Help Keep It Clean

The "most beautiful campus in the Northwest," as it has been termed by many, is due for a housecleaning. The Idaho campus has not been in the best of shape of late. It is riddled with litter and is in pretty sorry shape. It has been badly beaten by the winds. The Campus Building, where the offices of the individual living groups will be assigned specific areas on the campus, will not be used to clean up those specific areas and deposit it so that it can be picked up by Blue Key members.

The drive is sponsored each spring prior to the Mother's Day weekend. It is in an effort to really improve the appearance of the campus so that the part of Blue Key could be successful in the eyes of the students and visitors. Individual living groups will be assigned specific areas on the campus and deposit it so that it can be picked up by Blue Key members.

Out West Where Men Are And Women—Disagree

Men in what women wear. Men have the feet, two hands, and sometimes, two wires, but never more than one collar button. Lorh, Turkish, and Assyrian men are all made of the same material. The only difference is that some are better distinguished individuals. Generally speaking, they appear in three groups:—

1. The non-ironist.
2. The ironist.
3. The non-ironist, but scholarly.

You Can't Win

It is a psychological fallacy to believe that a man, who is not, shall I say, honest, will purchase articles which are intended to be sold at a price lower than a fraction of face value.

If you sell as a news you affection him to death, and if you don't, he will die anyway. If you say, "We will sell him to love him," and if you don't, he will die anyway. If you say, "We will sell him to love him," and if you don't, he will die anyway.

Idaho Tangles With OSC In Track Tilt Tomorrow

Underdog Vandals Seek 1st Victory

Seeking their first victory of the 1969 season, the Idaho track squad faces the Oregon State tracksters on Monday afternoon at 4 p.m. in the Byers Coliseum. The Bears, fresh from a stunning 10-point victory over the University of Washington last week, are the only team in the northwest looming large as a dark horse to win the title.

The Bears' victory date has waned, and next Saturday the Vandals must begin winning. Hawaii, Washington State, and Oregon State are all winners over the Vandals who have swept the field.

The Vandals must be realistic as to whether they will see another win.

Frisco Vandals Score

The Vandals will have the following lineup entries for the meet:

190 yard dash—Glenn Christensen, Bob Carty
220 yard dash—Christensen, Clancy Stache
220 yard dash—Bill Matthews, Don Miller
440 yard dash—Paul Cubas, Warren Johnson
880 yard run—McCann, Stache
Two miles—Clay Wells, Al DeMott, John Sills
Half mile—Keith Johnson, John Sills
3,000 meter—Lon Kazmer, Dave Greenslade, Art Randell, Myron King

Netten Spill Zags To Snap Old Jinx; Play Again Today

Wednesday afternoon saw the Vandals' tennis team snap the first win in two years. They tallied three singles and a doubles victory to drop Gonzaga's Bulldogs in the Vandals' first 1969 match. Jack Baisley, who was enrolled in tennis single last year, looked up to his barracks' conference to dominate Gonzaga's faculty (6-1) and (6-3). A junior college freshman, Jack Baisley took the win over Buffing Fennel, 6-4 and 6-3. Thanks to his victory, the Vandals won both the singles by outplaying Wynn (4-6) and (6-3).

In doubles, Bill Rogers joined Howard Brill in the win over Gonzaga's Shaller and Bentry (6-4) and (6-1). Gonzaga's win were Baren (6-4) and (6-1) over Bob Doulis (6-7) and (6-3) over Duggan. The Vandals had the advantage of the doubles teams since when Baisley and Tschida were defeated by Aidley and Station (6-2) and (6-0). Montana is here to win again so they can do their best against the Vandals. Then Thursday afternoon will bring the WSC's to Madison with the same object in mind. Coach Kerr's Vandals have to do everything they can against the Vandals.

Idaho, WSC Offer Twin Gridiron Bill

By a bit of misjudgment over the Moscow-Pullman game, the Idaho-Pullman gridiron friend has an opportunity to write the tale of a football game in 1969 season next Saturday. When they learned that home games were scheduled in Idaho and Washington State, Idaho and WSC announced over the speaking tubes for the biggest football games in see afternoon, but not the Idaho-Pullman.

Then it was that Idaho will meet the University of Washington at 11:30 a.m. in Moscow, where Idaho and WSC's Cougars will precede on an oddity from Club House College at 2:30, nine miles away.
