Two Are Named To Music Faculty For Cong Yeung

TWO women will be included in the music faculty of the department of music at Boise State University this summer with the appointment of Bessie Cong Yeung, of Boston, and Margaret Farquhar, of Charleston, S. C.

Miss Yeung, who holds a bachelor's degree from Oberlin conservatory, and a master's degree in music, has been an accompanist for the University of California at Berkeley. Miss Farquhar, also a graduate of the Oberlin conservatory, has been music supervisor for the Providence Symphony orchestra.

Meehan Nominated for Academic Honor Society

James E. Meehan, instructor in fine arts for the past year, has been nominated for membership in the national honor society, Sigma Alpha Iota. Meehan is a graduate of the University of Colorado, where he majored in art.

Sororities Greet New Pledge

The campus sororities have added a new pledge to their rosters, as Madame LaRue has been accepted into the Idaho chapter of Kappa Delta Rho.

Sorority Meeting

The Idaho chapter of Kappa Delta Rho held its meeting Thursday night, at the home of Mrs. Fredric Smith. The meeting was attended by the sorority members, and a new pledge was introduced.

Two Women Named to Music Faculty

Bessie Cong Yeung and Margaret Farquhar have been named to the music faculty of Boise State University for the summer. Miss Yeung, who holds a bachelor's degree from Oberlin conservatory and a master's degree in music, has been an accompanist for the University of California at Berkeley. Miss Farquhar, also a graduate of Oberlin, has been music supervisor for the Providence Symphony Orchestra.

Idaho Governor Borah, who holds a bachelor's degree from the University of California, has been appointed as the new director of the Idaho Department of Education.

Idaho Students Will Start Registering Thursday A.M.

Over 3,000 students are expected to pass through registration offices today. The procedure begins at 8:30 a.m., and will continue until 5 p.m.

The student responsible for filling out the forms will be the student who will take the course. Registration numbers are given to each student as he takes his number. The student will fill out the form, and the number will be recorded. The student will then be assigned a number, which will be used to identify him at any time.

Registration will begin Thursday, and will continue until the end of the registration period. Students are encouraged to register as soon as possible, as the registration period will end at 5 p.m. on September 1.

Student numbers will be assigned to those who register for classes, and will be used throughout the semester to identify the student. The number will appear on the back of the student's identification card, and will be used at all times.

Registration will continue until the end of the semester, and will be available to anyone who wishes to register.

Sororities Greet New Pledge

The new pledge, Madame LaRue, has been introduced to the sorority. She is a graduate of the University of Washington, and has been a member of the sorority for the past year.

Idaho Governor Borah

Borah was appointed as the new director of the Idaho Department of Education, succeeding Clifford L. Davis, who resigned from the position.

Orchids To The Businessmen

The Moscow Chamber of Commerce has established what they hope will be a new tradition for the Idaho campus.

Meyer E. Bennett, Dr. Georgia N. Adams and Mr. C. A. Fitzgerald met many officials of other along the route of the World Special, as it is bound from Moscow to Portland. The three-man delegation is led by the University of Idaho and the city of Moscow among others with whom they are to visit.

The meeting took place in the Moscow Chamber of Commerce, courtesy especially arranged by the Chamber of Commerce.

They were met by some of the more noted students of the university, as well as some students who are still working on what happened.

Last week's street dance, in downtown Moscow, proved to be more successful than the committee had planned. The music of Carl Pfeifer and his orchestra secured a good turn out for the early afternoon. The band, which had been formed, was impressively by the friendly spirit which prevailed between street and dance at this dance.

The Moscow Chamber of Commerce certainly deserves a good turn out on the book for organizing such a celebration for the students. The set, as well as the setting, was excellent. The whole affair was most enjoyable.

The Moscow Chamber of Commerce is to be congratulated for its efforts in promoting this unique function.

Soft as a Kitten!

This fabric makes love to your skin! It's Juilliard Featherly... the cool, lightweight, comfortable cotton blend with 21% angora in the air. We died for colorfastness in handling and wear. Idaho Club Will Be Site Of Athletes

After much discussion and controversy on the subject, the Idaho Club has been reserved for athletes, and will be operated under the regular dormitory system. If there are not enough students to authorize living in the Idaho Club, it will be abolished. The next steps will be taken this week.
Vet Eligibility Certificates Will Include Course, School Certificates Issued by World War II veterans shortage to train under the G.I. Bill from now on will include a course- and school-eligibility certificate. This is one of the main aims of the approved school at which he wants to pursue his course.

The new type certificates will be good only for the listed course in the specific school named, according to the Veteran's Administration.

Additional information on certificates of eligibility, VA explained, will aid VA in its efforts to help veterans get training that will be of direct use in their rehabilitation to civilian life, rather than just filling out the required forms of non-vocational type. These certificates of eligibility issued before September 1, 1946, will be eligible for exchange for certificates bearing the new type of information.

Those few veterans who still have certificates on the old type should have them remodeled for the new type—suing course and school—by commencing a course of training.

Rohrbeck has never had a course in any institution and now has unassigned certificates of eligibility issued after September 1, 1946, which will expire March 1, 1946. They need not be used for any specific school, but after March 1, 1946, they will be null.

