performance.

THE SCHOOL NEWS

The school newspaper is currently being edited by the students, and is expected to publish its first issue soon.

THE SCHOOL MUSEUM

The museum has recently acquired several new exhibits, and is expected to open its doors to the public soon.

THE SCHOOL LIBRARY

The library has been expanded with the addition of several new books, and is expected to provide many hours of learning for the students.

THE SCHOOL GYMNASIUM

The gymnasium has been renovated, and is expected to provide many hours of physical activity for the students.

RESERVE CORPS WORK OUTLINED
(Continued from page one) --

The reserve corps during the remainder of my course in the University of Idaho, to devote five hours a week during each period to the military training prescribed and approved by the reserve corps in camp training during each period prescribed by the Secretary of War.

(Rigorous)

The instruction required will be continued with the college schedule and the hours or hours of instruction so as far as possible will come before 4:00 p.m. each day.

Uniform Required.

When a unit of the training corps has been established at a university there will be issued to each institution the following uniforms for the number of the unit:

One pair of trousers, two shirts, one pair of buttons, two ties, one pair shoes, one pair caps, and one coat cap and one uniform coat, one pair shoes, and a kit bag. When the institution of such a unit has agreed in writing to participate in any camps of instruction so as to make the necessity of war may prove the number of the unit will be increased to make the training in the training course effective.

Additional Equipment.

It is the intention of the war department to issue the latest military arms and equipment to all institutions so rapidly as they can be supplied and all such equipment required for the training of the class to be in uniform uniform and equipment during the first two years of military training. This will be a standard class in the efficient. Equipment will be issued in an efficient manner.

The kit bag and equipment must be purchased by the student by the institution.

Detailed insignias to be worn on

After Winning From W S C

In the upper part of the left frontroom will be reserved seats according to the reserve training corps. There will be four tickets and the following categories:

- Class I: food and shelter will be provided for the students.
- Class II: students will receive a supplement of $50 per month.
- Class III: students will receive a supplement of $100 per month.

And physically fit males students who have completed four years' course of military training before the passing of and will be eligible for appointment as reserve officers of the army shall at the passing of the supplemental course of the reserve officers of the army be eligible for appointment in the reserve officers for the period that he has been in active service 21 and 25 years.

May Become Lieutenant.

A graduate of the course officers reserve must undergo six months' training as a reserve officer in the regular army, at least one month, may be applied for the appointment as lieutenant in the reserve force. If approved, the applicant will be required to perform the service as qualified for the officers reserve corps and for the regular army as a reserve officer. A graduate may go into the officers reserve corps of the service but it is not compulsory.

Referring to the camp training referred to in the following regulations:

(1) That the course in a camp training shall mean a group of four weeks each. When any member of the reserve or any reserve training corps has attended the training of four weeks each during the first two years of his service in the reserve division he may be given credit for the course.

(2) In addition to the four weeks' camp training, this course shall be at least of four weeks' length and during the first year and four weeks' course to graduate

---

The time for the officers reserve training is to be 36 weeks after the completion of the course in the reserve officers corps and an appointment as a temporary second lieutenant, first prohibiting the six month appointment to begin immediately after graduation.

Junior Officers' Stock.

(3) For those who are admitted to membership in the reserve officers corps training during the senior or at least of four weeks each at the institution from which the course in training shall consist of the senior reserve camp and shall consist of the course three times. This, however, may be continued for the six months' appointment as a temporary second lieutenant, first prohibiting the six months' appointment to begin immediately after graduation.

Junior Officers' Stock.

(4) For those who are admitted to membership in the reserve officers corps training during the senior or at least of four weeks each at the institution from which the course in training shall consist of the senior reserve camp and shall consist of the course three times. This, however, may be continued for the six months' appointment as a temporary second lieutenant, first prohibiting the six months' appointment to begin immediately after graduation.

Some space has been devoted to the question of the need for a code of rules or regulations, which can be evoked by students but not in some case, as in how more
