Vandal Nine to Face Whitman
Here Wednesday, Thursday

Both games start 3:30 P. M.

Coach Dick Feke's Vandal
foragers are working diligently
to develop a number of genuine
and surprising threats for the
Whitman boys last week in Walla
Walla. Feke announced that much
preparation for the Irrland tour will
be made during the week ahead.

Both squads will use the four
days to good advantage. The
Mills and Bennett-three
march guns-Walla Walla basketball
team returned Saturday night
under the guidance of the Vandal
man, Messers Feke and Tuttle.

Several points have been
decided to be made early in the
season. The Mills and Bennett are
splendidly built, physically fit and
rapidly gaining experience and
knowledge of their game.

"Both a Threat"

Walla Walla, camping center
of Idaho, definitely bounded
today by the threat of future Idaho
rivals. The Mills and Bennett are
identical in their desire to
challenge the Vandals for
first place and will be doing
nothing to prevent this. The
future Walla Walla basketball
team will be ready to play again
this season. The Mills and Bennett
are certainly ready to meet the
Vandals. Both squads turned
out the same time this week.

The Vandals will meet the
Mills and Bennett Wednesday
and Thursday. Each of the
anchors of the Vandals has
been named by Feke as
honor guards for the team. The
Mills and Bennett will return
the favor.

Baseball...it's America's
outstanding gift to the
world of sport

Senators, representatives, states-
men, judges, doctors, lawyers, busi-
iness men and Jimmy the office boy...
they're all out for the opening game.

Thrills never to be forgotten
perhaps a home run...or an
electricity no-hit game...perhaps some
callow recruit, unheard of in the
big time, smashing his way into the
hearts of the fans.

Baseball brings pleasure to the
millions who watch it, and
rewards the stars who play it.

Such popularity must be deserved...

At every game and wherever you go
you will find people enjoying Chesterfields.

Why... because Chesterfields are outstanding
for the pleasure they give...outstanding for
mildness...outstanding for better taste.

More and more smokers, men and women
both, enjoy Chesterfield's pleasing taste and
aroma...such popularity must be deserved.
