Coed Rush Will Start Wednesday

Three sororities will participate in a coed rush held at the end of this week. The events will be sponsored by the coed rush committee and will be held on Tuesday, Wednesday, and Thursday of next week.

Bev Carlson, a sophomore, said that the coed rush is an important part of the college experience. "It's a great way to meet new people and have fun," she said.

The coed rush events will include a variety of activities, such as games, parties, and social events. "We want to make sure that everyone has a good time," said Carlson.

The coed rush committee is made up of students from both the junior and senior classes. "We're excited to see how the coed rush will turn out," said Carlson.

The coed rush events are open to all students, regardless of gender. "We want to make sure that everyone is welcome," said Carlson.

The coed rush events will take place in the Student Union and in various other locations on campus.

Oak Ridge Fellowship in California

The Oak Ridge Fellowship in California is a community of students who are interested in the Oak Ridge experience. The fellowship provides a community of support and resources for students who are interested in the Oak Ridge experience.

The fellowship is open to all students, regardless of gender or major. "We want to make sure that everyone is welcome," said Carlson.

The fellowship provides a variety of activities, such as social events, career development workshops, and academic support.

Dear Jason,

At full time of the match against the head coach, I have been informed by the coaches that you have been selected for the upcoming match. Your hard work and dedication to the team have been noticed, and I am confident that you will make a significant contribution to the team's success.

Your performance in training and during matches has been outstanding, and I believe you have the necessary skills and experience to handle the challenges ahead. I look forward to watching you lead the team forward.

Best regards,

[Your Name]

Family Life Is Stressed As Source Of Solution To War

The drain on the family during the war has been an area of concern for many. The war has caused stress and strain on family relationships, and it is important to address these issues to ensure the well-being of all involved.

One solution to this problem is to focus on strengthening family relationships. By spending more time together and prioritizing family activities, we can build a stronger bond and reduce stress levels. Additionally, communication is key in maintaining healthy relationships. Open and honest communication can help address any issues before they escalate.

In conclusion, the war has put a strain on family life, but by focusing on strengthening relationships and prioritizing communication, we can work towards creating a more stable and less stressful environment for our loved ones.

Basketball

The basketball team continues to impress with their recent victories. The players have shown great resilience and determination in their games.

The team's next match is scheduled for [date] against [opponent]. Both teams are expected to provide a high level of competition, so it will be an exciting match to watch.

In conclusion, the basketball team is off to a great start, and we look forward to their continued success.

Drill Night

From a point high on the zanadu, a tower beam scatters the sky. Lights burn in classrooms. Khaki replaces tweed and covers the floor of a hall. Boys are assigned to Reserve units study the machines and methods of defense.

Preparation is the order of the day.

And the Bell System stands prepared. In fifty busy years, we have added more than 12,500,000 telephones. Many improvements have been made in the quality and speed of service. Our force of highly skilled, experienced men and women has been greatly enlarged—and now numbers over 150,000.

A nation in a hurry goes by telephone. This country has the best telephone service in the world.

Semester Change Of Management Finds Houses With New Officers

Many living groups on campus have new leaders this semester, including Sigma, Omega, Beta Theta Pi, Sigma Alpha Epsilon, Sigma Kappa, and Omicron Chi. These changes come after old officers from the outgoing groups were announced. New officers were announced for Alpha Rho Chi, Phi Beta Pi, and Alpha Xi Delta.

Kimerling Returns From New Orleans

Willard Kimerling recently returned from New Orleans, where he was the guest of the New Orleans Chapter of the American Chemical Society. During his stay, he had the opportunity to meet with many members of the society and discuss various topics related to chemical engineering.

Modern World Confused By Complex Color Chart

Pick up your newspaper, magazine, book, or for that matter, anything written down on paper. You might see a chart. Picture your teacher standing by your desk, saying, "This chart is important." What is this chart? It appears to be a colorful chart, possibly a data representation, but what is its purpose? Is it meant to explain something complex?

Infirmary

On January 15, the following students were admitted to the Infirmary: James Laughlin, William Fullerton, George W. Smith, and John Anderson. All students were treated for colds and flu.

Ski Club

The Ski Club is planning a winter retreat at a ski resort in the mountains. The retreat will include skiing, snowboarding, and other winter sports.

Exams Conducted By Civil Service To Fill Positions

The Civil Service Commission announced that exams will be conducted to fill positions in various government agencies. Interested applicants are encouraged to register for the exams.

Street Rage Incident

A recent incident involving street rage occurred on campus. A group of students were involved in a heated argument, which escalated into a physical altercation. The administration is investigating the incident and taking steps to ensure the safety of all students.

Professional Artists' Model Tells Of Colorful Career

A professional artist's model shared her experiences in the modeling industry, discussing the challenges and rewards of her career. The model emphasized the importance of perseverance and self-discipline in the competitive field of modeling.

Hunting

During the hunting season, students are encouraged to follow all safety guidelines and to respect the wildlife. The administration reminds students to obtain proper licenses and to adhere to hunting regulations.

Coping With Stress

A workshop on coping with stress is scheduled for this week. The workshop will provide strategies for managing stress and maintaining a healthy lifestyle.

Vandals Inflate Duck Roost Tonight; Brace Of Battles With Coach Warren's "On Again, Off Again" Crew Looks Rough

Idaho Holds Edge Under The Boards

Coach Chuck Filer's Idaho Vandals have been 17-3 under the boards of the Northern Division this year and in the last two seasons, when they lost to the Oregon Ducks at the Arena in 1970.

The Vandals rolled into Washington yesterday morning and have many of the Olympic's fans on the edge of their seats. The story in the local press is that Idaho is on a five-game winning streak, has only one defeat and is being led by Russ Bliss.

Will Urban Flatt?

The Vandals may be a favorite for a full house of basketball enthusiasts in the Olympic this time. The local press has been featuring Idaho's games in the last three seasons, and the Vandals have been a big draw.

The Vandals have a 17-game schedule, and have been leading the standings in times with a 52-20 record. Their fans are everywhere, and the Vandals are known for their dedication to the game.

In last week's games, the Vandals have been leading in their first games, leading by 20 points in four games. They have scored 137, 127, 131 and 130 points in their last four games.

The Vandals are known for their defense, and have allowed their opponents to average less than 100 points a game.

Campus Interviews on Cigarette Tests

Number 10: The PANDA

Cards, Chess and Other Games

For Rent at the Student Union

Buildings

Games Must Be Used on the Second or Third Floor Only

"Let's get down to bear facts!"

The emphasis on quick-type cigarette tests may have caused some panic on the campus, but our scholars are grateful. All the facts of the case and detailed description of one puff or one snuff test... single inhale and exhale comparisons are hardly conclusive. Proof of cigarette diminution doesn't come that fast! And that's exactly why we suggest...

The other test -- the Cigarette Cards Method Test, which simply asks you to test Cigarette by your hand...

Food -- on a per day, per day, daily basis. No smoke judgments needed. After you've enjoyed Cigarettes -- and only Cigarettes -- for 30 days in your "Z"-Zone. (For the "Two", the "Tea", Trust me, we believe you."

More People Smoke Cigarettes Than Other Smoke Products!
