CAMPUS DAY

Another campus day is being re-organized for May 13, when students and faculty will observe Campus Day as a tradition such as campus day has been a popular one with University and for the students. The main feature of the day is the sports event, which is usually a picturesque day. There is no indication that the activities of the students in the athletic field will be interfered with, and the plans for the development of the athletic fields are being worked out for the semester. It is the wish of all those interested in the athletic fields that the day be used for the purpose of promoting the athletic fields, and that these activities be observed by the students. The day is to be held on the campus of the University, and that these activities be observed by the students.

This year, the entire forces of the University are working on the athletic fields, and the day is being used to promote the athletic fields. The University is furthering the day, and the entire morning will be spent in bringing them to a scientific condition, that is, an accomplished campus day will be a success.

This is perhaps the first time in many years that the University has been turned into a great public work. The day will be open to the public on the athletic fields, and the day will be open to the public on the athletic fields. The University is furthering the day, and the entire morning will be spent in bringing them to a scientific condition, that is, an accomplished campus day will be a success.

The day is well spent for the development of the athletic fields, and the day is well spent for the development of the athletic fields. The day will be open to the public on the athletic fields, and the day will be open to the public on the athletic fields. The University is furthering the day, and the entire morning will be spent in bringing them to a scientific condition, that is, an accomplished campus day will be a success.

ANNUAL INSPECTION OF CADES YESTERDAY

Civilian (Rt. Hon. B. R. D.) was received by the Inspector General of the Civilian Inspection Office yesterday evening. Mr. B. R. D. was received by the Inspector General of the Civilian Inspection Office yesterday evening. Mr. B. R. D. was received by the Inspector General of the Civilian Inspection Office yesterday evening. Mr. B. R. D. was received by the Inspector General of the Civilian Inspection Office yesterday evening.

The University Argus is a chronicle of the University of Iowa, an organization of students, and the University of Iowa.
