Forty Men on a Team Allowed
By Original Basketball Rules

Basketball has developed faster than any other sport in America. In the last 15
years it has been the growth of a sport. It has been
suspended from the shelves since the winter of 1891.

Basketball was invented by James Naismith,
founder of the University of Kansas.

President issues Circular. Stating Living Expenses if Student is Careful

Dear students,

I hope you are enjoying your spring break. Some of you have used the opportunity to escape the rigor of the academic year, while others have chosen to stay and continue their studies.

As the semester draws to a close, I want to remind you of the importance of financial responsibility. As students, we are often faced with unexpected expenses, such as medical emergencies or unexpected travel expenses. It is important to plan ahead and budget accordingly.

I have heard from a number of students who have expressed concern about their living expenses. Some have reported spending more than they anticipated, while others have found ways to reduce their costs.

I encourage you to consider the following tips to help you manage your finances:

1. Create a budget: Track your expenses and identify areas where you can cut back.
2. Save for unexpected expenses: Set aside a portion of your income each month for emergencies.
3. Use public transportation: This can save you money on gas and parking fees.
4. Cook at home: Eating out can be expensive. Try cooking at home to save money.
5. Use online resources: There are many websites that offer free or low-cost resources for students.

Remember, financial responsibility is an important skill to develop. It will serve you well in the future.

Sincerely,

[Your Name]

The Argonaut Advertisements

This Argonaut, as the other paper, college or otherwise, contains some advertisements. Many freshmen, perhaps, do not know that the college administration does not receive any income from the advertisements. This is the fact that most people are not aware that this paper is self-supporting. The Argonaut is a business, and, like any other business, it has to make money to stay in business.

The advertisements are important, not only for the income to the college, but also because they are an advertisement of the college itself.
