ELECTIONS

Election for ASU offices were still at a standstill late Wednesday evening. It is expected that the Board of Arbitra
tion will meet today to de
cide the questions concerning the
terpretation of the ASU con
stitution, based on the ballot paper
tions. All election plans must be
confirmed until that board has
decided.

Brazilians Speaks
To Classes
OnPan-America

"Latin America has only recently
been discovered by the United
States, and since I came to this
country I have only a limited knowledge of
the sister republics, Pan-
American in name only. This is
a new field," Dr. Travers De Sa

In other of his lectures, Dr.
Travers discussed the Brazilian
condition of the government of the
United States, and in his opinion, the
attitude toward the war. Many of his topics
were introduced by questions
asked by students in the audi
ence, and since Dr. Travers left a part
of his lecture period open for
discussion.

Dr. Travers, who received his

Miss Bellos Weds In Philadelphia

Evadine Bellos, daughter of Mr. and Mrs. George Bellos of Moscow, and former Idaho student, became the bride of James M. Beelands April 17, at Philadelphia, Pa.

Miss Edwards was named editor of the Argonaut at the beginning of the present semester, but she resigned after having edited one issue.

The young couple will make their home in Philadelphia.

Miss Wirt Returns From Conference

Returning last week from the annual conference of the American Association for health, physical education and recreation, Miss Dirks will be an asset to the physical education department and student's representative at the conference, stated that the conference this year was devoted to the problem of recognizing physical education to meet the present war emergency.

With the probability that men teachers in physical education will be absent, it may be all taken by the army, great stress was also given to the need for preparing women to handle men's classes.

Idaho's former coach, Col. Theodore Burk, is now chief of athletics and recreation in the United States army at Washington. He is also a key speaker at the conference.

Major Percy Clark, school for military officials, was unable to appear for the conference since the chapter was scheduled at that time.

Vice-president and treasurer, Major Clark is also member of Idaho's physical education staff.

Town Girls Elect: Hold Initiation

Initiation and election of new officers for the coming year were the highlights of the Delta Tau Gamma meeting held last Monday at the Rockey.

Officers for the group are Frances Saunders, president; Char
tette Dimond, vice president; Viola Mylty, secretary; Helen Nelson, treasurer; and Donnie Freeman, social chairman.

New officers include: Dorothy Jean Bjorklund, Betty Powell, Mary Frances, Florence Litten, Dot Case, and Erma Fleischman. A picnic is planned for the group this Friday.

Miss Board Tells Requirements

Seventeen-year-old high school students, ranking scholastically in the upper half of their class, may enter the University of Idaho, on the southern branch of the university, the board of education has announced.

Formerly it was necessary for the students to the upper three-fourths of his class.

The new regulations also require that such students have the assurance of their high school principal that they will be granted high school diplomas upon the successful completion of their first year at the university.

Group Initiates New Members

Phi Delta Omicron, national home economics honorary, elected new officers and initiated six new members last Saturday at 4:30.

That evening at 7:45 the old and new members were entertained at a buffet supper at the home of Lois Lemon.

Mrs. Barbara Olin, district counselor, who was scheduled to inspect the chapter last week-end, has postponed the inspection indefinitely.

Those initiated were Juliana Fawley, Mary Cinda Chris, Dorothy Anne Rogers, Emma Smith, Nada Lemelson, Florence Marshall and Frances Marchall.

Officers for the group are Mary Cinda Chris, president; Dorothy Anne Rogers, corresponding secretary; Lois Lemon, recording secretary; Linda Williams, treasurer, and Louise Bates, chaplain.

CRASH KILLS U. GRADUATE

Sgt. Eugene E. Brown, class of 1941, was killed in an airplane crash April 11 at the Victory airport, Griffin, Ga.

During his years at Idaho he majored in forestry, and lived at the home of Mrs. Greene Miller.

Mural Sports Program To Be Cancelled

Greene Says Action Due To War Conditions

Athletic Director George Greene announced Tuesday that the intramural sports program will probably be cancelled for the remainder of the school year. War conditions were given as the main reasons for the possible action.

"Due to the fact that many of the group houses are broken up because of the war situation, and because many of the intramural officials have been taken by the armed forces, we will probably be forced to discontinue the program," Greene said in a statement to the Argonaut yesterday.

"The army and navy contingents on the campus have taken over many of our fields for drill purposes," he went on to say, "and make it impossible for us to find the places to hold the contests."

Perhaps the strongest non-war-time reason was the lack of interest among the students, and even this may be attributed in part to the war, Greene said.

Managers in Meet

Alpha Phi Chi, intramural managers organization, will meet Tuesday to vote on the matter, Greene said. It will also decide whether or not to crown an intramural champion based on the sports already finished, he said.

Thinelads Bow To WSC By 89-42

Weakened by the loss of three key men, Idaho's thinelads fell before a strong Washington State aggregation Saturday by a score of 89-42.

Earl Chandler, weight man, Bob Vanderhaas, pole vaulter and Bill Zahora, hurdlar, were absent from the team with the ROYC group being processed at Fort Lewis.

Chapman High Soreer

LaMarr Chapman was high scorer for the Vandals in addition to being the only double winner for the team. He scored nine points in winning the mile run and tying the first in the two-mile with teammate Wurd Stroheim.

The thinelads won five of the 15 events on the program and tied for sixth in the meet. John Thomas was the half-mile run, and LaMarr won the high hurdles, and Bill Minut was victorious in the javelin throw, in addition to Chapman's two victories. Ward Gano tied two WSC men for first in the javelin jump with a leap of 5 feet 7 inches.

The Vandal baseball eleven moved deeper into the cellar this week with two losses to Washington State.

The first game, played in Moscow, ended in a 3-5 victory for the Cougars. The game was decided in the first two innings, largely on Idaho errors. Six Cougar runs caused the plate in three half-innings to clinch the game.

Idaho's strongest bid came in the second when a homer by Bob Davis started a two run rally. However, when John Ryan was caught off third, the rally died.

Tuesday's contest was a field day for the Cougars batters, as two Idaho pitchers gave up 16 hits in losing 15-5.

Cal Schools Draw Grid Schedule

George Greene, Idaho's athletic director, yesterday expressed surprise at Tuesday's "premonitory" drawing of a tentative southern division football schedule by the California PCC schools.

Greene indicated that, although the move was long expected, it was surprising that the northern division members of the conference did not notify.

The tentative schedule, called for home and home games next season fall between the four California members of the conference, will be submitted to the June 14 meeting of the conference. It is provided that the northern division members draw up a similar schedule and that the winner of the northern division crown meet the southern winner in a post-season game.

The winner of the post-season game would be crowned conference champion. The move was adopted to save traveling.

Net Team Breaks Losing Streak, Defeats OSC 5-2

Vandal netmen won their first victory in two years last Friday when they defeated Oregon State 5-2. Idaho won three of the eight matches and swept the doubles matches.

The netmen were playing without the services of the three injured members of the squad. John Carlson and Dale Reynolds, No. 1 and No. 2 respectively, were at Fort Lewis with the ROTC contingent, while Kent Barber, No. 3, was out with a sprained ankle.

The OSC squad was also caught in its first string, Ayres and Meal out with a sprained ankle.

DELTA CHIS ELECT OFFICERS
