Moderate--

Radio Prize--

Helen Berg, Geneva Stu, and Delbert Shocks, with Bob Shocks, all earned the coveted ones in the Gem County Electrician. Each will receive a $25 model Emerson desk radio as a prize for his efforts. These three young engineers are 1939 winners of the top Electrician Award in Gem County.

Shocks, the engineer-in-chief of the Three Rivers Power Company, sits in an ornate wooden chair in the office at the power house in Blackfoot. He is a man of medium height, with a stocky build and a broad smile. His hair is brown and combed back, and he has a fine, straight nose. Shocks has a reputation as a good engineer and a fair man to work for.

The three winners were chosen by a jury of five judges, who have been observers of the electrician trade for many years. They are: Mr. J. H. Stillwell, an electrical engineer; Mr. E. H. Johnson, an electrician; Mr. W. H. Brown, a mechanical engineer; Mr. R. L. Smith, a business manager; and Mr. L. C. Johnson, a practical electrician.

The judges were impressed by the thoroughness of the work done by the three young engineers, and they were pleased to see such fine candidates come forward to compete for the prizes. They recommended the winners to the management of the Three Rivers Power Company, who have agreed to give each of them a prize of $25 and to support them in their efforts to further their education.

Choir Will Feature Guiness'Cantata In Candle Service

While candle lighted with molten gold, a group of majestic men will fill the air with the sweet sounds of Christmas carols. The choir of the Three Rivers Power Company will present a Cantata titled "Guiness' Cantata In Candle Service" for the benefit of the Three Rivers Power Company.

The choirs will be conducted by Mr. E. H. Johnson, director of the choir, and will feature arrangements by Mr. J. H. Stillwell, an electrician. The Cantata will be performed in the Three Rivers Power Company's new auditorium, which is being built on the company's property.

The Cantata is a musical presentation that tells the story of the Christmas season, with music and words that convey the spirit of the holiday.

Hagadon Addresses Brain Trusters

Hagadon, who is a member of the Brain Trusters, was the keynote speaker at the annual meeting of the group, held at the Four Seasons Hotel. He spoke on the importance of education and the role of the brain in learning.

The meeting was attended by a large number of members of the Brain Trusters, who were enthusiastic about the subject of education. Hagadon's speech was well received, and the group voted to continue the meetings on a regular basis.

War Ship Acquires
Rader’s Book

Included in this week’s “Books for Boys” column is a book that has been highly recommended by educators and parents.

"The Jolly Days of Five Children" by Frances D. Banker was published in 1948 by the Viking Press. The book is a collection of stories about the adventures of five children who live in a small village.

The stories are told from the perspective of one of the children, who is always looking for adventure and excitement. The book is written in a simple, easy-to-read style that makes it accessible to children.

"The Jolly Days of Five Children" is a great choice for young readers who enjoy adventure stories. It is a classic that has been enjoyed by generations of children and is still a popular choice today.

Reporters Select Bell As Year's Top Man

Upon the shoulders of seven Argonaut reporters fell the nearly insurmountable task this week of selecting Bell tolerate, most outstanding athlete for the 1940 calendar year, and also an honor of debater and discussion. La Vern Bull, pupil football, track, and wrestling star, came up to the top honors.

Cheny In Fast Game

Riding the crest of the victory wave with three
straight wins, University of Idaho Vandal hopeters,
11 strong, left last night for Missoula where they
played Montana State University in a game tonight.

Idaho will find much lesser competition against
