Basket Ball at Idaho THE A. S. U. I. ASSEMBLY

One of the Most Important Meetings Ever Held by the Associated Students

Over 25 Men Out for Initial Practice

Wednesday Evening, A Fast Fall "For Latest Figures in This Winter Sport"

The Basket Ball season is on. We have played our last game of hot foot ball for the season, but not dismissed. Last Wednesday evening the basketball practice began. Nearly forty men were out for places and a nothing good team is expected.

If you want to take some good exercise that will raise the blood and bring the blood up to the objectionable corners, that will put some life in your actions, that will clear your brain and mind, it is now the start that will make life lovely worth of the effort, of living, there's no other exercise. Play ball, why? Because you need it. Because the "Vanity needs you. Because we are trying to banish ball, we have a fine Gymnasium and the best coach in the Northwest. Help us out a little. Get out and show your nerve. But remember that you are not necessarily for a mental education. Take plenty of exercise in going to, but not more. But, if you are a skillful player, you may be or could be, don't neglect your studies.

Idaho will have a team this year that will certainly not be surpassed by any college in the North-west. We have four men of last year's team, all of them stars: Wynia, captain and center, is playing his usual old steady game with a cool head, lightning-like passes and sure goals. Roberts, manager, and Conner, last year's guard, is without doubt one of the best all-around guards in the state, being on the foot ball team, and short stop on the base ball team. He can be depended on to play as the best forward in the Island Empire this season. Black, another of last year's forwards, was a good reputation as a dodger and quick, sure goal thrower in the last game with W. & O. G. of Coeur D'Alene. He is a player with much experience having played at the Boise E. Y. C. for several years, and always can be trusted to play a fine, fast game. Small, one of last year's guards, will be the usual tower of strength in defense and attack that the team in foot ball of the other all-around athletes and his work shows the eff of years of open air exercise and hard work. In the summer he always was a noticeable fact that the Rodney guards go no goals. Rodney's in, don't play not only every minute, but every second of the time.

Among last year's girls we have

Galloway, Young and Wingman.

These three are working in the four class of basket "ball" players and can be depended on to make a drought. They will keep a close rivalry for places on the team. Other old girls who are doing good work on the start, are

Paulette, Strine, Ross, Myers, H.

DOMESTIC SCIENCE PROGRAM

Conducted by Miss Martha Soper-visited with Spokane friends during vacation.

J. Loyal Addison, '04, passed through Moscow in route to Mc-Weeds. Miss Henderson spent the vacation with home folks at Wallace.

JUNIOR PROMENADE.

ARMORY.

Friday evening, Dec. 14.

Tickets, $2.00.
It Will Be a Rare Treat to All Lovers of Shakespearean Comedy

The English Club of the University of Idaho will present Shakespearian's comedy, Twelfth Night, at the Moscow Theatre, on Thursday, the 20th day of the Play. This play was chosen because it returns to its fitness to the festival season after the long winter. It is to be presented on Wednesday, March 5th, and it is expected that a majority of the students will attend. The production is under the direction of Mr. Walter-Boyd, and it is expected to be a success. The tickets will be on sale this week.

MONTANA-IDAHO DEBATE

Idaho's first intercollegiate debate of the year is to be held in Moscow on Thursday evening, at the Methodist church. The opponent teams will be from the University of Montana. The question is to be this: that government ownership and operation of the railroads of the United States is undesirable. Montana has selected a team which is expected to put up a strong case on the affirmative. Oregon will make a good team that should not be underestimated. The manager of the debate, Donald A. Walker, is expected to have a good team. The question will be debated in the minutes of the Preparatory Department.

The Christmas Displays are Complete.

This year's Christmas displays are ten times greater than that of any previous year.

THE GREATER BOSTON
WASHINGTON 6: Oregon 18.
Wills: 10; Williams 5.
Whitman 0: Oregon 3.
Whitman 8: Idaho 5.
Whitman 0: W. S. C. 10.
Idaho 8: Whitman 6.
Idaho 0: Oregon 1.

The November issue of The Whit-
worthian of Whitworth College, Ta-
burn, Wash., contains an account of the
Exponent, of Montana Ag-
ricultural College, always has a few
short verses worth reading and
thinking about.

—

The Outlaw of the Boise High
School, has a very neat cover de-
sign, and the cartoons are in many
respects anything but disappointing.

Although the season is not enter-
tively over, enough games have been
played to place the fast that under
the new rules football is not so dan-
grous a game as formerly. For the
1905 season 18 men were killed and
109 severely injured; while this year
11 men were killed and 104 injured.

The Pioneer has a basket
ball schedule of half a dozen games,
and the manager is making arrange-
ments for others.

In The Weekly Index of Paci-
ific University there is a column
devoted to "Sparklets" where one
will always find something interesting.

The alumni of Whitman college
have offered a prize of $25.00 for the
best paper submitted by college
students on some phase of local his-
tory.

The U of W has one thousand
students today.

Dr. B. W. Whitman, of Walla
Walla, has written a book entitled
"The Most Beautiful Thing in the
World." It has been commended upon
by several of the leading
papers in the country.

The poem, "Moments Whitman's
Birds," in The Pioneer, is a very
creditable production.

A very interesting and valuable
collection on Morals Whitman is to
be found in The Pioneer.

The following are the results
scored of the several colleges and
universities interested in the North-
west football championship:
Oregon 12; Idaho 0.