Those certificates, VA added, may also be used for any veterans private, profit or commercial flight schools, or any courses for which veterans are required to report immediately for the training that will serve a basic use in gaining a new or continuation of any of the present or anticipated flying careers.

Claus Granted Leave Of Absence For First Term

A leave of absence for the first semester of the current school year has been granted to Cyril Claus, associate professor of music and conductor of the University of Idaho Symphony Orchestra. The leave was announced today by President E. R. Bartholomew following approval of a leave of absence by the board of trustees.

Professor Claus has been head of the music department and conductor of choirs and orchestras connected with the school for 27 years. An expert conductor, he has been heard in concerts throughout the Northwest.

The absence, at commencement exercises each spring, coinciding with the University Symphony, has been a familiar custom. Starting with the students in 1919, he built the orchestra into one of the finest college oratorio ensembles of the kind, numbering 80 to 70 pieces.

Taking his place for this year will be George A. Aakre. Mr. Aakre has had seven years of professional music experience and has been associated with symphony orchestras of Colu-

Five Campus Couples Wed During Summer Months

During the summer months weddings rang for many University of Idaho couples. Noted among those was the marriage of the former Miss Idaho (second year's Physical Education student) and her fiancé. Miss Hodges, daughter of Mrs. and Mr. Marvin Hodges, attended the University last year. The couple was married on June 3 and has left for a honeymoon in the Scandinavian countries.

Juni Weissenfeld played the traditional wedding melody, and the precurser sang "The Lord's Prayer." Both are active members of Sigma Chi and Phi Delta Theta. The couple will reside near Moscow.

Rodriguez-Russo

Sister Francis Mary, church chaperone for the University's Catholic church, attended the wedding of Mr. and Mrs. Delia Rodriguez, daughter of Mr. and Mrs. Alfredo Rodriguez, of Moscow. They were married in the Sacred Heart Church, and the reception was given at the residence of the bride.

KH如OUT IN THE DAVE

Welcome to American College With the Top Men in Sports With the Hollywood Stars
The football season had been long and艰苦, with many games and much travel. Now, on this beautiful fall afternoon, the area was buzzing with excitement as the teams prepared for the big game in the Palouse Empire. The crowd was eager to see who would emerge as the champion. 

Play-By-Play Account Of Idaho-Willamette Game

Compiled by ROBERT JOHNSON

The game was on, and the tension was high. Both teams had been practicing hard, looking for that one game that would secure their place in the championship. The Idaho-Willamette game was no exception.

First Quarter

Jerryl, the Idaho quarterback, came out strong, leading his team with confidence. Willamette, on the other hand, seemed to be trailing behind. Idaho's first play was a touchdown, giving them the lead early in the quarter. Willamette's defense was strong, but they couldn't quite catch up.

Second Quarter

Willamette finally scored a touchdown, narrowing the gap to 14-7. Idaho didn't let that momentary setback bring them down, and they continued to push forward. Willamette's defense was strong, but they couldn't quite catch up.

Third Quarter

The third quarter was a nail-biter, with both teams fighting hard for the lead. Idaho managed to pull ahead, but Willamette refused to give up. The crowd was on the edge of their seats, watching every play with bated breath.

Fourth Quarter

The final quarter was a race to the finish line. Idaho held on, but Willamette wasn't done. With only a few minutes left, Willamette scored a touchdown, tying the game at 21-21. The crowd erupted, cheering for Willamette's victory.

The game was over, and the Idaho-Willamette players shook hands, acknowledging their opponents' hard work and skill. The crowd dispersed, tired but happy, having witnessed a thrilling game.

Eaton's Crystal Sheer

...A Lady's FINE Letter Paper

Your letter's your pride, your joy, your glory. It's why you own a fine letter paper. It's the only way to show your respect to those you write to. Eaton's Crystal Sheer is the perfect choice. It's smooth, elegant, and just right for all your formal correspondence.

The College Football Rules

Football is governed by a set of rules, each rule having certain conditions governing its observance. These rules are outlined in the following paragraphs.

Catching

Catching is the act of catching a pass, whether legal or illegal. In general, catching a pass involves a player's hand being in contact with the ball, which is being thrown in the air.

Forward Pass

A forward pass is a pass thrown by a player with the ball forward, towards the opponent's goal line. A forward pass must be made within 20 yards of the line of scrimmage.

Penalties

Penalties are enforced for violations of the rules, such as personal fouls, unsportsmanlike conduct, and illegal formations.

Yanks And Cards Lead The Leagues While End Nears

Willamette Tilt Provides

Interesting Sidelights

Willamette's tilt clip, a popular game between the two teams, has provided some interesting sidelines. This year's tilt clip was held on the Willamette campus, and the game was a close one, with Willamette ultimately winning.

MHS, Paucha Happy Again

Coach Paul Paucha, the football coach at MHS, has been pleased with his team's performance this season. The team has won all but one game, and the only loss was a close one.

Vandals Display Power In Downwing Willamette

Displaying surprising power, the University of Idaho football squad rolled to an easy 75-6 victory over Willamette University yesterday afternoon in the stadium.

College Footballs

The College Football Rules are used in college football games. The rules are designed to ensure the safety of the players and to promote fair play.
