WHITMAN WINS

Borleske a Bright and Shining Star in Saturday’s Game—Jewell Played a Great Game—Montgomery Scored for Idaho—Idaho Not Discouraged.

“Tis an ill wind that blows no good,” and Idaho’s defeat by Whitman on Saturday while coming as a great disappointment to Idaho fans, may have been a blessing as far as showing wherein the team was weak. On the other hand all credit must be given to the Whitman team for playing a great game—their perfect interference, accurate, short forward passes, clean tackling and kicking being prominent throughout the game.

Borleske was the individual star, making quite a number of long runs, beside three long place kicks.

Idaho kicked to Borleske at 2:45 o’clock, who promptly ran the ball back 50 yards before being brought to earth. A series of forward passes carried the ball to the 20-yard line, where Borleske tried for a place kick, which was blocked, Fritz Lundstrom getting the ball. Idaho was forced to kick, and after running the ball back to the 12 yard line Belt of Whitman made a place kick. Scales, Whitman 3, Idaho 0. Whitman was penalized frequently after this for holding and Idaho several times for offside play. Idaho made steady gains by straight football but their forward running failed almost entirely, and Whitman secured the ball all of the time.

Curtis and Thornton did some excellent tackling and forced Whitman back again and again to lose the ball themselves on forward passes.

Thornton ran a ball 50 yards to the Idaho 50 line in the second half which was the only time Idaho was allowed to score a point.

JEWELL

Borleske signaled for a free catch on the next punt and kicked a goal from the 40 yard line. Score, Whitman 6, Idaho 0.

Two more goals from placement by Borleske soon followed, one from a very difficult angle and making the score 12–0 in favor of Whitman. Wilson of Whitman was taken out for slugging notwithstanding his protestations. Half closed with score 12–0.

When the second half started it looked as if Idaho would tear things up by their line plungers, gaining 40 yards at a clip without a hitch only to lose the ball on a 30 yard line. Soon after Lewis recovered the ball on a fumble and with a clean field made a touchdown. Score, W. 14, I. 0. Most

game went in to replace Smith and punted to a 55 yard line where Jewell fell on the ball, after an exchange of kicks Borleske secured the ball on an outside kick and skinned the crowd for another 70 yard run and touchdown. Score, 24–0.

Punters have replaced Curtis, Barber went in for Hillman, and Bennett for Graves. Idaho blocked a Whitman punt and Mouny cleared the ball and ran for a touchdown scoring Idaho 6 points by subsequently kicking goal.

It was a hard fight from hereon against odds. Borleske made another touchdown just before the game closed after running 70 yards and time was called with the score 30–6 in Whitman’s favor.

This game should by no means dishearten Idaho fans and we want to hear nothing but boosting for the team and for Coach George. The condition of the men has not been the best and there have been many things to contend with.

W. S. C. now feels confident of beating Idaho but they have felt that way before and gone home disappointed. Notwithstanding the outcome of Saturday’s game, Idaho will win from Pullman or it won’t be because our hard-working little coach and our loyal team didn’t “give ‘em all they’ve got.” Everybody boost!

The lineup follows:

IDAHO WHITMAN

The following players were on the team:

**IDAHO VS. WASHINGTON**

SPOKANE, WASH.

Special Trains on the Inland and N. P. Roads.

Every Student and Faculty Member Should Go
Every reason to feel gratified with the excellence of the exhibit at the Idaho-Mountain Fair at Boise was shown by the officers-in-charge who attended. Interest and enthusiasm was expressed on all sides and surprise was manifested by very many people who seemingly had been too busy to keep informed of the progress and high rank of the work done at the State University. Without question a laudable spirit of the Idaho people who visited the fair were not omissions of the wide range of music and university faculty.

It was for the purpose of enlightening the general mass of people along this line, as well as to advertise the state educational institution that the success effort was made to install this exhibit. Hundreds expressed their satisfaction over the fact that the University of Idaho is keeping well along with her sister institutions in educational matters.

The exhibit consisted of a full and well arranged display illustrating the subject of farming taught in an educational manner. This was the charge of Professor J. H. Frandson who personally interviewed hundreds of people eager to learn the better ways for practical application.

The chemical analysis of grains and flours was shown and explained by G. W. Ocker, assistant agricultural chemist. This part of the exhibit also contained samples showing the typical soils of the state and their values and possibilities were explained to many people.

The Domestic Economics department in charge of Mrs. J. L. K. Haner, made a large display of its work. The arrangement showed the subjects embodied in its graded four years course offered to women students. The garments and articles displaying various handiwork skill were much more appreciated when it was explained that their educational value, in eye and hand and mind training, as their first importance and that the primary aim was to develop the powers of the young woman for the duties of the home, and to fit her for the high calling in that position and give her ability to better fill the place allotted to woman. Notice was also given that attention was shown to those wishing to prepare themselves for teaching the subject. Many points were carefully explained and hundreds of questions answered. In honor of its excellent work as a subject for higher education the department of Domestic Economics was awarded a trophy as first premium by way of a beautiful engraved silver cup.

Interest general and particular, which was aroused in each department was very gratifying, proving that the exhibit was on the whole a well worth while and an acknowledged success.

Carrie Horton, ’13, who was taken to the hospital Friday, it much improved.

Beryl Johnson, ’11, will depart for her home at Custer, D. A. T. December. She expects to be absent from college about a week.

On Sunday evening, October 31, will occur the monthly sacred concert at the Presbyterian church, to which all are welcome.

HIGH SCHOOL NOTES

Geneseo.

By Don Hult.
The O.H.S. boys are busy at work for the coming basket ball season.

Girls have not commenced to practice basket ball as yet, but the boys are slow in getting a suitable building.

The Freshmen were given a reception by the seniors, juniors and seniors. Unique stunts were indulged in. Freshmen took oath to reverse the Sophomores as their superiors.

How about 10 per cent off on grades for those who attend the large wedding dance Tuesday.

Hearing that Miss Herman our English teacher was to be absent for two days last week we dreamed of lighter work but it came double handed.

The freshmen enrolled sixteen fairly good looking children who wear their bibs and sit straight in their high chairs as all good children ought.

The illustrated university bulletin received last week greatly increased the desire of high school students to enter the university.

The Fullharmonic Club is receiving new members and will soon give a series of informal musical evenings at the homes of well known Moscow citizens, to be continued during the year. Those wishing to become members should enroll early.

Adopts Classified Honor System

In order to promote scholarship, the faculty of the University of Idaho on Nov. 15, 1908 adopted a classified honor system. Honor lists are published annually for each class. The award of these honors, is based on the work of the preceding year, except for final honors, in which is included the work of the entire course. In addition to the required grade of work, the award of highest honors is conferred only upon candidates who have performed the work of the junior and senior years in residence at the University of Idaho and have shown a capacity for intensive work.

-HIGHEST HONORS-

Charles William Coller, B.S.
Mary Walker Gill, B.A.

Emily Ruth Bunting, B.A.

-HIGH HONORS-

Hess Bowles, B.A.

Toney Taylor Crooks, B.A.

James Leslie Hicken, B.S. (Mag. E.)

George Harrison Manahan, B.S.

Honors are conferred only upon candidates who have performed the work of the junior and senior years in residence at the University of Idaho and have shown a capacity for intensive work.
