Silly Storm Stoops To Play Even As You Ad
Even a major storm in a place does not mean the re-establishment of gains. The best illustration of this is the recent basketball game between the Idaho and the Montana teams. The weather was so bad that the game was postponed. However, the Idaho team decided to continue playing, and the game was won by the Idaho team.

Ruby Keeler says:
"Luckies are a light smoke that treat a tender throat right."

"In a way, it’s easier to keep in condition as a dancer than as a singer. Exercise can keep the muscles in shape, but there’s a lot of things that can go wrong with the voice and throat. It stands to reason, then, that any actress must give particular care to her throat. You must never forget to be gentle and stick to the right note with her throat. I started smoking Luckies 4 years ago. They’re a cigarette that treat a tender throat right."
