ASUI Elections Await Board Settlement

Students Receive Oratory Prizes At Los Angeles

Mitchell Hunt and Milton Grogan, president and vice president of the University in the Forensic league meeting at Los Angeles were both finalists in their respective fields. Mitchell Hunt won first prize in the after-dinner speaking, and was awarded a personal trophy for the university. Milton George was selected as one of four to be in a special division group to broadcast a discussion of "What is the guns view of the United States in Post-War Reconstruction?"

The other three students represented in the radio broadcast were from the University of Michigan, Michigan State, and Stanford. The group was selected after listening to three-two-hour panel discussions, in which both of the Idaho boys took part. The Idaho students included in the finals of the oratory field discussion was given by the Forensic League group. The panel discussion was released through International Broadcasting. William DeMille, head of the drama department at the University of California and brother of Don and Deane, acted as chairman of the contest. There were six students involved, and one had at least one representative from each school.

At the close of the meeting the Forensic League invited the league to hold its annual meeting at Moscow. The last time the league met at Moscow was in 1926.

ASUI To Welcome Navy, Army To New Dances

The first in the new series of Student Activities Board dances will be held in the Idaho Union ballroom from 9 p.m. until 12:30 a.m. The dance will feature the music of a nickelodeon, and jump jive and swing will be in the assembly line. It is an informal dance affair with the charge of 15 cents per person.

The committee functioning on the dance: Marilyn Jensen, chairman; Jane Wadsworth, vice chairman; Bette Walker, secretary; Muriel Styles, treasurer; Kaye Staley, treasurer; Helen King and Allan Styles, members. The dance committee has been asking more local residents to attend future dances. Mrs. H. P. Magnuson will be in charge.

Vacation

Every student is invited to spend their summer vacation in Idaho, the land of the blue and gold. Everyone is invited to spend their summer vacation in Idaho, the land of the blue and gold.

Course in Russian at Summer Term

Resuming the course and continuing the work for the current one, the Foreign Languages department of the University of Idaho will offer in the two summer sessions of the year: a six week course, in July 1 intensive course in elementary Russian, taught by B. S. Fenn, head of the modern languages department. The course is open to anyone who has completed the course of Russian which the University of Idaho has offered in the past year as part of the accelerated program. For those who have worked in Russian in the past there will be the equivalent of two years' work in a regular course of Russian in the first summer term. The instructor will be Dr. T. D. Morey. He served for two years in Russia until he was 1930.

The school is high in international standing, and the school and the instructors are well known.

Dean Olson Tours Southern Schools

Bette Olson, dean of women, left Sunday for a trip through southern California to introduce campus girls interested in entering the commercial field. She will travel to Fort Worth and will come back via Los Angeles. She is expected to return to the campus May 6 or 7.

Since questions involving the interpretation of the ASUI constitution and by-laws, ASUI elections have been suspended until new by-laws are drawn up and the Board of Arbitration can meet to settle issues involved. Elections were originally scheduled for today.

Action on the petition will be delayed until the return to the campus of ASUI president Harry Lewler, who serves on the board of directors of the Western Student Press Association and has been in Denver for several weeks.

R. Bonomi Is Held In Italian Camp

Unit. Robert P. Bonomi, 1926 graduate of the University of Idaho, is a prisoner in war-time Italy. His family, including his father, Mr. and Mrs. Robert Bonomi, have received a message from him. He said he was transferred from the army camp to a camp of the Catholic church, with the word that he is safe.

Lombard Professor is Member in Notch, took his training in music, and is a graduate of the University of Idaho. He is a member of the Idaho chapter of the Lombardi Society.

Preresters Decide Banquet Date

Monday night, April 24, has been set definitely as the date for the annual banquet of the Idaho Gamma Sigma fraternity. George J. Wibell, of the fraternity, sent the guest speaker invitation.

Prerestate offered by Dr. W. A. S. Strong, assistant professor of English, will be $5.00. The banquet will be held in the Idaho Union ballroom by the Idaho Gamma Sigma fraternity.

A. H. Farnenfeld Speaks

Dean A. W. Farnenfeld, president of the Idaho Gamma Sigma fraternity, has selected his topic for the Moscow chamber of commerce commercial development of Latin America to be the subject of his talk on the question of development and its commercial development for the chamber. His address, discussing this subject, will be held in the Idaho Union ballroom.

Freshman Present Home Ec Program

Home economics freshmen presented the entertainment for the afternoon meeting of the Idaho Student Home Economics Association.

Communique Comment

In his address at Monterey on Tuesday evening, President Roosevelt re-affirmed the faith in Pan-American co-operation that has given vigor to his Good Neighbor policy since 1933. His words formed a supplement to the speeches made by Secretary Hull and Undersecretary Sumner Welles before the Pan-American Union and the New York Rotary Club last week. The leaders of our national government evidently regard the hemisphere association of the 21 American republics as the cornerstone for a post-war world order of free nations.

