WILLIAMS JUBILEE SINGERS.

Colored company to Appear Before Moscow Audience for Fifth Time May 4.

For the fifth time the Williams' Jubilee Singers are to appear before a Moscow audience on next Tuesday, May 4, at the Methodist church. The fact that such successive appearance has drawn a larger audience than the preceding proves that the company is one that is worth hearing. Since its organization the personnel of the company has not changed except for the addition of one younger singer whom alone enables the management to present to the public both a male and female chorus.

The chorus work of the company is excellent and the individual members always who make up their trio in their solo work. Especially has the bass singer, Mr. Crabbe, been a favorite with all audiences. The entire change of program is given each year so no one need fear a monotonous reception. For an item on our menu people need not know of nothing better to recommend to our readers both from the standpoint of taste and profit. The company comes under the auspices of the college Young Men's Christian Association who have placed the admission at the nominal sum of 50¢ for adults and 25¢ for children.

I have met William's Jubilee Singers on several Chattanooga platforms and have always found the ladies and gentlemen of this company of great entertainers. -Capt. Richmond Pearson Hobson.

I have had the good fortune to hear Williams' Jubilee Singers and I have found them to be of another organization of its kind that is so well qualified to entertain the average American both from the voice qualities and the spiritual values that are so necessary and naturally awakens a warm and enthusiastic response in the hearts of those who hear them. I cannot sufficiently meet these people, as well as to hear them, for they are educated and cultured, and they make friends wherever they go. Not only do they sing the old Southern songs with remarkable effect, but they interpret the more classical compositions in a manner that will enable the leaders of the churches, high and low, to hear the words of Jesus and his followers as he intended them to have been understood everywhere. -J. A. Parks, Largest Publisher of Quartette Music in the World, New York.

An audience of more than twelve hundred people greeted Williams' Jubilee Singers at the White Temple, Saturday evening and from the great applause, every one was delighted. -"The Organists," Portland Ore.

With a record of having won 6 of the eight games she had played on her trip to visit the men of the Oregon team, another game against the Idaho diamond team Friday afternoon and ran up against a surer.

Appelman pitched a good game for Idaho allowing only four hits, two of which were two batters that came in the fifth. Oregon went to bat first and went out in one two three order on grounders to Walker, Appelman, and Barrett. Stuck was the first man up for Idaho and dropped a single, went to second on Appelman's grounder down first base, stole third, and tied the game. Johnson going out on a fly to third and Curtis being unable to connect, retired the side.

Appelman presented Clark of Oregon with a pass, Hankle was thrown out at first on a grounder to Walker, Mc Kenzie struck out, and Wold shared the bases. Barrett coming out on a single on a foul that the first baseman gathered in.

In the fifth Stuck got his base on balls, stole second and died there when the next three men struck out.

Clark was up first for Oregon and got second when Williams dropped his long fly to left field, but the next three were thrown out at first by Barrett, Appelman, and Barrett.

In Idaho's half of the fourth Barrett was thrown out on a grounder to second, and Lundstrom and Williams were thrown out on a smash.

In the fifth Oregon started something. Stuck was thrown out at first on a grounder to second. The next man up batted a two base hit and was caught in a play that was a passed ball. Cohalan rapped out a short drive to Barrett and went to first while Barrett struck out, to cut the scores; 2-1.

FLAHRENCE
ANNUAL MUSIC FESTIVAL

With the Chicago Symphony Orchestra of sixty-four musicians as one of the leading attractions.

PULLMAN, WASH., MAY 5-6-7

The Festival to be held by the State College of Washington on May 5-6-7 will excel anything ever attempted by the college in the way of great musical attractions, and preparations are being made to care for the large number of visitors expected.

The big day of the Festival will be Friday, May 7th, and the largest number of visitors are expected on that date. The Friday afternoon concert will be given by the CHICAGO SYMPHONY ORCHESTRA, in all probability the finest program ever presented in the west by any orchestra. The soloists for this concert will be Myrtle Elvyn, pianist, and Alda Hemmil, sopranos.

In the evening of the same day, the College Chorus will sing Roslin's Shakespere. The orchestra will be the finest of the College Orchestra. As the Shakespere occupies only about 40 minutes, the balance of the evening program will consist of numbers of the Chicago Symphony Orchestra.

All of the above will be on the afternoon and evening of May 7th.

Other concerts will be as follows:

Wednesday evening May 5th.—Concert by the Faculty of School of Music, the College Orchestra, and the College Chorus.

Thursday, afternoon, May 6th.—Concert by the State College Band.

A limited number of season tickets, good for all five concerts will be sold for $2.00 each. Same may be secured by addressing Herbert Eimbrough, Pullman, Wash., and enclosing check to cover the amount. Single tickets will be sold only at the door, the prices ranging from $0.25 to $1.00.

W. S. C. Freshmen Win Second Inter-Freshmen Meet—Score 140 to 299.

Last Saturday the Idaho Freshmen were defeated by the W. S. C. first-year men.

This is the second meet of this nature held between the two institutions. The first was held in 1907 and was won by Idaho with 73 points to 50.

The Idaho boys took but 26 points in the meet and were defeated by the 103 points by the W. S. C. first team.

Idaho was better than the first, the 120 yard hurdles and the discus. Every man fought hard for a place and those who came near the meet were more than satisfied with the work of the home team.

Idaho was not in as good condition as W. S. C., several of the men being sick as a result of the encampment the week before. The relay was the prettiest event of the day, W. S. C. lead from the start. A sweep for Idaho ran a remarkable quarter in the third lap and gained on his opponent.

Dairy Student Accepts Position.

Mr. William Anderson, who is about to finish the one-year course in Dairy, has been offered and has just accepted the position of butter maker and manager of the Bonner's Ferry Creamery.

Counting the incasualities, this position pays about $1.10 per month through the year. Mr. Anderson came to the University of Idaho last year from Oregon, feeling that the dairy course as offered here was by far the most practical of any offered by a Western board. This position makes him head of the general public cream of our Dairy Department.

The Agricultural Club at a special meeting last week passed resolutions recommending Prof. French's leaving the University.
