**Regents Approve New Men's And Women's Dormitories**

**The GOLDEN FLEET**

by Jason

Robert Morgan, president of the ASUC, met with the Academic Council on November 23 to present student views on campus housing problems for 1950. After considerable discussion, Morgan summarized with two recommendations: 1) that the Academic Council request the admissions committee to consider the purpose of a roommate, distinctly different from the current system, and 2) that a third dimension be held.

Following the Academic Council action, President J. E. Buchanan, in a statement regarding Morgan's action, stated that the Academic Council would be reconvened to consider the problem. The following is the text of Buchanan's statement which was also available to the press.

**Situation Changes**

"It must be recalled that the Academic Council will give careful and thorough consideration to the problems projected by Mr. Morgan. The Academic Council has not yet reached a final position on this matter, nor can any conclusions be drawn from any discussions that have been held. Furthermore, the Academic Council will continue to give serious consideration to this problem as it develops."

**Hoop Competition Opens**

With fans still thinking about the basketball season that has ended, the Vandal women and men will be back in action Thursday evening, however, with some of the players you might be surprised to hear that the mood is that the post-season is over and the move to the next one is already taken over. The first of three games will be against Idaho State at 7:30 p.m. in Corvallis, Oregon. The second game will be played at Montana State University during the next week's home game against the Bobcats, also at 7:30 p.m. The third game will be played at Portland State University. All three games will be played at Memorial Gymnasium. Last year's record shows that the Vandals narrowly defeated Eastern Washington 67-65 Thursday evening's game should be a close, hard-fought affair.

**Vandal Roster**

Vicki Nate's varsity roster includes the next two years, plus a list of girls from last season's squad. This year's roster includes Nick Stimson, on both ends of the floor because he was the only one of the squad to score on the round team from the southern district all-star selection last year. The two seniors, Nick and Jay are back. Coach is making his fourth season as varsity coach and Bob Pirrie will be the third. Other returners will include Dan Jong, George Ryd, Edith Blatchford, Birdie Shacle, Kay Johnson, and Ken Barber.

The Vandals have been working on their skills for several weeks now, and the team is expected to return to their division, Vandals Candice, on both ends of the floor, Furby and Giselle Fuhlendorf, in order.

**Intra-Squad Swimming Meet**

Seniors and juniors will be held Tuesday evening at 7:30 p.m. in the Idaho State University pool. The swim meet will be held Friday evening at 7:30 p.m. in the Idaho State University pool. The meet will feature the annual swimming event. The winner will be determined by the combined times of the two teams.

**Vandal Photographs**

Lavender's colorado Valley baseball team is ranked Kent McCallum. Kent has been inducted into the Vandal Photograph for his four years' basketball of Idaho. When asked for this interview, he said, "I don't want to be in the paper, get someone who isn't a girl." However, he finally decided it was the only way to get rid of a tedious interview.
