That the University of Idaho should not only get off to the start with the prize offered by the Harlem Club of Seattle but should win the coveted game between W. C. and S. is stated with a good degree of assurance by the leaders of both of the teams. As a matter of fact, the president of the latter team, Mr. Harrison C. Dale, as head of the Department of Economic Law, is regarded as an expert in the field of speculation. It will be remembered that last year the Bobcats played at the University of Washington on their way back home. And although the majority of the Idaho fans were satisfied with the outcome of the game, the outcome of the game was not satisfactorily so the majority of the Idaho fans. The game was not as satisfactory because the Idaho fans had to leave the Idaho fans with the belief that the Idaho fans was the best fans to be the best fans in the game.

Tickets for the performance of the Nanaimo Symphony Orchestra, held at the Auditorium, begin today. Prizes are $100 and $20 for best attendance.

Two Women and Two Pairs of Shoes

It happens every day—two women going shopping, each buying a pair of shoes. One pays $8, and sisters at her neighbor, who buys in another store and pays $16.

But wait. The $8 shoes did not hold their shape and failed, almost from the first, to support the wearer’s foot. Lacing their style, they were soon cast aside, putting their owner in need of a new pair.

But the $16 shoes—they look almost new today, and are still worn for best. They have held their shape and given their wearer the service that was built into them. That’s why they cost $16. But weren’t they expensive, in shoe salvation?

The most expensive shoe in all the world are the kind—like the $8 pair—that are not worn but are cast aside because they did not satisfy.

The kind of shoes that satisfy are the kind that have built this store’s reputation—

Gerald Gill, of Sioux Falls, South Dakota, was elected president of the Junior Class at a meeting of that body held for the purpose of the election of the officers late last week. Gill will serve during the remainder of the present semester.

At the same meeting Herald Stevens, of Colorado, who shown the dominating interest, was re-elected, as was also treasurer, Henry Phillips, of Brown County.

Steps were taken at the same meeting toward the arranging of a date for the Junior Prom (gala fest) to be held given annually by the Junior class. An announcement of the final details will be made in the near future.

Let's be festive at the Pizza Inn tonight. It's time to eat with the Fill Crew.
