Sixth Annual Military Ball a Great Success.

Friday evening, February 11, in the College Armory was held one of the greatest dances ever given by the University Battalions of Cadets. The decorations were especially artistic. A large flag was suspended from the center of the Armory from which streamers of red, white and blue paper were tastefully draped to the balcony. The corners of the hall were screened off with evergreens behind which were the most inviting cozy corners. The lighting of the lights and the Japanese lanterns added to the beauty of the effect. This was indeed the best attended party ever given in the Armory. The cadets are to be congratulated on making the evening highly enjoyable and one long to be remembered by those fortunate enough to be present.

The patrons of the ball were, Mrs. A. W. Smith, Miss Fennel. French, Mrs. E. D. Knaus, Mrs. J. H. Campbell, Mrs. J. H. Forney, and Mrs. Warren Trust.

The Cadet Battalion wish to express their gratitude to the Boston Store which furnished the cookies for the ball and refused to take any pay for the use of them.

THE DOLL'S HOUSE

Cast Dressed.

The cast for the Doll's House, which will be produced in about two weeks, has been chosen and is as follows:

Nora Helmer, Elida Larson, '10.
Dr. Rank, Floyd Quinby, '12.
Anna (sister), Florence Sprague, '10.
The Helmers' Children, Ivar, Bayard Hodgson, Bayuga, Susan Smith, and Bob, Tom Owens.
Mrs. Axtell Adresses Y.W.C.A.

The Y.W.C.A. was greatly favored last Thursday by a most inspiring talk by Mrs. Axtell on "What the Young Woman's Christian Association Can Mean." The large number of girls listened with interest to her anecdotes of personal experiences in the association at the University of Chicago and of other leading institutions. Girls! You who did not come missed a treat.

A. B. U. I to Have New Constitution.

Last Wednesday a meeting of the A. B. U. I. Executive Board was held. The usual number of bills was sent to the different departments. Then the Committee adopted a plan suggested by Professor Scoular of allowing bills only on the presentation of a voucher stating from what department the bill or bills are presented and how much the amount and signed by the chairman of the department committee certifying that the bill has been approved by the department. Heretofore the only safe way the committee has had of granting money was by reviewing the department to new bills or receipts for the amount asked for. This worked a hardship on some of the managers, who sometimes had to borrow money to pay the bills. Moreover, under this method the committee had no effective way of recording the expenditures. Under the new method the vouchers will be kept on record by the Treasurer of the Executive Board. But the most important action taken by the Board was the appointment of committees for the revision of the constitution. At a recent A.B.U.I. meeting the students delegated to the Executive Board the duty of framing a new constitution. The Board had already begun work along this line. But now they have begun in earnest to expect to have a new constitution to submit to the student body in a short time. The Board, divided by the President into committees of one, each to work up the way in which some special department is governed at different universities. These committees will be expected to have reports ready by the first of next month, when a long session of the committee will be held to draw up the document.

Several Important Changes in Baseball Code.

"Bill" O' Longbush, one of Man Johnson's umpires in the American Baseball League, gave a clear statement of the new rules which will be in effect next season.

He summarizes as follows:

"The catcher's box has been changed so that the catcher cannot approach nearer to first base than fifteen feet. The deadline is drawn at an imaginary line directed through first and second base.

"Formerly, when a player, out of position, batted a ball, this was called a foul; henceforth it will be known as an illegally batted ball.

"A batter cannot change his position at the plate if the pitcher is already in position.

"The batter is entitled to a base if a batted ball hits the umpire on fair ground.

"If a ball passes the catcher or infielder and touches the umpire on foul ground, runner is entitled to all he can get. There will no longer be any 'dead balls.'

"Runner is allowed three bases if a player on the defense throws a glove or a mask at a batted ball, and succeed in hitting it or impeding its progress.

"Umpire may call a man out on account of rain when in his own judgment further play is impossible. He needn't wait for spectators to leave the open stands.

"If the umpire be hit by fair ball before ball goes to fielder a man on third cannot score unless forced.

