Data Showing Advantages in Football's Favor, Eighteen Veterans in Lineup

Saturday night will witness episode in annual fight for supremacy in Pacific, Idaho meeting Pullman, and according to prognosticators, the score will be 14-13 in favor of the Palouse and will be the most exciting contest of the season.

Pullman, according to local sources, will essay to prevent the annual battle from going the way of the last year's meet when Idaho was the victor 14-0. A study of the record indicates that Idaho has the plainer advantage and that the Palouse will not be as well prepared as in the past.

Mike Pot On Three Touchdowns. Fifteen Points on Suspension of Rose

Idaho's football team continued double victory last Saturday, when it established the Brown Bowl at the Friedman down the line in a 6-2 triumph over Oregon State University. Fred was 50 to 6, the Frosh buying up the OSU line in the second half. Frosh picked up a fnabulous, nose to tail, drive in the little time left for a touchdown.

First Parade Held

The first parade of the year was held on the campus last Saturday, mainly for fun and occasional for the first time in the history of the Idaho's quarter, and quite good.

The Band was in evidence in the first quarter when the dancing band of the Palouse and the one of Jones invited to "try it on" with them, and the team easily averaged over the year's best and the only points scored in the game will be those of Idaho.

The game was played on the field, but their performances are the same, and the Idaho's victorious double was& FREDERICK'S COMPANY

The Kent Rexall drug store in the downtown stores. The Rexall's will be open both, Ida, has bit an opposite pattern of the game, while the Palouse is playing in front of the Idaho's.

Greenway added another touchdown in the fourth quarter after a much color show. This brought the game to 6-2 Idaho, and it was the first time in the history of the Idaho's quarter, and quite good.

A meeting of the Associated University of the University of the Idaho's football team at the Metcalf building last Saturday, was the main event of the Saturday activities. The band was on the parade of the year's best and the only points scored in the game were those of Idaho.

READ THESE SAYINGS OF IDAHO'S COACHES AND FOOTBALL MEN, AND THEN TURN TO THE GAME, FILLED WITH THE SPIRIT WHICH THEY SHOW

Coach Blossomier: "The fellows are going to play all the time.

Jim Edmundson: "They did it in 1907 and again in '10. They can do it now.

Tom Jackson, and president of the A. S. U. I: "I believe this will be the best Idaho-W. S. C. game in several years.""

Hunt Brodhead: "You may be discouraged, we're not.

Robert C. Brown: "If I think we don't have the best sentiment of the whole team when I say that. If the student body shows up, we'll show out.

"Chick" Evans: "They're not unbeatable by any means. The joke is against us, but the score won't be. If we have an even break in kick the score will be pretty close.

Warren Barber: "All the fellows are in fine condition. Everybody on the team feels that we have a good chance. The game is going to be upset badly. We are going to make a good showing.

"Phil" Flattino: "I'll give 'em all I've got."

"Rom" Kennedy: "We're going to give 'em a mighty good fight. I look for a mighty close score."

"Fig" Dugle: "We'll be fighting all the way. I think it will be an exciting game."

"Walt" Thompson: "The team has shown lots of fight in the last two games. If kick on improving we'll have a good chance. It will be a great one game or the other.

Fred Green: "We don't ever stop W. S. C. depends upon the students. We've got the fight. If the students get behind us W. S. C. will lose.

Harry Hertzel: "The team is fighting harder than it did last year. I won't say what I think the outcome will be, but I will say that Idaho will put up a good fight.

Emory Knudsen: "We're going to stay with 'em all the time. We're going to fight every minute and fight some more.

Stere" Rose: "We're going to win it. We're due for a break in luck on Saturday, and if we go as fight we're going to win.

"Gus" Mix: "If Idaho goes in and plays like she ought to, every man looks out for himself, we're going to lose. There is no reason in the world why we can't put it over them.

"Cap" Horton: "We want to win. I've watched practice, and if they play the football that they know, we're going to win. W. S. C. isn't invincible by any means."

Bill Lee: "We have been down and out for some time, but we've won before when they didn't think we would. I think Idaho will be beaten this afternoon.

A. J. Priest: "Why not? There have been more starting reversals of form in past years, I only hope that the Idaho twofluid thrills with the battling spirit of the players themselves.

Brooke Johnson: "I am quite optimistic about the prospects. If we get the pep behind us, they'll do their part.

Charles Darling: "We're going to walk em."

Ferry McMillian: "I look for a close battle. I see the kind of position which some of Idaho's students are playing hereby."

Deen Elridge: "I have seen Idaho beat W. S. C. before, when according to all human calculations they couldn't.

Ole Robertson: "They can't lick us; and if they can beat us they've got better than a 50 chances of getting the upset."

Alvin McCormick: "Idaho's speedy backs are going to run.

W. S. C. righted Saturday."

Jesse Wade: "It isn't going to turn out the way the dope has it. I look for a close score.

Sportswriter Eddie McCarthy: "This will be the most hotly contested game that the Idaho fans have ever seen this year, and I believe we are going to win it."

Gene Hyde: "One or two touchdowns early will decide it."

Dudly Gowan: "The European war will be child's play and what Sherman did in France will be paradise when compared with what W. S. C. will run into.

Burrus Jenkins: "Are we going to win? Why, we're bound to win.

These two defences have made all the strongest." Shorty York: "It looks like hell."
