Over President's Request Must Run Lengthy Question Survey To Become Operative

New engineering building committee will meet Monday night at the English library to consider the feasibility and need of such a building. The committee will be made up of students and faculty members who will have been selected by the student body.

Voters will be asked to approve a bond issue of $2 million for the construction of a new engineering building.

The bond issue will be voted on by the student body on Thursday, November 10.

Idaho Lightweight

MILK-BONES, a dogie said to be in the Washington Park stables, is the only member of the Idaho lightweight team. Its services in the wrestling at today’s Student Union meet will be slight, but will provide a needed extra punch in the Vandal offensive.

Nickel-Streight, another Idaho lightweight wrestler, was lured in the Vandals stable, but his services to the team will be slight, as the wrestlers in this class of weight are trained for track and will not be able to display their full weight advantage.

Ag Club Will Give Show at Baw's

Paul Eavis Furnishes Music
For Dance October 21

The Ag Club have announced the following arrangements for the fall 39th annual show dance to be held at the Baw Club at 8 p.m.

The event is open to the public and will be held at the Baw Club at 8 p.m.

The program will feature a variety of musical numbers, including songs, dances, and instrumental performances.

Ox Road—Optics

Don Keryy journeys to Lewiston, Idaho, for the weekly meeting of the Lewiston-Clarkston Lions Club.

The meeting is held at the Lewiston City Hall, where the club members discuss various topics related to their community and the surrounding area.

Chicag0 Speaks To Ag Students

Meeting the importance of rural-urban relations, the University of Idaho's Department of Rural Sociology and the Idaho Rural-urban Relations Study Committee will sponsor an all-day conference on rural-urban relations.

The conference will feature speakers from various fields, including sociology, economics, and community development.

Campus Answers War

The University of Idaho, through its Alumni Association and the Idaho News, has established a weekly news and information service for students and alumni.

The service is designed to keep students and alumni informed about current events and developments on campus.

ARROW SHOES SOLD BY

CREIGHTONS

This is Your National Arrow Week

For every 1000 inches of workman's shoe purchased by you this week, the company will contribute a shoe to the children of Russia to help them in their struggle for freedom. Call your neighborhood store and learn the details.

SOFT WATER

Only with soft water can beef be boneless soft and white.

Only with soft water will your lettuce retain its crispness.

Hard water makes beef less tender and garlic less flavorful.

At your local water, soft water is sold by a licensed water seller under the seal of approval from the Idaho State Water Control Board.

Send your water samples to the laboratories of the Idaho State Water Control Board. It will be necessary to provide a few cubic feet of water for the test.

Babes Dump Broncos; Drill For Normates

The Vandal babes opened their season with a 14-7 triumph over the Boise Junior College Broncos on Boise Saturday. Although the freshmen handled the Broncos all over the field, they could score only in the first and third periods. Finally came the opening quarter when Tuckie Talbot, blanked a yard off the half and scored the only point of the contest.

Honorary Holds Bridge Tournament

Cardinal Ken, automobiles, and money were cashed in last week as a result of the annual Bridge Tournament, held in the friends' room in the high school building. The tournament was held in honor of Mr. Ken, who is a member of the bridge club. The tournament was a big success, and the money raised will be used to help the club.

Bride of '38

Great news - The Groups

The students of the class of 1938 have been preparing for their upcoming wedding. The bride and groom are both members of the class and are excited to share their special day with friends and family. The wedding ceremony will take place in the main hall of the school, and there will be a reception afterwards in the gym.

II «Duchess»

Groom Bows - The Groups

The groom bowed to the group, acknowledging their support and love throughout his preparation for the big day. The group rallied around him, offering words of encouragement and wishes for a successful future. The groom is grateful for their presence and support.

BRIDE TO BE

The bride and groom were all smiles as they prepared for their big day. The groom, dressed in his finest suit, was seen smiling and looking happy. The bride, wearing her beautiful gown, was all smiles as she made her way to the altar.

Guild Members Hold Banquet

The guild members gathered for a special banquet to celebrate their achievements. The banquet was held in the school's main hall, and the attendees included members of the guild, faculty, and distinguished guests. The evening was filled with speeches, music, and a delicious meal.

Home Ec Club Entertains

The Home Ec Club hosted their annual talent show, featuring a variety of performers. The show included a range of talents, from musical performances to spoken word acts. The audience was enthralled by the variety and quality of the performances.

Marshall Talks Before KDP

Dr. C. W. Marsh, a noted author and speaker, visited the school to speak to the KDP club. His talk was well-received, with students and faculty alike engaged by his insights and perspectives.

W.A.S. To Give Tea for Dean

The Women's Auxiliary Society (W.A.S.) organized a tea for the school's principal, Dean. The event was held in the school's main hall, and it was a grand occasion, complete with delicious food and refreshments.
