FACULTY AT SPECIAL SESSION TODAY, GRANTS 3 DAYS VACATION

The following additions to the rules and regulations of the Health Fee have been made since the last special session of the faculty: Only students who have paid the health fee will be reimbursed for costs of necessary health care. The health fee has been increased from $2.00 to $3.50. Students who have already paid the fee will be reimbursed for costs of necessary health care. The health fee has been increased from $2.00 to $3.50. Students who have already paid the fee will be reimbursed for costs of necessary health care. The health fee has been increased from $2.00 to $3.50. Students who have already paid the fee will be reimbursed for costs of necessary health care.

COFFEE AND CLOSED BOOK STORE FINDS BIG RESPONSE

The committee proposed at the last A.S.U. meeting in February of this year to establish a coffee and closed book store was revived by the present committee. The coffee and closed book store will be open on the first and third Wednesday of each month from 8:00 a.m. to 4:00 p.m.

The university and the students of the university will benefit from the coffee and closed book store. The students will have a place to socialize and the university will have a source of revenue.

The committee is working on the details of the coffee and closed book store. They will be looking for a location and designing the interior of the store.

The coffee and closed book store will be a great addition to the university and the students will benefit from it.

That New Overcoat
FOR THANKSGIVING
IS NOW HERE.

Several thousand kodak films have been developed and printed in our dark rooms. We should know how to do it by this time.

We Do
See our window, display this week.

HODGINS'
Drug, Book & Kodak Store

The Phoenixian students of the University requested last Friday that the Secretary-Treasurer, Coach Lindley, President of the Basketball Association, be allowed to enter the field of professional photography, and that the Kodak film be respected. The film has been received.

The new Kodak film is an improved type of film that is more resistant to light and heat, providing better results in extreme conditions. It is designed to capture images with greater detail and contrast, making it ideal for both amateur and professional photographers. The film is now available at the store, and we encourage all photographers to try it out.

New arrivals that will bring fashion's most recent dictates, $30.00 to $75.00.

Do you need any luggage for your vacation trip? A Trunk, Bag or Suit Case? Let us show you these.

DAVIDS’
The "Westside" Store

And now, we can turn to the business of the day. The University Administration has decided to purchase a new Kodak film for the basketball team. This film will be used in the upcoming game against the rival team, and we are confident that it will help us win.

The film will be available at the store starting next week. We encourage all photographers to try it out and see the difference it makes in your photography.
