Executive Board Approves Additional Calendar Functions

University is Given $750 To Encourage 4-H Work

Continuing its policy of supporting hands-on club work in home electrification, the Washington Power company made possible the 1958-59 4-H program this fall for leaders and members. Formal acceptance of the money, accepted on behalf of the state 4-H organization, was made by Pres. J. E. Buchanan, of Seattle.

The fund will pay the expenses of educational crises. The fund will provide the means to assure that the 4-H program will continue to be a part of the education of the youth of this state. Such an education is necessary for the public welfare.

Additional Gifts

Other gifts to the program include those from the B.C. Pyle Foundation, the Seattle YMCA, the Snohomish County Foundation, the Washington Credit Union Association, and the Washington State Teachers Association. The money will be used to help defray the cost of the educational and recreational programs of the 4-H program.

Placement Endowment

Endowment Funds for ASU Jobs

A new and important endowment fund was authorized by the ASU board this month for the purpose of establishing a scholarship to be awarded annually to a student who will be attending and will be majoring in the field of animal sciences.

The fund will be used to provide financial assistance to students who have a demonstrated need for such aid. The scholarship will be awarded annually to a student who will be attending and will be majoring in the field of animal sciences.

Chairman W. H. Knutson, of Tacoma, explained that the fund would be used to provide financial assistance to students who have a demonstrated need for such aid. The scholarship will be awarded annually to a student who will be attending and will be majoring in the field of animal sciences.

ASU Play Relays on Type Variety Instead of Plot

The ASU Play Relay was held in the ASU gym last night. The relay was divided into two parts: a relay race and a play relay. The relay race was won by the ASU team, while the play relay was won by the University of Washington team.

The relay race consisted of 100-meter dashes, 200-meter dashes, and 400-meter relays. The play relay consisted of a variety of plays, including football, basketball, and volleyball.

Six Women Take Initial Fasten Rituals

Initial Fasten Rituals

The ASU Women's Fasten Ritual was held in the ASU gym last night. The ritual was attended by over 100 students and faculty members. The ritual included a number of traditional activities, such as fasting, meditation, and prayer.

The purpose of the ritual was to strengthen the ASU community and to promote a sense of unity and purpose among its members.

A new feature of the spring semester is the distribution of the films in some places as a part of a regular program. Some classes are in demand, and growth and business will be noticed in the spring semester, when the films are shown in some places as a part of a regular program.

Quarter vs. Semester Plan Topic Of Much Controversy

A controversy has been stirred up among people in the field of educational work in the state, as the quarter system is favored by some and the semester system by others. The quarrel is not so much over the system itself, but over the way in which the system is carried out. The quarter system is often criticized for being too short, while the semester system is often criticized for being too long. The controversy is not so much over the system itself, but over the way in which the system is carried out. The quarter system is often criticized for being too short, while the semester system is often criticized for being too long.
