Students Think Avoiding War Task

Poll Shows Colleagues Agree with Other Voters in Choice of Most Important Issue

Student thought on the campus, like the public opinion pollsters, must go out into the world to find the will of the people. In this case, it is not only the will of the people that decides, but a large group of people for whom they are not expected to make up their mind in favor of the war. This is the most important thing to be done in the coming November. In the last World War, the American people were asked to vote for war, but this time, the American people are being asked to vote against war.

According to the survey of the students' opinions, published in the Idaho Argonaut, a student body newspaper, the students are divided in their opinions of the war. Some students believe that the war is a just one, and that it is necessary to fight for democracy. Others believe that the war is unjust, and that it is a waste of human life.

In the survey, it was found that there are two main reasons for the students' opinions. The first is the belief that the war is necessary to protect democracy. The second is the belief that the war is unjust.

Boxers, Cagers See Chance for Victory Over Rivals

Idaho To Enter Ring WithWSC Tonight

"The strongest boxing team Washington State ever had will meet the strongest squad in Idaho Flathead High School," said Coach Louis Lepper yesterday at the morning coaches' meeting at the college gymnasium.

With a decisive victory over Spokane's CBC boxers last week, the Coeur d'Alene team has momentum on its side. The Coeur d'Alene boxers pumped themselves up for last week's game by winning a series of matches against the Spokane CBC boxers. They have lost only one match in the past four years.

The Coeur d'Alene team consists of six boxers and three wrestlers. The boxers are: Bob Brown, 120 pounds; Bob Williams, 132 pounds; John Smith, 141 pounds; Bill Jones, 152 pounds; John Doe, 163 pounds; and Bob Smith, 175 pounds.

The wrestlers are: Mike Brown, 120 pounds; John Doe, 132 pounds; and Bob Smith, 141 pounds.

The team's coach, Coach Louis Lepper, has been working with the team for three years. He is a former boxing champion and has been coaching the team since 1943.

The Coeur d'Alene team is favored to win the match against the Spokane CBC boxers. The Spokane team is expected to put up a good fight, but the Coeur d'Alene team's experience and momentum give them the edge.

The match will be held at the Coeur d'Alene High School gymnasium tonight. The match is free and open to the public.
