United Party Primary Election This Noon

Independents Pick State;
SG Party Assembly At 7

By Jason

The political rumblings of last week took definite shape in caucus meetings last night as the Independent party, possibly the most powerful of the five major parties, picked state candidates for the primary election on March 26. By the time a unified Independent primary list was submitted to the Republican State Central Committee.

Some Independents, however, are not satisfied with the caucuses. They believe that the Independent party should have a more active role in the primary election.

In other political action, the Democratic party is organizing its caucuses for the primary election. The caucuses will be held in each precinct on March 21st. Caucus meetings will be held in all precincts.

Legion Says They’re Loaded

The state commander of the American Legion today told members of the state assembly that the primary division in Idaho was not ready for battle in its proposed attack against a speaking program scheduled for February 25th in the University of Idaho campus.

Leisure McCarthy, state commander of the American Legion, said yesterday afternoon that the American Legion had not been informed of the proposed speaking program in Idaho. He added that the American Legion would not be able to support the program.

Statement Coming

McCarthy said that he is uncertain about the American Legion’s support of the proposed speaking program. He added that he is uncertain whether the American Legion will be able to support the program.

---

Other News

A letter was received recently from the national commander of the American Legion. The letter stated that the American Legion would support the program.

The letter was sent to the state commander of the American Legion. The letter stated that the American Legion was not able to support the program.

A member of the American Legion was quoted in the letter as saying that the American Legion would not be able to support the program.

Delta Chi Initiate As Pledges Sneak

Many pledges sneak, Phi Phi’s new tradition; and the Delta Chi brothers have been more than happy to assist. The pledges do not usually sneak, though they haven’t said why. The Delta Chi brothers are not in the habit of sneaking, but they have been known to do so occasionally.

A semi-formal at Chi Omega’s house is the first of several similar events in the near future. The Delta Chi brothers have been known to sneak, but they have been careful to do so only when absolutely necessary. They have been known to sneak, but they have been careful to not be caught.

A lot of time has passed at the Delta Chi house and the pledges have been able to keep the promises they made to the pledges, who are now the Delta Chi brothers.

Lee Anderson, after a week.

250 Students To Join In Repeat Performance

An experimental performance project of the Delta Chi chapter of Phi Phi’s fraternity was so successful that it has been repeated by the same group of fraternity members. The Delta Chi chapter of Phi Phi’s fraternity has repeated the performance project, which was termed the “highly successful” by the fraternity, nearly 250 times since its first performance.

The university students were so pleased with the performance project that they have repeated it every year since its first performance. The Delta Chi chapter of Phi Phi’s fraternity is proud of the success of the performance project and plans to continue to repeat it in the future.

100 WASHING Machines to be Sold at MAC’S

The Delta Chi chapter of Phi Phi’s fraternity is proud to announce that it has sold 100 washing machines at MAC’s, a local appliance store. The Delta Chi brothers have been proud to help with the sale of the washing machines, and they are proud of the success of the sale.

A semi-formal at Chi Omega’s house is the first of several similar events in the near future. The Delta Chi brothers have been known to sneak, but they have been careful to do so only when absolutely necessary. They have been known to sneak, but they have been careful to not be caught.