"Substitute players on the bench cannot yell or coach from their position. They will first be warned by the umpire, and if this does not stop them the umpire has power to order all such players to the clubhouse, and if captain should need any of them he shall ring them out as desired.

Every player gets an assist who assists in play, even though he is credited with a perfect. Thus a player can get a perfect and assist on the same play.

"In overrunning first base butter may turn toward second if he makes no effort to reach that bag." - Student's Herald, Kansas Ag. College.

Ross Rowell ex '08 is a guest at the Phi Delta Theta house this week. Mr. Rowell is an Idaho student who has graduated from the Marine Academy at Annapolis and is now on the U. S. B. Chalricton.

IDAHO WINS

Varsity Five Victories Over U. of I.

In a brilliant game of basket ball the varisty five last night defeated the team from the University of Washington by a score of 26-15. Idaho jumped into the lead right at the start and were never headed, the first half ending 20-11.

Landstrum at guard played a beautiful game securing four baskets from this position. Tate also played his usual scratchy game. McWilliams was the most consistently brilliant man on the floor, his guarding being clean and perfect although effective at all times. He also worked the floor beautifully and got several baskets from the field. Montgomery got away for some pretty dribbles but the slippery condition of the floor gave him some trouble.

Idaho meets O. A. C. in two games here on next Saturday and Monday nights. Come out and help the team win the northwestern championship.

The lineup of last night's game follows:

Idaho U. of W.

Montgomery St. John center

Landstrum—Edmondson Rabel Guard

McWilliams Guard Hinshaw

Tate Crescenda Forward

Pierce—Changnon Sugg Forward

Referees, Hee Edmundson, Timnooker, Fields.

Score, Idaho 26—Wash 15.

BORAH FUND RECEIVED

Letter from Senator Borah.

Dear Professor Helms:

I wish you would convey to each one of the debaters my regards and assure them that I have not only a keen personal interest in their work but in their future success. I trust this matter is working out to the satisfaction of the University and is being of some substantial benefit to the institution. I enclose you a check covering the price for this year.

With very best wishes for you and for the University, I am,

Very respectfully,

Wm. K. BORAH.

Everybody goes to the O. A. C. basket ball games Saturday and Monday.

Baylor Price Debate Society Gives First Program

Last Friday the Baylor Price Debate Society gave its initial program consisting of a debate on a subject closely connected with the Triangular. Adams, Stillinger and O'Donnell upheld the affirmative of the proposition that "Federal chartering of interstate corporations would work injustice to other states." Clemens Hopper and Boyesen upheld the negative. On the whole the debate was very good. The chief fault to be found with it is that the debate was for the most part on the Triangular question rather than the question assigned. This was due to the fact that all of the men took part in the Triangular try-outs. The judges of the debate were Redeker, Degue, Bullington, Harris and Price. The decision was 4 to 1 for the negative.

After the debate first critic Tweedy announced the program for the next meeting which will occur February 29. The question will be "Resolved, That the State of Idaho should enact laws providing for employers' liability for all industrial accidents to their employees."

The speakers will be: affirmative, W. A. Brown, H. Bond and O. Price; negative, H. D. Hart, J. E. Brooks and A. P. Becknor.

Phi Delta Theta entertained at a dinner party Saturday evening complimentary to the Lewiston visitors. Among the guests were: Bonnie West, Margaretta Means, Louise Graham, Zella Norris, Edith McLean, Katherine Jennings, Josephine Campbell, Georgia Carter, ex '12, Butte Palmer, ex '12, Virginia Shaw, Catherine Farr, Gay Shattuck, John Phillips, Guy Schuttler, Cecilia Kite, Henry Gates, all of Lewiston, Coral Holt of Pullman, and Carrie Robertson of Coeur d'Alene.

Dean Eldredge has the latest lists for last semester just about filled out and ready for publication. They will probably be published this year in pamphlet form.

J. L. Bailey, '11, announces the arrival of a new Lewis Jones on January 27.

Miss Ada Sharkey, who has been attending the University of Southern California in Los Angeles, has registered in the Freshman class of the University of
