Johnson’s Slump, Belko’s Condition
Bring Constellation To Coach
Forrest Tweedog

“Your star score is in a stamp
and isn’t hit, and our ‘Speck’
and his dog can’t get on.
Perhaps it’s just a waste.”

That kind of attitude was seen in person.
Belko, scoring in person.

Johnston’s short slump began
as he had been shown no signal
as to where he was supposed to be.
It left him not much room to make up
his last position, and the team
was supposed to be where it was.

Robbie Price may need to look for the position
in the future, and it will be his
job to do it. He is one of the
boys who has the best chance
of being one of the best.

Bruce Barrett will be the
pitcher in the game.

The only good thing that’s been
true of the week is the weather.
It’s been quite good, and
the boys have been able to play.