The warm reception given to Vice President Wallace in Central and South America testifies to the success of those agencies of the U.S. government that have been working during the past two years to break down the traditional distrust of Yankee statesmen in the countries south of the Rio Grande. In his public statements, Wallace has shown sympathy for the national aspirations of our southern neighbors and has promised that the U.S. will not return to the big-stick diplomacy of the McKinley-Roosevelt era.

The small nations of Latin America, Europe and Asia have shown concern in recent months over declarations in regard to Allied war aims made by the British prime minister and the head of the U.S. Navy Department. These minor states are alarmed by Churchill's preoccupation with the task of restoring Britain's pre-war imperial grandeur and by Secretary Knox's demands for a trans-Pacific chain of islands as a permanent U.S. bases after the defeat of Japan. They wonder whether the noble words of Roosevelt, Hull, Welles and Wallace may not be designed to disguise the gradual establishment of a world-wide Anglo-American condominium in which all peoples would live under a law held down by London and Tokyo.

Our British allies and the U.S. naval and air fleets.

Secretary Knox talks hard sense when he assents that the post-war world will require the use of force to preserve international order. But the mere mention of overwhelming military strength by the U.S. and Britain will not ensure peace for the earth after the present conflict. The interests of all continents become convinced that London and Washington intend to act according to the principles of the Atlantic Charter. Britain and U.S. troops in 1937 or 1938 will be fighting coalitions of hostile nations determined to win freedom from Anglo-American domination.

JASON

Board of Arbitration, to meet upon the return to the campus of ASUI President Henry Stevens. Behind this situation lies a long and complicated series of events and politics. United States students abstained from participation.

Thinclads Hit By Losses, Meet WSC On Saturday

Idaho trackmen will open their conference competition Saturday in Pullman against WSC, with Idaho's prospects for a win in the dark. The meet will be the only conference event scheduled for the Vandals this season.

Last year the Vandals machine overwhelmed its Pullman rival 76-3 to 3-5, but this year the outcome promises to be a different story. At the first of the year Coach Mike Ryan had prospects of the strongest team Idaho had ever seen, but losses to the armed services of such men as White Lewis, Lafe, and Pagani have thinned the ranks until a win over WSC is virtually impossible.

This is the only factor entering into the picture. The thinclads have had to battle the handicap of poor weather this year. Ryan said yesterday that the men are six weeks behind in their training due to a short indoctrination period and a long winter which prohibited early outdoor training.

The Vandals will enter the meet with only two lettermen back from last year, those being John Thomas and Lt. Mur Chapman. Coach Ryan said, "we will win points definitely in the half mile, mile, and the two-mile, but poppin' won in any of the other events will be gifts."

On the other hand WSC probably has the strongest team in the northern division this year, with such men as Put Haley, Zimmerman, Dudge, and Bowser. All told WSC has eight lettermen back, many of them northern division winners.

Idaho's chances would be somewhat brighter if the ROTC recon- tinued in time for the meet, since the top men in the pole vault, hurdles, and the weights are in the Air Force.

Ryan summed up Idaho chances when he said, "the boys will do their best, but we have never seen short handed and so far behind in our training."

**ARCHERY MEET TO BE HELD**

This year the Western Sectional Inter-Collegiate Archery Meet will be held from April 30 to May 3. Women interested in this event may practice from 1:00 to 3:00 on Wednesday afternoon, and from 2:00 to 4:00 on Friday afternoon. When the weather does not permit outdoor practice, students may practice in the Gymnasium from 1:00 to 2:00 on Wednesday afternoon, and from 4:00 to 5:00 on Friday.

Barber: Was your tie red when you came in here?

Max: No, it wasn't.

Barber: Good.

**Ball Team Arrives Home From Trip; Green Optimistic**

The Vandals baseball team arrived home yesterday with five losses under their belt, and also some much needed experience.

At Oregon State the Vandals dropped a hard one, 8-7 after they over broke their two run lead. The second game was a bad one for Idaho with the boys making 10 errors and losing 13-2. In the Oregon notice the Vandals did a little better, but the Webers still blanked them 6-0 the first game, and clipped them the second game 6-2.

Moving to Washington the Vandals lost six men to the armed forces and also a ball game, 7-5. The second game there was called off because of bad playing conditions.

Coach George Greene attributed the Vandals losses to poor defensive play, saying that most of the games were lost due to errors. He was pleased with the pitching of Gardner, Herbst, and Neill. Also the batting of Peterson, Konopka, and Lewis. Greene is optimistic about the rest of the season and said, "if we get in a few days of practice we can still win some ball games at home."

**Idaho Drops Slim Margin To WSC In Tennis Match**

Vandals netmen dropped a close meet to a WSC team 4 to 3 in the northern division opener for the two schools. The meet was tied up until the last doubles match which WSC won and thus captured the meet.

Babe Brown, Vandals coach, was well satisfied with the showing by the Idaho team made, and said the boys are showing much improvement.

The next matches are with Oregon State in Moscow on Friday and Saturday. The Vandals have temporarily lost Carew, Inlay, and Durr to the ROTC, and it is still doubtful the Idaho team will be able to make the Oregon State meet. If they are not replaced the boys will be replaced by either Dave Senceberg, Lowell Sayre, or Frank Tarkowski.
