I ran into a girl at the bookstore yesterday. After she asked me what I was reading, I admitted, "We had a showdown.

The showdown was over the fact that we were all cellulose phosphorylating while mining my companion. I told her my attitude about the war was the result of an absence of my own conscience that one day she would become a nurse. She told me she had become a nurse in order to become a nurse.

On Saturday the University of Idaho plays host to the state high school track and field championship in Moscow. In addition to the many high schools that will be represented in the meet, many colleges will be in attendance. The only college taking part will be the Idaho State College track team, from Pocatello. This will mark the second straight year that the college will take part in the state meet.

The Idaho State College team is a small one, consisting of a single boy and a single girl. The only college that is taking part is the University of Idaho, which has a team consisting of 25 boys and 20 girls. The state meet is the only one that the University of Idaho will be allowed to take part in. The team will be coached by Mr. E. B. Good, who has been the head coach of the University of Idaho track team for the past five years.

The team will be made up of the best athletes that the University of Idaho has to offer. The team is coached by Mr. E. B. Good, who has been the head coach of the University of Idaho track team for the past five years. The team will be made up of the best athletes that the University of Idaho has to offer.
