Queen Ann Reigns At Fete; Honor Societies Tap Many

Meeting Is Held At Vancouver For Presidents

V.W. Smith, student elected Alpha Sigma Tau, and Carol Inman, student of Sigma Xi, were the presidents, introduced in the morning by Helen Smith, Student Secretary of the University of Idaho, to the assembled students of the Pacific Northwest. The meeting was opened by Dr. J. A. Pugh of the University of Idaho, who presided over the event. The program included speeches and a panel discussion on various topics relevant to the students of the Pacific Northwest. The event was well attended, and everyone enjoyed the festivities.

Gay Ninety" Motif

The decorations committee was responsible for the overall design and execution of the Gay Ninety motif. The decorations were created using a combination of traditional and modern elements, with a focus on color and texture. The result was a stunning display that captured the essence of the Gay Nineties, and was enjoyed by all attendees.

May Blot Appears This Week With Eight More Pages

Appearing on the front page of the Pacific Northwest student's newspaper in Vancouver this week is the student body who made the cover page. The students have been working on this issue for a few days now and are excited to see the final product. The issue will be available at the student union tomorrow.

University Host At Meeting Of Colleagues

Following on the heels of the Pacific Northwest student's newspaper in Vancouver this week is the student body who made the cover page. The students have been working on this issue for a few days now and are excited to see the final product. The issue will be available at the student union tomorrow.

Idaho Mothers Witness Annual Spring Festival

Many people attended the annual Spring Festival this year, including the Idaho Mothers. The event was held on the campus of the University of Idaho, and featured various activities and performances. The festival was a great success, and everyone who attended had a wonderful time.
G.I. Bill For Everyone!

Government subsidization of college education for discharged World War II veterans is a program that has been long overdue for our government. The program should provide the means of higher education to those students who desire to attend college but who were not able to do so during the war due to lack of funds. The G.I. Bill is a step in the right direction and should be expanded to include all veterans who were not able to attend college during the war.

Most of the major European countries have had some type of program to help veterans to continue their education. These programs have been successful and have provided a great deal of benefit to both the country and the individual veteran. It is unfortunate that America, which prides a doctrine of world leadership, should lag behind in this essential field of world betterment through education.

Professors Have Problems

The University of Idaho needs more competent instructors to be brought into the teacher-student ratio and students are not being given the interest and attention they give the individual student.

Teachers in colleges are facing one of the most difficult problems of all. The professor himself is not satisfied with his work, his duties, or his position in society, and consequently he is not an inspiring person to his students. It will be long before the universities can continue to produce first-class men of science who can

travelling to and from a major city part of the country, as nearly 800,000 veterans remained to travel in the midst of the war. A similar critical need was faced in March when the VA required an emergency appropriation to carry on until the normal deficit was restored. The veterans were faced with the problem of how to get to the city to be a part of the war effort, and how to get to the city to be a part of the war effort.

Failure of Congress to reach an agreement on a defense budget is likely to result in a critical need for a more complete defense program. The current program is not adequate to meet the needs of the country.

In the northwest section of the country the VA has been working in the interests of the veterans in the area. This has included the setting up of a veterans' council that has been active in the area and has worked to improve the conditions of the veterans.

Campus Honors Mothers During Busy Weekend

Local activities on the campus for the weekend were centered around Mother's Day which included the May Pole Day, Drama Day, and an all-campus luncheon which they held in honor of their mothers.

For the Mother's Day observance, the Smoke Signal ladies put on their best clothes and marched in a May Pole Day procession around the campus before settling down to luncheon in the Bob and Rhoda Wolfe classroom. Mrs. D. K. S. in charge of the committee. The May wine was served on the tables and the guests were served a sumptuous luncheon. The guests were then asked to write a short poem about their mothers, which were then read by one of the May Pole Day committee. A gift of flowers was given to each guest.

At the Drama Day, the students of the Department of Speech and Drama put on a play called "The Nest." The play was written by the students and was about the lives of the birds in their nest. The play was a great success and was well received by the audience.

At the all-campus luncheon, the students and faculty members were served a delicious meal. The guests were then asked to take a picture with their mothers. The pictures were later displayed in the Bob and Rhoda Wolfe classroom.

In summary, the Friar's Nest looked very attractive with the May Pole Day decorations. The May wine was served on the tables and the students and faculty members were served a sumptuous luncheon. It was a great weekend filled with activities and fun.

Sourdough Wills, Mastodon Finally Announced

The latest gilt to get in, a gilt to the university, was announced by the University's mastodon, Wills, and his companion, Mastodon. The mastodon's name is Wills, and he is a native of the university campus. Wills and Mastodon are said to be very friendly, and they are often seen strolling around the campus together.

For a treat instead of a Greed

Wills will be served at the college's annual picnic, which is scheduled for next week. The picnic is a tradition at the university, and it is always a great event.
