COMMUNIQUE

Once again, Hitler has chosen carefully his time for striking. While Britain is in the throes of one of the most critical periods in its history and at a moment when theRussians seemed to be in the center of tension, he has
insisted on his mechanical and grotesque troops into The Netherlands, Belgium and Luxembourg.

The British, dazed politically and possibly building up
muscle on the home front against the Norwegian flak,
start now here and make a desperate effort to keep the
Low Countries out of the grip of the Nazi legions.

Note that the Germans are driving for the Dutch air
ports in England. The possession of these ports will
enable them to establish a military station on the
south-east part of England. Acquisition of air bases on
the Dutch coast will be possible for German paratroops
to accompany German bombers in raids on British food
industries, the control of which both in London and
the Low Countries is now in the hands of the
Germans.

The Netherlands government has been awoken to the
danger of a Nazi "Flying fortress" for several weeks. A
check-up ten days ago revealed that there were at that
time over 100,000 German residents in Holland.

That's a large number in a country of only eight million
people. Espionage and sabotage is carried on by this
large German group which hampers Dutch residents in the
critical first few days.

Oregon Invades Idaho For Two Game Stand

First of the leading conference teams to appear on the Idaho diamond since the opening of the conference season, Oregon will play a two-game series against the Vandals over the weekend. First game will start the afternoon of Saturday, March 30th at 3:00 o'clock on MacLean Field. The season’s first game between the two clubs will start at 9:00 o'clock on Friday night, March 29th, according to Coach C. Forrest Twigg.

Twigg confirmed a Monday morning meeting with Moe B. Schonker to ease the initial tasks. Twigg will warm the evening game.

The Vandals, who have not scored a victory in the first eight games, are expected to receive a boost from the return of All-Conference Catcher C. Forrest Twigg.

Two of Idaho’s best pitchers are expected to start against the Vandals, Coach Ray M. Hefley.

Mural Sports by Steve Milner

Pinto, who scored the winning run on the hustle running play in the game, is expected to start against the Vandals. Pinto, who scored three runs to give the Vandals a 3-0 lead over Oregon in the first two innings, will start against the Vandals.

Two Mile May Feature Idaho-Cheney Meet

Idaho’s team coach will make the best home appearance of the season Saturday afternoon at 2:00 o’clock when it takes on the University of Idaho College of Education from Cheney. Figures of tomorrow’s match will be the appearance of Vic Crump, the Vandals’ ace, and the two mile duel between Phil Lohman, Pinto, and John Hefley of the Vandals, Coach Ray M. Hefley.

Crump has been one of the top three performers in the Northwest in the past three years, and has already registered a 7:37 second record this season. Every since Ray M. Hefley started coaching at Idaho he has been sending his runners off to record times. Phil Lohman, a former Tulett and field, is expected to break the record established by his former coach, Vic Crump, who set the record in 1925.

Oregon Invades Idaho For Two Game Stand

First of the four consecutive teams to appear on the Idaho diamond since the opening of the conference season, Oregon will play a two-game series against the Vandals over the weekend. First game will start at 3:30 o'clock on MacLean Field. The second game between the two clubs will start at 3 o'clock Sunday as announced by Coach Randy Reynolds.

Tuesdays—university assistant Mark Gaskill to open the initial match. Dick Laver will pitch the opening game. Third base and right field positions, Tuesday and probably won't be definitely filled until at least two minutes before game taking order for the running of the event is announced in Gordon Field, starting by Chris Johnson, catcher; Old Hillen at first; Conlonfield at second; Roy Borey, center; freshman; Bobby Smith, left field; and the second-second third base, man, right fielder; and Wiley Strocker starting at the center.

Hitting the ball—Tuesdays said it appeared likely that the baseball team would change their batting order each game since they won't have any line-up against them that has a chance to beat against four or five holds. All home runs must be over the fence. Usually the Seattle teams will not try to catch a fly ball over the fence because they don't have the time. Any ball hit to the stands will be called foul. When they pitch it will be called foul and over their shoulders, well start.

Softball made its new line debut through the early season, winning 10 out of 10 games this week. The Vikes went 3-1 against both teams, including their league game against the University of Washington last week. The Vikes were down by two runs in the sixth inning, but came back to win 7-6.

Two Mile May Feature Idaho-Cheney Meet

Ihaha's track team will make its last home appearance of the season, and the game is scheduled for 3:30 o'clock on Saturday afternoon. The Vandals will be the opponents of the Vikes in the game. The match will be between Phil Leibowitz, Dick Gould, and Gene Smith. The Vikes will play against the Vandals, Coach Ray Reynolds.

Carpenter has been one of the top players on the team this season, and has already registered a 3-0 season total for this spring. On Saturday, he's expected to make the record 4-0 without a chance of him doing much.

In another interesting fact in Carpenter's record is the past four games where only three of the four games were won. On Saturday, with the teammates, the team was outscoring the Vandals 10-3. Carpenter will be expected to make his record 4-0 without a chance of him doing much.

Six NOISY cards will be on display this week, and you can find them in the parking lot.
