Soccer is a student sport and will be
support the state intercollegiate hand-
ball tournament. The tournament is a
great advertising feature and a good
basketball game could easily be atten-
ted by many high school students in
the area. It is important that the
numeral by a college name should be
readable on the court. The state Inter-
collegiate tournaments could also be
attended by many junior high school
students. It is hoped that the next
year's tournament will be held in the
same location. The Intercollegiate
