EX-SERVICE MEN TO HEAR WAR WORKER

MRS. JANE MURPHY ELIES OF PORTLAND, OREGON, LIVING IN EUROPEAN ENTERTAINMENT

VOCAiONAL GUIDANCE EXPERT

Meeting in the Field Followed By

Tour of Foreign Cities

Mrs. Jane Morris Elies of Portland, Oregon, who is now living under the auspices of the National Y.W.C.A. as a vocational guidance expert, came to Los Angeles and the University campus last Saturday, May 2, in the interests of her work in that field.

Mrs. Elies has been visiting European lanations and other countries and she is endeavoring to find all over the north a highly recommended woman worker, whom there will probably be two or three in the men's meetings in London.

Mrs. Elies will speak at the *Y* Club on Thursday and all sorority and *Y* students are urged to attend the interview so that the best women can be found for the work. Two of the best known among the women students are Miss Lillian Claus, president of the Y.W.C.A. in Oregon, and Miss Clara Clark, secretary of the Y.W.C.A. in Oregon.

For an hour and a half she will be here, and we ask that you be prompt in getting there, for the space will be limited.

The University of Idaho's Officer's Ball was held on Friday evening in the campus Normal Hall. The theme of the ball was "The Renaissance," and the atmosphere was filled with elegant decoration and attire. A live band provided music for the evening, and guests enjoyed a delicious dinner before dancing the night away.

Notable guests included Alpha Kappa Psi, Phi Delta Theta, and Theta Chi, who were recognized for their participation in the event. The ball concluded with a flow of guests leaving the hall, each enjoying the memory of a wonderful evening spent in the company of friends and classmates.
