INTERSchOLASTIC TRACK Meet TO BE HELD AT UNIVERSITY MAY 15

PRESIDENTIAL CANDIDATE TO BE FRENCHED AT BOISE AND FELLOWS TO PICK SOUTH IDAHO ENTITIES—SIX MEN WILL BE PROFESSOR'S FABRICATION TEAM WILL PAY THEIR OWN EXPENSES.

Plans are rapidly gathering under way for the Annual All-State Interscholastic Track Meet to be held at the University of Idaho, May 15. The meet will be considered one of the most important of the kind ever held in the state and the biggest in the history of the meet. A preliminary meeting will be held in the southern part of the state to eliminate the majority of unsatisfactory trackmen prior to the meet.

The University of Idaho will hold the meet and it is planned that the meet will be conducted in the same manner as all other meets in the state. The meet will be run on the basis of fair play and no one who has ever taken part in track meets will be permitted to enter unless he is a trackman in his own right.

The meet will be held in May and it is expected that the meet will be held on the Idaho campus. The meet will be run entirely on the basis of fair play and no one who has ever taken part in track meets will be permitted to enter unless he is a trackman in his own right.

Not So Different After All—

The new suits for Spring and Summer were appropri-ately reflected in the class suits of the uniform. Full-\nbuttoned, trim at the shoulders and waist, they are vigorous
in every line. The new ACE No. 3 Model is one of the
popular. 

Society Brand

You could tell it to any eye the right stuff, which is tailored in by head and the casual, artistic attention in the smallest
details. The tails are divided, and the entire, unusual
look is made to fit ever event. 

The Soc Brand is made in the finest materials, and each suit is examined in every detail. The look is
made to fit ever event.
