Modernism Marks NextASU Drama Production

Toller, Drama Institute, Designs Scenery for "Thieves in the Night"

All three acts of "Idiot's Delight," popular E. M. Forster play, are included in the university's spring season of drama productions. Adolph Oster, director, has completed effective scenery, representative of the various periods and localities specified in the play. The idea of the characters of the play is expressed in the staging of the scenes and the color and background of the play. The idea of the characters is conveyed through the setting of the scenes and the color and background of the play. Beavers Take Measure of Vandals
In Final Games of Hoop Season

By Fred Kenda

Although Steve Belko and Lyde Smith, Beavers senior co-captains, did not have the thrill of scoring performances, the Vandals were named out in a "basketball brawl" Wednesday, 13-12, by the Beavers, who collected two fast breaks from Ron Ras and "Whitey" Polka, which led to a 6-0 run in the final minutes.

While played without officials, the ball in Idaho-Eagle finals was not even tied for the third game, and fans throw two hoops and score 18 points.

Southward To Go Three Idaho Women on 'Good Will' Trip

Leaders Will Take U. to State

Three Idaho high school girls will leave Mon. afternoon for Argentina and the 1959 Pan-American games, to which Idaho is an official delegate. Mrs. Mildred E. Neal, state supervisor of home economics, will head the Idaho delegation to the Pan American games, which are to be held in Buenos Aires during April and May. Mrs. Neal, who is retiring from her position as head of the home economics department at the university of Idaho, will leave with Mrs. Neal and Miss Alice A. Searle, home economics teacher at Idaho State University.

The Idaho delegation will consist of 12 members, including 10 girls from the various high schools in Idaho. The girls will be selected by their respective home economics teachers, and will be responsible for their own expenses. The delegation will leave by plane from Boise and will arrive in Buenos Aires on March 20. They will return home on May 2.

The girls will be housed in a four-story building in Buenos Aires, and will have the use of a swimming pool and other recreational facilities. They will be supervised by Mrs. Neal and Miss Searle, who will act as their chaperones.

The girls will participate in various events at the Pan American games, including track and field events, swimming, and other athletic activities. They will also have the opportunity to visit various cultural and historical sites in Argentina.

The Idaho delegation is sponsored by the Idaho State Board of Education, and is supported by the Idaho State University. The Idaho delegation is the only one from Idaho, and is expected to receive a warm welcome from the people of Argentina.

The Idaho delegation will return home on May 2, and will be greeted by a large group of Idahoans at the airport in Boise.
