Class Meet Substituted For Lewiston High Contest

Encouraging Records Made In Spite of Wretched Field--Sophomores Win

In the place of the handicap track and field meet with the Lewiston High school, which was called off on account of expected weather, was held Saturday an interclass contest Saturday afternoon. Several surprises were sprung by the Lewiston team. 49 records are composed of the performances of the various athletes, Idaho will make a strong showing, too, in consideration the time spent in the sprints and hurdle races, that the field could handle. The distances were not altered much, except that the race, which is a 100-yard dash, was run against the wind, and the track on which the distances and the 220-yard run were run was seaweed lined with little white flags, the athletes had to keep a watchful eye.

Monday night the big freshman, who was a member of the race team, stepped out on top of the bleachers, picked some plums right and left last Saturday. His time of 100.2 yards, which was stated in the first line of the newspaper, was that of his nearest rival in the surprising time of 10.1-seconds. In the 220-yard dash, which was run in single heats and in which the rough track was a special handicap, he captured first place with a record of 23.3. He took first place again in the 220 hurdles, finishing first in the 200 yards. The old reliables, Herb Smith and Capt. Edmundson came in for their share too. Edmundson made a 23.5 seconds in the quarter mile, Edmundson, Dennis and Sharp recorded 106.8 seconds in the 440 yards. Sharp, Edmundson and Dennis closed the 440-yard race with a 5.4-seconds.

The records made in the meet are encouraging in view of those made by Oregon at the recent indoor meet at Portland. The Oregon performances were reported in part elsewhere in this issue. No Idaho have been made and posted yet of the capabilities of the University of Washington squad, but Coach Rex Smith is an interview published in the 'West Wave last Friday, gives some interest in hopes on the performances of his team. It will very soon be sent to the printers, the Caterpillar Press at Caldwell, Idaho. This firm secured the contract for printing the catalogue on a competitive bid. They are expected to have the books in a very short time. Share of Olafsen's and look right.

INTERCLASS TRACK CONTEST

Debate "Jopse Sheet" for 08-8

An Unequaled Record.

1. Whitman defeated Pacific
2. Willamette defeated W. C.
3. Oregon defeated Idaho
4. W. C. defeated Montana
5. Washington defeated Idaho

Whitman 7
Willamette 6
Oregon 5
Washington 4
Idaho 2

52.3 in the quarter mile. Washington's own half mile man, Captain Parker, has been ill and is not out. The best record which Coach Smith was able to report in this event was 2:06.1. In the mile the Washingtonians are doing 4:50.3-5. 200-yard records in the meet were:

100-yard dash--Montgomery, Penn. 10.1 seconds.
220-yard dash--Montgomery, Edmondson, Fenn and Tarron.

Quarter mile--Edmundson, Rasmussen.

Mile--Williams, Otter.

1. High jump--Smith, 5 ft. 6 in.
2. Shot put--Smith, 36 feet.
3. High hurdles--Cooper, Smith, 21.5-seconds.

Catalogue Ready For Press

The copy for the next issue of the annual catalogue of the University is now about all in the hands of Dean Edslock who is supervising its collection. It will very soon be sent to the printers, the Caterpillar Press at Caldwell, Idaho. This firm secured the contract for printing the catalogue on a competitive bid. They are expected to have the books in a very short time. Share of Graham's and look right.

Ball Park Game Called at 3 p.m.

Admission Stand Free

IDAHO LOSES CLOSE GAME

Abbein Wins on the Diamond in Thrilling Game.

Applemann Pitches Star Game for the Varsity--Comment on the Team.

Showing a great improvement in its play over that of a week before, the Varsity baseball team barely missed blanking the Abbein team last day. Up to the fifth inning the score was 1 to 0 in Idaho's favor. The final score stood 3 to 1 in favor of the visitors.

The game with the Black Cats was a matter of all predications and the Varsity kids even outplayed the veterans in several innings. The contest was interesting from the standpoint of view, several spectacular plays being pulled off by both of the coaches and the leaguers. The pitchers and especially, Sponberg held the Varsity to one hit in six innings and passed none. Thompson, who pitched the last three innings, had a world of speed and curves, and allowed only two walks. Applemann was given a layout and pitched a magnificent game. The league leaders were unable to save more than five hits from his deliver.

