COLLEGE TRAINING MEANS SUCCESS

Bureau of Education Cuts Figure in Show Broadcast from Education

"What has just been shown is the result of a few years of experimentation and circumstances has long been attempted in this field. There is abundant evidence of the superior chances for success which await the college trained man.

"There are a few of the commonly called arts. (a) Only about 1 per cent of the population of the United States has had college or university training. Yet, approximately two-thirds of the persons listed in Who’s Who, which include men and women who have attained national distinction in every calling, are college trained; that is, two-thirds of the leaders in professions, humanities, and so far as the

BOOKS WORTH READING

One centennial novel since Robert Browning’s "Sons and Lovers" has tended to intensify a welcome in England in a new novel by the "Four Remonstrance of the Apostles," of the way, written in collaboration by a Spaniard who knows France. The novel has been published by Doubleday, Page, and has run into three editions since it was first published and is still holding its

"Geddes Poetry" (Putnam, $1.00) is a collection of the work of some of the younger English poets, is a handsome volume to be read by anyone who is interested in the reaction to contemporary events. This is the sort of book that is the salvation of the younger writer, and reminds me that America has been slow to come to the realization that their
