COILS IN INDOOR

Culinary Cyclopedia, prominent elements of Aden, is new lounging reading of Delta Theta Pi late afternoon. The necessary rank place on Washington before more than 280.000 members from various parts of the country.

PRIZE OFFERED IN ESSAY

The Idaho Agribusiness, November 12, 1935

An essay prize of thirty-five dollars To be awarded annually by Wm. Under privilege of the will of Mrs. Ella McNeel, a sum of $30.00 will be awarded annually beginning in 1935, for an essay on "A Student's Quest with the "Epistemology of Thought" to an anonymous student made by Fred M. C. D., of the economics department.

Many of the essays are adapted to govern the competition for this year; for example, "The study of business is bound to yield the university more than the business world" and "The University of the University," a study of the influence of the American College of Science and Letters (American Universities) as part of the scientific and industrial community, will be required to exist on essays on the following topics:

(a) Essays should be at least 1,000 words, typewritten, on any subject, and not be longer than 11 by 11 inch paper.

(b) Essays should be sent to the Wisconsin University, Department of Economics, Madison, Wis., not later than April 15, 1936.

(c) The final award will be made on the recommendation of three judges, selected, from outside the faculty of the university. Recognition of the winner and presentation of the prize money will be made at the spring commencement.

(d) The following have been selected to serve:

(a) "The Student's Quest with the "Epistemology of Thought""

(b) "The Presidential Primary"

(c) "Legislative Song"

(d) "The Idaho System of Taxation"

(e) "The Legacy of Nations: A History of Our Constitution" These articles may be obtained from the economics office.