He is a "cool southpaw" and "boobs well in the field."

The Varsity's lone score came in the first inning. The first man up was hit by a pitched ball, went to second on a passed ball, and scored on third. Abbein scored two in the fifth on singles by Sponberg and VanHuren, a sacrifice, and unluckily force by Slack. Slack has been playing a wonderful game at third and his errors which were both on difficult plays were excusable. The runners added one in the eighth, the result of more loose playing.

The game, Tuesday proved that Idaho has the material for a great ball team this year and that "successful" reasons can be looked for. The infield as now played is the strongest the Varsity has had in years. Kidley has been catching a splendid game. He has a fine arm and is in the game for all he is worth every minute of play. Curtiss plays a great first; Lunderstrom, Case; and Slack fill out the infield, and each is a star fielder and good sticker. Case is laid up with a splintered knee-cap and may be lost in the first intercollegiate game. Hamner and Applemann getting their arms in shape arm are as good a pair as any college pitchers in the Northwest. Almond and Lunderstrom are also showing close as pitchers. The weakest part of the team present in the outfield. Captain Mohns is in center; Johnson in left and Cross in right. Cross is a splendid hitter, but do not come up to the, infielders with the bat. With practice, however, they will develop into a strong bunch of basemen.

Lineup of Tuesday's game:

Head of School of Mines Accepts Position With Mexican Mining Syndicate

At their last meeting the regents accepted the resignation of Prof. B. E. White, who is going to be the head of the School of Mines. The resignation takes effect at the end of the present academic year.

Prof. Jones resigns his position to accept the chairmanship of the Mexico Exploration Syndicate. This is a company organized under the laws of the state of Washington and capitalized with 500,000 shares. Its object is that of holding and selling, or owning, mining interests in Mexico. Prof. Jones worked for several years in Mexico but his family will live in California.

Since coming to Idaho three years ago, Prof. Jones has striven to bring the School of Mines to a position of pre-eminence. During his professorship two new buildings have been built and occupied, placing the school in unusually excellent quarters. The work of the mining courses has been made more effective since the Idaho school has come to signify especially good preparation for practical work. Prof. Jones, who, graduated from the University of California, acquired a thorough practical training after his graduation, and has reflected this in his work here.

Orogratrical Contest.

The date of the "interstate" contest between the Universities of Oregon, Washington and Idaho, at Seattle, has been definitely fixed at May 22. By the terms of the agreement under which the contest is held, the University which serves as host has the privilege of selecting any date between May 1st and the close of the college year. Oregon has chosen her representative to be held at Hilo, June 1, Bond '06, and his subjects "Minerals and Evolution of Character." Idaho's representative, W. G. Cargo, will speak on "Breakers Ahead."

Meet your friends at the Hotel Moscow Barber Shop.
Mr. F. A. Hartley, at one time a professor in the University, but now in the service of the state of Washington, was visiting Prof. J. M. Aldrich and other Moscow friends on Sunday last. He reports that P. S. Delfington, '91, who is engaged in the furniture work at and around Wenatchee, is making an excellent record.

Silverton Friday Evening

The closing number of the M. E. lecture course of this year comes Friday evening when Congressman Richmond H. Hobson will lecture.

Mrs. Hobson is fast becoming as well known for his achievements in civil life as he is known for his experience in the Navy.

He was overwhelmingly elected President of Elector at large in Alabama in 1904, and was one of the three men invited to address the Democratic Convention in St. Louis.

He has made over fifteen hundred speeches, and gone practically into every state and territory of the Union, and in over three hundred and thirty cities in forty-one states, the audience has him unani mously elected on a resolution embodying the purpose of his lecture, giving instructions in each case to the congressman from the district—con gressmen from the state—and President of the United States. His work along this line has been recognized by the great Inter-Parliamentary Union, of which he is now a member.

The universal testimony of those who have heard him is that he is imbued with a burning passion that ignites the audience, and sweeps them into larger and more intelligent love of Liberty.

Calendar
April 24—W. S. C. at Moscow.
May 5—Triangle Track Meet, Pullman.
