NEW CONSTITUTION TO GO INTO EFFECT FOLLOWING ELECTION

Four Positions To Be Filled On Student Council At Thursday Balloting

The referendum constituted, as the student council said on Wednesday, the voice of the students of UI on the referendum. An election will be held Thursday to fill the four additional seats on the executive board, which will take the place of the present board members. Two junior men, two junior women, one senior man, and one senior woman will make up the new council.

Election will be held at 7:30 p.m. at the Student Union.

VANDALS ABROAD

Perched on a mountain in the Italian Alps, the University of Idaho mascot, the Black-Handed Vandal, is making a good business with a great many customers. The Vandals are a ready-made lure for the sporting world, including many wine growers who have been known to offer a substantial incentive for the safe return of the mascot. According to reliable sources, the Vandals have been observed in various parts of the world, including the United States, Europe, and Japan. Their presence is often accompanied by an unusual degree of hospitality and good humor, which has endeared them to many foreign visitors. The Vandals are known for their traditional black and gold uniforms, and their fans are known for their enthusiasm and loyalty. In addition to their sporting prowess, the Vandals have also made a name for themselves in the field of education, having produced many outstanding students and alumni who have gone on to achieve great success in various fields. For those interested in learning more about the Vandals, their official website can be found at www.uidaho.edu.

If you smoke a pipe (if you don’t you ought to) it may be worth your while to read this

You know tobacco is a vegetable; it grows out of the ground, and when it’s green, it is too harsh and strong to smoke. The very best way to remove that harshness is to allow it to age through ageing in wood. To age Velvet Tobacco in wood is expensive but it is also a very profitable and, it takes you a month, and that means you have to wait, and that means you have to wait, and that means it’s to 1 you’ll like Velvet Tobacco—aged in wood.
