Puré... and finer texture than most anything that touches your lips...

We all agree on this... cigarette paper is important. For Chesterfield we use the best paper that we can. We use it for a reason and a reason not to be wrong. We use it because it gives us that feeling of purity that we all are looking for in a cigarette. Chesterfield paper is pure, and it burns without taste or odor. Chesterfield... They're Milder and They Can Satisfy.
