The Rambling Spotlight

By Bill

The presidential signature was signed plain...night Monday night by the new administration. The $20,000,000,000 plus is the New Deal's latest experiment in political change planning. This latest experiment replaces the judicially institutionalized republic with a political change planning. The new $20,000,000,000 plus plan, it will satisfy the closest constituents according to the wishes of the new administration.

SMARTEN YOUR... footwork for Spring by Johansen

Look to your shoes, that is where the beauty of your new Spring costume begins... WHY? Simply because skin and foot appeal almost immediately to dress material! Form, color, pattern, cut, all affect the appearance, naturally, more quickly than the eye. And so, Johansen has created a new series of beautiful shoes, that are completely redesigned to calmly complement the new spring wear, spas, slacks and day and evening wear... Johansen shoes are beautifully balanced, molded-on lines which are marks of true quality and master craftsmanship in shoemaking.
