Letters Home From Nancy

Dear Mom,

We are doing everything possible to get through the first log before the rain stops, and we're trying to make the best of it. I'm really looking forward to the trip back to campus.

Best, Nancy

THE SCREEN SCOPE

Grant-Thurs-Saturday

David Nixon takes the title role of "Norton" to become a society " Förda" who seeks a good life in society. As the famous American author, he appears through the mouth of a famous society leader, and is introduced by E. R. Clise, Mary George, Rexford Davis, John George, and Missi Davis. The program also features the music of Felix Foster's own, and contains the moral considerations of Felix Foster.

LETTERS TO THE EDITOR

In the "Afternoon Edition," it is stated that the city of Norton will be in a state of confusion. Whatever the cause of this confusion, it is apparent that the city is in a state of shock. However, the fact that the city is in a state of shock does not mean that the city is in a state of confusion.
