Characters To Create Dolls

In "The Puppet Garden"

By R. D. Jolliff

Out of a folklore store, Mrs. Haller has created a special story for the kids at the Union Elementary School. The story, featuring characters from "Mother Goose," has been "The Giggle of Ginger"

Committee heads have been selected for the annual meeting of the Union Elementary School. The meeting will be held at 7:30 p.m. on Monday, Nov. 14. The agenda will include reports on the progress of the school's overcrowding problems and discussion of ways to improve educational programs.

By The Day

VOICE IN THE NIGHT

Dilapidated old church in the middle of the night

"Why did the chicken cross the road?"

The voice on the opposite side of the churchyard was so loud it could be heard across the street. But no one could figure out who was talking. People on their way to bed could hear the voice, but they couldn't tell who was speaking.

The "who" are a group of old men who meet every Tuesday at 8 p.m. to discuss various topics. The group is known as the "Voices of the Night." They meet in an old church in the middle of the street, where they can be heard by everyone passing by.

The ASU presidency is the next topic on the agenda. The group members are not sure if the ASU should continue to allow students to speak at events. Some members believe it is important to allow students to express their opinions, while others think it is too controversial.

The ASU presidency plans to hold a meeting to discuss this issue. The meeting will be held at 7 p.m. on Monday, Nov. 21, at the ASU Student Union.

PLAYING GAMES VIA TELEPHONE

The group members are also interested in the possibility of playing games via telephone. They believe this would be a great way to keep in touch with each other.

The group members plan to hold a meeting to discuss this issue. The meeting will be held at 7 p.m. on Monday, Nov. 28, at the ASU Student Union.

In addition to the regular meetings, the group members plan to hold a special meeting to discuss the upcoming election. The meeting will be held at 7 p.m. on Monday, Nov. 28, at the ASU Student Union.
