W. S. C. and We Grow Up

An aimless one to stop vandalism (spelled with a "c") on our campus is the "W. S. C. Idaho football week" was that meeting yesterday in the Bucke- rey's representatives of students from both institutions. This essay-writing, sign painting, barbecuing, and community games were held at the two institutions' fields. The aimless one to stop vandalism is set to be continued for the remainder of the school year.

Fair Weather Supporters

A baseball game played at Vandalia Field yesterday, and the game got off the tracks in Moscow Idaho. It was a cheerful game with the coming of a bit of rain in the third inning. The game was played on Oregon Way with the boys' teams playing in the rain.

There's no rhyme nor reason in wandering around looking at overcosts here and there. There are overcosts in a world of overcosts and a world of style here in one grand showing. There isn't a cost DAVIDS' haven't provided. "Bulk Coats" "Dress Coats", "Swagworth Coats", "Campus Coats", "Turnabout", all of them a little smarter! a lot better... and they cost no more. They start at only $19.75.
Vandals Shake Off Defeat by Oregon with Drills for Cougars

Bankmen Drop 19-6 Tussle To Classy Webfoot Team; Idaho Scores First; Duck Runs Lengthy

**By Norm Lockh**

After gaining a 6 to 0 lead in the second quarter, University of Idaho's Vandals faltered in the second half to drop their second consecutive game of the season 19-6 to the University of Oregon Ducks at the University of Idaho's Tillotson Stadium today.

In the first period, the Vandals created the first touch down of the game when their Rose Bowl-bound quarterback, Jerry Atten, completed a pass to running back Ed Ridge, who ran 8 yards for a touchdown on the second play from scrimmage. Duck quarterback, Johnny Toll, was unable to move the ball against the Vandals' defense, and the first period ended with the score of 6-0.

In the second period, the Ducks took control of the game with a touchdown on the first play from scrimmage. The Ducks' quarterback, John Norton, passed to wide receiver John Lamb to set up a touchdown run by running back Bob Smith. The Ducks' defense continued to dominate, holding the Vandals to no points in the second period.

In the third period, the Ducks increased their lead with a touchdown on the second play from scrimmage. The Ducks' quarterback, John Norton, passed to wide receiver John Lamb to set up a touchdown run by running back Bob Smith. The Ducks' defense continued to dominate, holding the Vandals to no points in the third period.

In the fourth period, the Ducks continued to assert their dominance, scoring two more touchdowns to increase their lead to 19-6. The Vandals were unable to overcome the Ducks' defense, and the game ended with the final score of 19-6.

Despite the loss, the Vandals showed promise and will undoubtedly learn from this defeat. Their next game will be against a tough opponent, and they will need to improve their defense and offense to compete. The Vandals' coaches and players will undoubtedly work hard to make the necessary improvements to their team. The Vandals will need to focus on their fundamentals and execute their plays better to have a chance against their upcoming opponents. The Vandals' next game will be a significant test for their team, and they will need to step up to the challenge.
