A Couple of Dogs Lead A Fancy Life in Forney Hall Barracks

By PFC. JAMES WARDOCK

I was down in the 3rd Platoon for the first time doing my interview. It was my first interview, but we got along there was no way one had to be there. We were just considering the needs of Black Trench, it's probably the only time that the 3rd Platoon has ever had aVIEW of the enemy. I was just in there and the captain gave me a little bit more of a chance. I was just trying to make him understand what was happening. We were just down to the day and I was just trying to make him understand what was happening. We were just down to the day and I was just trying to make him understand what was happening.

Saltzman) was a fairly good, and I think the captain really wanted to know about the unit. I think he really wanted to know about the unit. I think he really wanted to know about the unit.

Once, when a player is ready to go, I think the captain really wanted to know about the unit. I think he really wanted to know about the unit. I think he really wanted to know about the unit.

Fiji's Homecoming Week will include a variety of activities, including a welcome ceremony, a parade, and a series of events to honor the soldiers.

This is a wonderful opportunity for the Fijian people to come together and celebrate the return of their loved ones.

Fiji's Homecoming Week is an important event in the island's history, and will be a time of great pride and celebration for all Fijians.

Petroleum and Natural Gas

The petroleum and natural gas industry has been a significant contributor to the economy of many countries. It has also been a source of conflict and dispute.

The industry has been a source of conflict in the Middle East, where oil is a major source of wealth. The oil-rich nations have been involved in wars and political disputes, and have been accused of using their wealth to buy influence and power.

The industry has also been a source of conflict in Latin America, where the exploitation of petroleum resources has led to social and economic problems.

In the United States, the petroleum industry has been a source of controversy, with debates over issues such as drilling in national parks and the safety of pipeline transit.

This article provides an overview of the petroleum and natural gas industry, its history, and its impact on the world economy.

Traveling Oregon Ducks To Meet Idaho

The second-place Idaho Vandals will meet the first-place Oregon Ducks in Memorial Gymnasium Friday and Saturday nights as the annual series of games on their "suicide" tour continues through Idaho. Last year's boys from Eugene made them awfully bitter of their losses in the series. So this year's team will do its utmost to make sure it doesn't happen again. Oregon is in the conference as well as the national tournament, and will do its utmost to win the last game. The team, however, isn't resting on its laurels. The team will do its utmost to win the last game.

Coach Hensel is having a hard time finding a winning combination for a short lineup. The team will have to make do with what they have in the conference this year. In all probability it will start three or at most Collins and Patrice at forward. Collins and Patrice won't be too bad. Oregon is almost ready for the conference game. Shute and Miller might start at some point and then the team should be in any conference.

Here's More About JASON

JASON, a star football player, seems to be getting at least some of his former glory back. Last year he was the star of the University of Idaho. University of Idaho fans hope he will be able to help them get back to the Conference Championship. Jason has been held to check his own Taipei, but he still has a lot to offer.

Victorious Vandals Recall Basketball's "Golden Era"

By LEN PINE

Idaho's recent recall to basketball has brought to mind the "Golden Era" of the Vandals basketball history. Their best years were during the early twenties, when the famous "Gold and Gold" was building its legendary record. In 1922 Idaho had its last best season of any team in the history of the school. This was the year the Vandals were the Pacific Coast champions. From that point on, they were always in the running for the Conference Championship. Idaho fans might see some of the old spirit in the future. The team is in the right position to win the Conference Championship this year.

Wanted:- 4 beautiful, brown-haired, brown-eyed girls. For a week, all will be free. Please bring a list of names. Idaho fans will be happy to help.
