Groups Will Recruit Booths To Be In Ballrooms: Dance To Highlight Evening

More than 16 activities and entertainment groups plan to open their doors and hearts tonight to attract a mass recruiting and recruiting crowd.

The Central, ostracized by student groups (for the first time), will provide a band for the opening of the bands, which will be held immediately after the opening.

Dance Highlights

Highlight of the evening will be the dance which will be held from 9 p.m. and running until midnight. This is a formal dance, held for those interested in participating in the social programs of the Ballroom.

Although each of the booths will participate in one facet of the organization exploiting itself, the groups will each have separate booths with their own specialized programs. The rooms will be decorated with the theme of the respective organization.

Students Organize Surprise Rally For Governor Smythe

University of Idaho students are organizing the 1960 election of Governor Robert Byrd for the people of the state.

The students will be holding a rally at the last minute to support Byrd's election in the November ballot. This is the third time students have banded together on behalf of Byrd.

Thru the Cost or Right

The rally will be held today on the campus of the University of Idaho at 3 p.m.

Dr. Murphy, a University of Idaho student, will be speaking on the theme of the rally.

The rally is free to all those interested in supporting Byrd's election.

TSP Search for Feminine Journalists

Those interested in joining the search for feminine journalists should make an appointment to see the American Women's Journalist, Sonja Cazita, at the University of Idaho. She will be there until March 20th.

The Journal is currently looking for four to six female journalists who would be interested in joining their team. The search is open to anyone interested in journalism.

The Journal will provide training and support for the selected candidates. The search is expected to last until January 20th.

The process will involve an initial interview, followed by a more detailed investigation of the candidates' backgrounds and experiences. The Journal will then make a final decision on who to select.

University of Idaho, Boise State, and Idaho State University will be holding the search.

Mr. Format Only To Stir Up Interest In Amendment

The format of the amendment will stir interest in the amendment, and they in turn, should stir interest in the amendment.

The amendment is designed to be a political tool to attract the support of the populace. It is hoped that the amendment will be passed by the populace in the upcoming election.

The amendment is scheduled to be discussed in the House of Representatives on May 20th, and it is expected that it will be passed by the House of Representatives.

On the Calendar

The Annual BBQ will be held on Friday, May 20th, at the University of Idaho, with the proceeds going to help support the University's athletic programs.

The BBQ will feature grilled meats, hot dogs, hamburgers, and a variety of other foods. It will also feature live music and entertainment.

The BBQ is open to the public, and tickets can be purchased at the door.

West Germany is Europe's Most Visible Economy; Others Eye It Warily

By DOUG BECKERS

West Germany is Europe's most visible economy, and others are eyeing it warily. The economic situation in West Germany is of great interest to other European countries, and many are looking to it as a model for their own economic development.

The German economy has been growing steadily in recent years, and this has led to increased interest in the country. West Germany is often seen as a model for other European countries to follow in terms of economic growth and stability.

The country's economy is anchored by a strong manufacturing sector, with high levels of productivity and innovation. This has led to steady growth in production and employment.

The German economy is also characterized by a high level of education and training, which has helped to foster innovation and productivity. The country has a strong research and development infrastructure, and this has been a key factor in its economic success.

The German economy is also known for its strong labor market, with low unemployment rates and high levels of job satisfaction. This has been achieved through a combination of strong trade unions and effective labor market policies.

The country's economic success has been achieved through a combination of strong government policies and a strong commitment to private enterprise. The German government has been committed to maintaining a balanced budget and reducing debt, and this has helped to maintain a strong fiscal position.

The German economy is also characterized by a high level of social welfare, with strong public programs for health care, education, and social services. This has helped to foster a strong social safety net and has contributed to the country's economic success.

The German economy is also characterized by a strong commitment to environmental sustainability. The country has been committed to reducing its carbon emissions and to promoting renewable energy sources.

The German economy is also known for its strong commitment to innovation and research. The country has a strong research and development infrastructure, and this has been a key factor in its economic success.

The German economy is also characterized by a strong commitment to international trade. The country has a strong commitment to free trade and to promoting its own economic interests on the global stage.

The German economy is also known for its strong commitment to social justice. The country has a strong commitment to reducing poverty and inequality, and this has helped to foster a strong sense of social cohesion.

The German economy is also characterized by a strong commitment to social welfare. The country has a strong commitment to providing social services for all citizens, and this has helped to foster a strong sense of social cohesion.

The German economy is also characterized by a strong commitment to national defense. The country has a strong commitment to maintaining a strong defense force, and this has helped to foster a strong sense of national pride.

The German economy is also characterized by a strong commitment to international cooperation. The country has a strong commitment to promoting peace and stability on the global stage, and this has helped to foster a strong sense of international cooperation.

The German economy is also characterized by a strong commitment to social justice. The country has a strong commitment to reducing poverty and inequality, and this has helped to foster a strong sense of social cohesion.

The Canadian Artistic Archipelago is to Talk Subject

By MARSHA BERGER

The Canadian Artistic Archipelago is planning to talk about subject on Thursday, June 21, in the center of campus. The discussion will be on the relationship between art and science, and how these disciplines can influence each other.

The event will feature presentations from artists and scientists who will discuss their work and ideas. There will be a panel discussion followed by a Q&A session with the audience.

The winners of the Canadian Artistic Archipelago's annual art and science contest will also be announced at the event. The contest is open to students and faculty members, and the winners will be awarded prizes for their creative works.

Tickets for the event are available at the box office. Doors open at 7:00 pm, and the event starts at 7:30 pm. For more information, please visit the website of the Canadian Artistic Archipelago.

Vandals and Rainbows Will Clash In Hawaiian Islands

By LARRY ROBY
Associated Press Writer

Thirty-three spirited Idaho Vandals left the Lewiston air
port yesterday bound for Honolulu, Hawaii.

(who) will be hoping to find that ever-sleeping pot of gold
at the end of the "Bowl of Rainbows," if there is one. The school is
affiliated with the University of Hawaii Rainbows in the produc-
tion of television shows. (The games will be aired in both
Feb. 1963.)

On Thursday, Oct. 22, the Vandals will face the
