GREETING TO THE STUDENTS OF THE UNIVERSITY:

We are glad to welcome you to the University and wish that each of you may have a happy and prosperous year with high scholarship. The football game against Idaho this year is a high point in the athletic calendar. The university has always enjoyed a fine reputation among the colleges of the United States in football, and this year we are confident that the team will again maintain its record of success.

The football team is composed of a number of fine players, and the coaching staff is well chosen. The game will be played on Saturday afternoon, and we trust that all students will be present to cheer the team on to victory.

The University of Iowa.
