Next Wednesday

First National Convention since 1932; Dinners Dances Planned

Just one week from tomorrow, the first national convention since 1932 will be held in this city. The convention will be held at the Hotel La Crosse.

**Student Government**

The student government has been working hard to plan the convention. They have promised a week of fun and excitement for all who attend.

**Decline of Campus Water Necessitates Lowering of Pump**

That the supply of campus drinking water is on the wane is evident. The water supply has been reduced to a low level, and the campus has been forced to use water from the river to supply the needs of the community.

The pump, which was built in 1891, has been running at full capacity for many years. However, with the decrease in water level, it has been necessary to lower the pump in order to get water to the top of the hill.

**Tonic for Tired Students**

"I have a tonic for tired students," said Mr. Smith. "It is a mixture of tonic and water, which is sure to perk them up." He has been using this potion on his students for many years.

The campus is in a very bad way, with many students feeling tired and unable to continue with their studies.

**The junior assembly will meet on the campus on Wednesday, April 21, at 8:00 p.m. The program will include a variety of events, including a dance and a show."
As I See It

by Seidel

Spring is a small time of the year. People laugh, sing, play and expect spring to come in the spring. Girls and fellows walk along the streets, looking forward to the new season. There is much to anticipate and enjoy. We offer up thanks that we are alive, and we are happy.

April 19, 1916 - 24 years ago, the first official spring in Idaho was celebrated. The citizens of Boise gathered on the square to sing and dance to the strains of the band. The air was fragrant with the promise of new life and hope.

The spring of 1916, the citizens of Lodi were coming to terms with the harsh realities of war. The number of people who volunteered for service was significant. The city was bustling with activity and there was a sense of purpose and determination.

The strike dragged on. Sitlocks were set at a halt by a small group of men who refused to work. By the end of April 19, 1916, the strike was called off, and the men returned to work. The news was met with a sense of relief and gratitude from the community.

The Denver Express printed the following: "Mother's Day will be celebrated as an official holiday. The festivities will be held in the large hall on Main Street." There will be music, food, and a variety of activities to mark the occasion.

Ultimately Rochester figured he would not accept the union's proposal. He returned to work the next day.

The song of life and hope is continuously renewed. - Lodi, 1914 . . . America, 1938. Shall we listen from them?

Dates 'n' Doo Dads

All formal students in popular social clubs and fraternities like to look their best when they go out on the town. The following are the top tips for dressing the part:

1. Wear a suit that fits well.
2. Match the shirt and tie to the suit color.
3. Keep the hair and facial hairTrimmed.
4. Choose a color scheme that complements your skin tone.
5. Accessorize with a tie or a pocket square.

Letters To The Editor

The Editor:

I notice your letter to the left and right of the page. You have attacked my articles in the following leading points:

1. "As a result of the activities that I have written, and as closely as I can account, there are no basis for this point, I may have made in my series of columns, I have been speaking of communism, fascism, etc., but I think it is significant that I have studied the articles. I will see that if I have attacked your articles, I will be sure to support the difference between the two points in question.
2. "That you know what kind of handwriting they use and the papers.
3. If you will correct that specific column, (February 11, 1938), I will be happy to make a correction.

The Executive Board, mental illness sufferers, will meet for further notices after the weekend. The Young Democratic club will hold their meeting in the Student Union auditorium on April 24th at 7 p.m. All those who plan to make the speech to the Idaho State Republican are to be present.

A special business meeting for the Student Union will be held at 12:30 p.m. in the Student Union. Spring Basketball Practice Starts Tonight
Second Practice Series To Start May 9; Practice Game Will End Basketball Series

The Art Of Fencing
BY ANTHONY A. SCAPA

The Idaho Nine will get their first chance to see the Vandalies in action when they face a professional team here Friday night at 8:30. The game, to be played at McFarland Field, will be the opening game of the nine nights of basketball that will be held in the Pavilion. The Idaho Nine will be under the direction of Coach W. A. Blackman, who will be assisted by Coach W. A. Blackman, who will be assisted by Coach W. A. Blackman, who will be assisted by Coach W. A. Blackman, who will be assisted by Coach W. A. Blackman.

Why it is important for the coach to have his team ready for this game is that the Idaho Nine will play against the Puget Sound team, which is considered one of the best collegiate teams in the country. The Idaho Nine will be playing against a team that has won several national championships, and the Idaho Nine will be hoping to prove themselves against them.

Vandals Trackmen Face Whitman In Meet Saturday

Last Saturday's annual track meet, which was to be held on the track of the Whitman High School, was unfortunately postponed because of high winds and rain conditions. The meet was rescheduled for Friday night, and the Whitman High School track is expected to be in good shape for the meet.

The meet will feature a full slate of events, with both boys and girls teams competing. The meet will start at 7:00 PM, and will include events such as sprints, hurdles, and relay races. The meet will be a great opportunity for the Whitman High School track team to show off their talents and compete against other schools.
